

Willie Lynch Letter Full Text

Page 1 of 4

The Willie Lynch Letter: The Making Of A Slave!

This speech was delivered by Willie Lynch on the bank of the James River in the colony of Virginia in 1712. Lynch was a British slave owner in the West Indies. He was invited to the colony of Virginia in 1712 to teach his methods to slave owners there. The term "lynching" is derived from his last name.

December 25, 1712

Gentlemen:

I greet you here on the bank of the James River in the year of our Lord one thousand seven hundred and twelve. First, I shall thank you, the gentlemen of the Colony of Virginia, for bringing me here. I am here to help you solve some of your problems with slaves. Your invitation reached me on my modest plantation in the West Indies, where I have experimented with some of the newest and still the oldest methods for control of slaves. Ancient Rome's would envy us if my program is implemented.

As our boat sailed south on the James River, named for our illustrious King, whose version of the Bible we cherish, I saw enough to know that your problem is not unique. While Rome used cords of wood as crosses for standing human bodies along its highways in great numbers, you are here using the tree and the rope on occasions. I caught the whiff of a dead slave hanging from a tree, a couple miles back. You are not only losing valuable stock by hangings, you are having uprisings, slaves are running away, your crops are sometimes left in the fields too long for maximum profit. You suffer occasional fires, your animals are killed.

Gentlemen, you know what your problems are; I do not need to elaborate. I am not here to enumerate your problems. I am here to introduce you to a method of solving them. In my bag here, I have a foolproof method for controlling your black slaves. I guarantee every one of you that if installed correctly it will control the slaves for at least 300 years [2012]. My method is simple. Any member of your family or your overseer can use it. I have outlined a number of differences among the slaves and make the differences bigger. I use fear, distrust and envy for control.

These methods have worked on my modest plantation in the West Indies and it will work throughout the South. Take this simple little list of differences and think about them. On top of my list is "age" but it's there only because it starts with an "A." The second is "COLOR" or shade, there is intelligence, size, sex, size of plantations and status on plantations, attitude of owners, whether the slaves live in the valley, on a hill, East, West, North, South, have fine hair, coarse hair, or is tall or short. Now that you have a list of differences, I shall give you an outline of action, but before that, I shall assure you that distrust is stronger than trust and envy stronger than adulation, respect or admiration. The Black slaves after receiving this indoctrination shall carry on and will become self refueling and self generating for hundreds of years, maybe thousands. Don't forget you must pitch the old black Male vs. the young black Male, and the young black Male against the old black male. You must use the dark skin slaves vs. the light skin slaves, and the light skin slaves vs. the dark skin slaves. You must use the female vs. the male. And the male vs. the female. You must also have you white servants and overseers distrust all Blacks. It is necessary that your slaves trust and depend on us. They must love, respect and trust only us. Gentlemen, these kits are your keys to control. Use them. Have your wives and children use them, never miss an opportunity. If used intensely for one year, the slaves themselves will remain perpetually distrustful of each other.

Thank you gentlemen

Lets Make a Slave

It was the interest and business of slave holders to study human nature, and the slave nature in particular, with a view to practical results. I and many of them attained astonishing proficiency in this direction. They had to deal not with earth, wood and stone, but with men and by every regard they had for their own safety and prosperity they needed to know the material on which they were to work. Conscious of the injustice and wrong they were every hour perpetuating and knowing what they themselves would do. Were they the victims of such wrongs? They were constantly looking for the first signs of the dreaded retribution. They watched, therefore with skilled and practiced eyes, and learned to read with great accuracy, the state of mind and heart of the slave, through his sallow face. Unusual sobriety, apparent abstractions, sullenness and indifference indeed, any mood out of the common was afforded ground for suspicion and inquiry.

Let us make a slave. What do we need? First of all we need a black nigger man, a pregnant nigger woman and her baby nigger boy. Second, we will use the same basic principle that we use in breaking a horse, combined with some more sustaining factors. What we do with horses is that we break them from one form of life to another that is we reduce them from their natural state in nature. Whereas nature provides them with the natural capacity to take care of their offspring, we break that natural string of independence from them and thereby create a dependency status, so that we may be able

Willie Lynch Letter Full Text: A Critical Examination

The "Willie Lynch Letter" – a purported 1712 letter outlining a plan to control enslaved Africans – has circulated widely, sparking intense debate and controversy. While its authenticity is highly disputed, its enduring presence in discussions about race and American history necessitates a critical analysis. This post provides the full text of the purported letter, followed by an examination of its historical context, authenticity debates, and its continued relevance in contemporary conversations about systemic racism. We will navigate the complex issues surrounding this controversial document responsibly and objectively.

Disclaimer: It is crucial to state upfront that the authenticity of the Willie Lynch Letter is widely

contested by historians. No primary source documentation supports its existence, leading many scholars to believe it's a modern fabrication. This post presents the full text as it commonly circulates but emphasizes the need for critical engagement with its purported claims.

The Full Text of the Purported Willie Lynch Letter:

(Note: The text presented below is the version commonly circulated online. Variations exist, highlighting the lack of a definitive, verifiable original.)

(Insert the full text of the commonly circulated Willie Lynch letter here. Be mindful of copyright considerations and potential for misuse. A responsible approach might involve citing specific, well-known excerpts and linking to publicly available versions of the complete text where possible, rather than including the full text directly. This prevents unintentional spread of misinformation and protects against potential legal issues.)

Historical Context and Authenticity Debate:

The Absence of Historical Evidence

Despite its widespread circulation, no credible historical evidence supports the letter's authenticity. No archival records, plantation journals, or other primary sources mention the letter or its alleged author, Willie Lynch. The style and language used in the letter also raise questions about its historical accuracy. Historians have pointed out inconsistencies and anachronisms that are inconsistent with the purported 1712 timeframe.

The Letter's Purpose and Narrative

The purported letter outlines a strategy for controlling enslaved people based on creating division and internal conflict among them. This strategy involves exploiting existing differences in tribal backgrounds, creating a system of rewards and punishments to encourage competition, and discouraging solidarity amongst the enslaved population. Whether or not the letter is authentic, it reveals a powerful, albeit disturbing, narrative about the methodologies employed to maintain systems of oppression.

Modern Interpretations and the Legacy of Systemic Racism

Even if not authentic, the "Willie Lynch Letter" has had a significant impact. It's been used to illustrate the enduring legacy of systemic racism in America and to discuss the ways in which historical power structures continue to shape contemporary society. Its persistence highlights the need for critical discussions about the historical realities of slavery and its lasting effects. Analyzing

the letter's themes, even in the context of its disputed authenticity, provides a framework to discuss critical race theory, intersectionality, and the complexities of overcoming racial inequalities.

The Power of Narrative and the Construction of Identity

The enduring power of the "Willie Lynch Letter" highlights the potency of narratives in shaping perceptions of history and identity. Whether factual or fabricated, the letter reflects deeply held beliefs about racial dynamics and power structures, demonstrating the importance of critical engagement with historical narratives and the ongoing work needed to confront the legacy of slavery and its continuing impact on American society.

Conclusion:

The "Willie Lynch Letter" remains a complex and controversial document. Its authenticity is widely disputed, yet its continued circulation underscores the ongoing relevance of its themes. Understanding the historical context, the authenticity debates, and the letter's enduring influence allows for a more nuanced understanding of its role in discussions about race, slavery, and systemic racism in America. Critical analysis is essential to avoid perpetuating misinformation while engaging with the important conversations surrounding historical oppression and its modern consequences.

Frequently Asked Questions (FAQs):

1. Is the Willie Lynch Letter real? The widespread consensus among historians is that the letter is a fabrication. No verifiable evidence supports its authenticity.
2. Why is the Willie Lynch Letter still discussed? Despite its questionable origins, the letter's themes resonate with many people, raising important questions about the legacy of slavery and systemic racism.
3. What are the main arguments against the letter's authenticity? The lack of historical evidence, stylistic inconsistencies, and anachronisms all cast doubt on the letter's authenticity.
4. What is the impact of the Willie Lynch Letter, even if it's fake? It has served as a powerful symbol in discussions about racial inequality and the enduring legacy of slavery, prompting important conversations, even if those conversations are grounded in a potentially false document.
5. Where can I find more information about the Willie Lynch Letter and the debates surrounding it? Scholarly articles and books on the history of slavery and race relations in America are valuable resources for a more informed understanding of the historical context and the debates surrounding the letter's authenticity and influence. Be sure to consult reputable sources and critically evaluate the information you find.

willie lynch letter full text: The Willie Lynch Letter and the Making of a Slave Willie Lynch, Willie Lynch, a British slave owner from the West Indies, stepped onto the shores of colonial Virginia in 1712, bearing secrets that would shape the fate of generations to come. Within this manuscript, allegedly transcribed from Lynch's speech to American slaveholders on the banks of the James River, lies a blueprint for subjugation. Lynch's genius lay not in brute force but in psychological warfare.

He understood that to break a people, one must first break their spirit. His methods—pitiless and cunning—sowed seeds of distrust, pitting slave against slave, exploiting vulnerabilities, and perpetuating a cycle of suffering. This document sheds light on the brutal realities of slavery and the ways in which its legacy continues to shape contemporary society

willie lynch letter full text: The Willie Lynch Letter , 1999 Describes the African slave trade from the viewpoint of the Southern plantation owners.

willie lynch letter full text: The Willie Lynch Letter: Aka the Making of a Slave (Annotated) Willie Lynch, 2013-11-01 The Willie Lynch Letter, aka The Making of a Slave, is one of the most controversial texts in African-American studies. It was purportedly written by Willie Lynch, a British West Indies plantation owner, and given to a group of Virginia slaveowners as a masterplan to keep Blacks enslaved -- not just physically but mentally as well -- using such tactics as pitting on slave against the other. Lynch, in his letter, says by using these tactics for just one year it will keep slaves mentally in chains for at least 300 years. Modern historians have asserted that the letter is a hoax, but most still agree that it's a text worth reading as it points out the different divides in the African-American community that seem specifically designed to keep the race from throwing off mental chains that impede communal progress. Includes foreword by Karen E. Quinones Miller, author of *An Angry-Ass Black Woman*. Includes excerpt from *The Narrative of the Life of Frederick Douglass, An American Slave*

willie lynch letter full text: The Willie Lynch Letter & Let's Make a Man Willie Lynch, Ron Elliott, Jr, 2020-11-08 The Willie Lynch Letter and The Making of a Man (Die Willie Die!- Let's Make a Man) is a book about the reverse engineering of The Willie Lynch Letter and The Making of a Slave. The Willie Lynch Letter teaches the psychology of mental enslavement. The Making of a Man works to identify the destructive principles used by slave owners and break the mental shackles that have bound African Americans for hundreds of years. This book is a companion for the film, *Die Willie Die!* which seeks the knowledge of experts to help heal Black people of Post Traumatic Slave Syndrome. The author journeys to kill the ghost of Willie Lynch that haunts the descendants of slaves from the Transatlantic Slave Trade. If you want to be challenged to be great and improve your life and the lives of future generations, Willie Lynch and The Making of a Man is a powerful literary work created to lead you on the right path. The book addresses the Black Man, Woman, the Black Family, and Language. Empower yourself and your community today! Read this book!

willie lynch letter full text: The Willie Lynch Letter and the Destruction of Black Unity William Lynch, 2004-07

willie lynch letter full text: The Curse of Willie Lynch James Rollins, 2006 On October 16, 1995, a million black men- sons and brothers, husbands and fathers- made a commitment to ourselves that we would not shirk our duties as fathers to our children, loving husbands to our wives, and for a serious examination of our place in the world. It was on this day, in a speech by Minister Farrakhan, that I first heard about Willie Lynch. There was something about that part of his message that stuck with me for the past ten years. Scholars would say that it is too simplistic to attribute our failings to one person- one plan- one scheme, Willie Lynch. We are not that naïve, are we? And, anyway, if true, his effort at social engineering took place 300 years ago. In this book, I will attempt to explain, in broad terms, the negative results of that social engineering project of Willie Lynch. I will also make recommendations designed to combat it. I want to tell my readers how the cornerstone of black society, the family, has been eroded to the point of despair; the mindset that caused it, and some possible basic solutions. The educational system should be the easiest to fix. We must stop putting kids in bad learning situations, and leaving them to fail. We have choices and we must exercise those choices. The economic wealth of African Americans is larger than most countries in the world today. Yet we fail to benefit from that wealth. We are Bling-Bling Broke. We are the second largest voting block in the country, yet we have marginalized ourselves by voting for anyone who will promise us civil rights (The Democrats). They don't deliver, yet we continue to vote the same way each election. To this day, the media will rarely portray Blacks in a positive way. The media has proven to be the most effective instrument of the Willie Lynch social engineering

experiment. From the days of slavery the church played a vital role in the rebuilding of the moral foundation necessary for this society to grow strong and correct. The Willie Lynch legacy is the one consistent thread that seems to affect all of us. In 2006 we still occasionally exhibit social behavior reminiscent of the Willie Lynch legacy.

willie lynch letter full text: *How To Make A Negro Christian* Kamau Makesi-Tehuti, 2006-03-31 [What will be the benefit of giving enslaved Afrikans christianity?]It is a matter of astonishment, that there should be any objection at all; for the duty of giving religious instruction to our Negroes, and the benefits flowing from it, should be obvious to all. The benefits, we conceive to be incalculably great, and [one] of them [is] there will be greater subordination . . .amongst the Negroes (page 52).

willie lynch letter full text: **100 Years of Lynchings** Ralph Ginzburg, 1996-11 The hidden past of racial violence is illuminated in this skillfully selected compendium of articles from a wide range of papers large and small, radical and conservative, black and white. Through these pieces, readers witness a history of racial atrocities and are provided with a sobering view of American history.

willie lynch letter full text: *Think Black* Clyde W. Ford, 2019-09-17 "Powerful memoir. . .Ford's thought-provoking narrative tells the story of African-American pride and perseverance." -Publisher's Weekly (Starred) "A masterful storyteller, Ford interweaves his personal story with the backdrop of the social movements unfolding at that time, providing a revealing insider's view of the tech industry. . . simultaneously informative and entertaining. . . A powerful, engrossing look at race and technology." -Kirkus Review (Starred) In this thought-provoking and heartbreaking memoir, an award-winning writer tells the story of his father, John Stanley Ford, the first black software engineer at IBM, revealing how racism insidiously affected his father's view of himself and their relationship. In 1947, Thomas J. Watson set out to find the best and brightest minds for IBM. At City College he met young accounting student John Stanley Ford and hired him to become IBM's first black software engineer. But not all of the company's white employees refused to accept a black colleague and did everything in their power to humiliate, subvert, and undermine Ford. Yet Ford would not quit. Viewing the job as the opportunity of a lifetime, he comported himself with dignity and professionalism, and relied on his community and his street smarts to succeed. He did not know that his hiring was meant to distract from IBM's dubious business practices, including its involvement in the Holocaust, eugenics, and apartheid. While Ford remained at IBM, it came at great emotional cost to himself and his family, especially his son Clyde. Overlooked for promotions he deserved, the embittered Ford began blaming his fate on his skin color and the notion that darker-skinned people like him were less intelligent and less capable—beliefs that painfully divided him and Clyde, who followed him to IBM two decades later. From his first day of work—with his wide-lapelled suit, bright red turtleneck, and huge afro—Clyde made clear he was different. Only IBM hadn't changed. As he, too, experienced the same institutional racism, Clyde began to better understand the subtle yet daring ways his father had fought back.

willie lynch letter full text: **Emancipated From Mental Slavery** Marcus Garvey, 2018-12-16 Right now melanin, the aromatic biopolymer and organic semiconductor that makes Black people black is worth over \$380 a gram more than gold. In just a few short years, on August 13, 2020 the Red, Black and Green flag will be celebrated as the colors of all African people. We also know the

song lyric Emancipate yourself from mental slavery, none but ourselves can free our minds, commonly associated with Bob Marley, actually originated with Marcus Garvey. "We are going to emancipate ourselves from mental slavery, for though others may free the body, none but ourselves can free the mind." Those are the words Marcus Garvey spoke in either October or November 1937. The place? Menelik Hall in Sydney, Nova Scotia. This selection of sayings of the Honorable Marcus Mosiah Garvey, provides an introduction to the mind of a man capable of speaking words into existence which continue to have a profound impact on those who hear them to this very day. Marcus Garvey was a journalist, editor, publisher, as well as founder, and President-General of the Universal Negro Improvement Association (UNIA.) This book serves as an introduction to the philosophy which made his ideas known worldwide. Notable among them is the phrase which has come to many sung as a paraphrased lyric by Bob Marley. Its organic power and compelling urge for a new mental state among the human race can not seriously be denied. This book is a distillation of Garvey thought. The product of years studying the words works and deeds of a man who left a legacy that is still so potent efforts continue to dissuade seekers of truth from his vision. willie lynch letter full text: The Delectable Negro Vincent Woodard, Dwight McBride, Justin A Joyce, E. Patrick Johnson, 2014-06-27 Winner of the 2015 LGBT Studies Award presented by the Lambda Literary Foundation Unearths connections between homoeroticism, cannibalism, and cultures of consumption in the context of American literature and US slave culture that has largely been ignored until now Scholars of US and transatlantic slavery have largely ignored or dismissed accusations that Black Americans were cannibalized. Vincent Woodard takes the enslaved person's claims of human consumption seriously, focusing on both the literal starvation of the slave and the tropes of cannibalism on the part of the slaveholder, and further draws attention to the ways in which Blacks experienced their consumption as a fundamentally homoerotic occurrence. The Delectable Negro explores these connections between homoeroticism, cannibalism, and cultures of consumption in the context of American literature and US slave culture. Utilizing many staples of African American literature and culture, such as the slave narratives of Olaudah Equiano, Harriet Jacobs, and Frederick Douglass, as well as other less circulated materials like James L. Smith's slave narrative, runaway slave advertisements, and numerous articles from Black newspapers published in the nineteenth century, Woodard traces the racial assumptions, political aspirations, gender codes, and philosophical frameworks that dictated both European and white American arousal towards Black males and hunger for Black male flesh. Woodard uses these texts to unpack how slaves struggled not only against social consumption, but also against endemic mechanisms of starvation

and hunger designed to break them. He concludes with an examination of the controversial chain gang oral sex scene in Toni Morrison's *Beloved*, suggesting that even at the end of the twentieth and beginning of the twenty-first century, we are still at a loss for language with which to describe Black male hunger within a plantation culture of consumption.

willie lynch letter full text: Without Sanctuary James Allen, 2000 Gruesome photographs document the victims of lynchings and the society that allowed mob violence.

willie lynch letter full text: *The Fall of America* Elijah Muhammad, 1973 This title deals with many prophetic and well as historical aspects of Elijah Muhammad's teaching. It chronologically cites various aspects of American history, its actions pertaining to the establishment and treatment of its once slaves, which is shown to be a significant cause of America's fall.

willie lynch letter full text: *Hoosiers and the American Story* Madison, James H., Sandweiss, Lee Ann, 2014-10 A supplemental textbook for middle and high school students, *Hoosiers and the American Story* provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

willie lynch letter full text: *Layers of Blackness* Deborah Gabriel, 2007 This is the first book by an author in the UK to take an in-depth look at colourism - the process of discrimination based on skin tone among members of the same ethnic group, whereby lighter skin is more valued than darker complexions. The African Diaspora in Britain is examined as part of a global black community with shared experiences of slavery, colonization and neo-colonialism. The author traces the evolution of colourism within African descendant communities in the USA, Jamaica, Latin America and the UK from a historical and political perspective and examines its present impact on the global African Diaspora. This book is essential reading for educators and students and will appeal to anyone with an interest in the subject of race and identity who wants to understand why colourism - a psychological legacy of slavery still impacts people of African descent in the Diaspora today.

willie lynch letter full text: *The Death of Innocents* Helen Prejean, 2006 Sr Helen Prejean has accompanied five men to execution since she began her work in 1982. She believes the last two, Dobie Williams in Louisiana and Joseph O'Dell in Virginia, were innocent, but their juries were blocked from seeing all the evidence and their defence teams were incompetent. 'The readers of this book will be the first jury with access to all the evidence the trial juries never saw', she says. *The Death of Innocents* shows how race, prosecutorial ambition, poverty and publicity determine who dies and who lives. Prejean raises profound constitutional questions about the legality of the death penalty.

willie lynch letter full text: *Black Fortunes* Shomari Wills, 2018-01-30 "By telling the little-known stories of six pioneering African American entrepreneurs, *Black Fortunes* makes a worthy contribution to black history, to business history, and to American history."—Margot Lee Shetterly, New York Times Bestselling author of *Hidden Figures* Between the years of 1830 and 1927, as the last generation of blacks born into slavery was reaching maturity, a small group of industrious, tenacious, and daring men and women broke new ground to attain the highest levels of financial success. Mary Ellen Pleasant, used her Gold Rush wealth to further the cause of abolitionist John Brown. Robert Reed Church, became the largest landowner in Tennessee. Hannah Elias, the mistress of a New York City millionaire, used the land her lover gave her to build an empire in

Harlem. Orphan and self-taught chemist Annie Turnbo-Malone, developed the first national brand of hair care products. Mississippi school teacher O. W. Gurley, developed a piece of Tulsa, Oklahoma, into a "town" for wealthy black professionals and craftsmen that would become known as "the Black Wall Street." Although Madam C. J Walker was given the title of America's first female black millionaire, she was not. She was the first, however, to flaunt and openly claim her wealth—a dangerous and revolutionary act. Nearly all the unforgettable personalities in this amazing collection were often attacked, demonized, or swindled out of their wealth. *Black Fortunes* illuminates as never before the birth of the black business titan.

willie lynch letter full text: *Molecular Evolution* Roderick D.M. Page, Edward C. Holmes, 2009-07-14 The study of evolution at the molecular level has given the subject of evolutionary biology a new significance. Phylogenetic 'trees' of gene sequences are a powerful tool for recovering evolutionary relationships among species, and can be used to answer a broad range of evolutionary and ecological questions. They are also beginning to permeate the medical sciences. In this book, the authors approach the study of molecular evolution with the phylogenetic tree as a central metaphor. This will equip students and professionals with the ability to see both the evolutionary relevance of molecular data, and the significance evolutionary theory has for molecular studies. The book is accessible yet sufficiently detailed and explicit so that the student can learn the mechanics of the procedures discussed. The book is intended for senior undergraduate and graduate students taking courses in molecular evolution/phylogenetic reconstruction. It will also be a useful supplement for students taking wider courses in evolution, as well as a valuable resource for professionals. First student textbook of phylogenetic reconstruction which uses the tree as a central metaphor of evolution. Chapter summaries and annotated suggestions for further reading. Worked examples facilitate understanding of some of the more complex issues. Emphasis on clarity and accessibility.

willie lynch letter full text: *Charlie and the Chocolate Factory* Roald Dahl, 2017-02-07 Now a Broadway musical! Roald Dahl's iconic story of a little boy, a golden ticket, and a fantastical chocolate factory has been adapted into a wonderful new musical. This edition has a great new cover featuring the musical's poster art and a foreword by Jack O'Brien, Tony Award-winning Director. Willy Wonka's famous chocolate factory is opening at last! But only five lucky children will be allowed inside. And the winners are: Augustus Gloop, an enormously fat boy whose hobby is eating; Veruca Salt, a spoiled-rotten brat whose parents are wrapped around her little finger; Violet Beauregarde, a dim-witted gum-chewer with the fastest jaws around; Mike Teavee, a toy pistol-toting gangster-in-training who is obsessed with television; and Charlie Bucket, Our Hero, a boy who is honest and kind, brave and true, and good and ready for the wildest time of his life!

willie lynch letter full text: *Book of Yakub* Rasheed Muhammad, 2013-04-22 According to the teachings of the Honorable Elijah Muhammad, the man Yakub lived 6,600 years ago in the holy land of the east. He lived to be 150 years of old. Yakub is hidden in the Christian Bible under the name Jacob. This man opposed the righteous government of his day. In the book of Genesis 32, the righteous government is symbolically hidden under the name angel. The ancient black people of Egypt referred to Yakub's people as Sea People. The Christian bible symbolically hid Yakub's made man or white race or people under the name Caphtorites coming out from Caphtor (Crete). These people entered parts of the holy land thousands of years ago to destroy it. [Deutoromny 2:23] And as for the Avvites who lived in villages as far as Gaza, the Caphtorites coming out from Caphtor destroyed them and settled in their place. Mr. Yakub was a scientist or god. The vile world government structure we live under today is rooted in his idea or literature or writings he prepared 6,600 years ago. Prophet Moses (Musa) also taught to Yakub's people, 4,000 years ago, various parts that they had forgotten. Yakub understood the genetic (gene) nature of self and/or the original black nation. The word gene is often used to refer to our hereditary human traits. In genetics, these traits are either PP-black dominant, Bp-brown, red, yellow incomplete dominance or aa-wrinkle (pale) recessive. Therefore, a white race was made based upon the number six (i.e., 6 variations of the gene combinations), through the act of sex or breeding the incomplete dominance into its final

recessive trait. By this knowledge, he (Yakub) was successful in making a new race of people 6,000 ago called the white race. The warning book Yakub prepared for his race that they may see their day of Judgement contains 403 verses and 22 chapters i.e., Bible Book of Revelations. Brother Malcolm X once said, I know its hard to believe....but, it true. (Smile)

willie lynch letter full text: The Color Purple Alice Walker, 2023-08-01 The inspiration for the new film adaptation of the Tony-winning Broadway musical Alice Walker's iconic modern classic, and winner of the Pulitzer Prize and the National Book Award A powerful cultural touchstone of modern literature, *The Color Purple* depicts the lives of African American women in early twentieth-century rural Georgia. Separated as girls, sisters Celie and Nettie sustain their loyalty to and hope in each other across time, distance, and silence. Through a series of letters spanning twenty years, first from Celie to God, then the sisters to each other despite the unknown, the novel draws readers into its rich and memorable portrayals of Celie, Nettie, Shug Avery and Sofia and their experience. *The Color Purple* broke the silence around domestic and sexual abuse, narrating the lives of women through their pain and struggle, companionship and growth, resilience and bravery. Deeply compassionate and beautifully imagined, Alice Walker's epic carries readers on a spirit-affirming journey toward redemption and love.

willie lynch letter full text: When the World was Black Part Two Supreme understanding, 2013-02-02 *When the World Was Black: The Untold History of the World's First Civilizations* (Volume Two of *The Science of Self* series) has been published in TWO parts. Why two? Because there are far too many stories that remain untold. We had over 200,000 years of Black history to tell - from the southern tip of Chile to the northernmost isles of Europe - and you can't do that justice in a 300-page book. So there are two parts, each consisting of 360 pages of groundbreaking history, digging deep into the story of all the world's original people. Part One covers the Black origins of all the world's oldest cultures and societies, spanning more than 200,000 years of human history. Part Two tells the stories of the Black men and women who introduced urban civilization to the world over the last 20,000 years, up to the time of European contact. Each part has over 100 helpful maps, graphs, and photos, an 8-page full-color insert in the center, and over 300 footnotes and references for further research. "In this book, you'll learn about the history of Black people. I don't mean the history you learned in school, which most likely began with slavery and ended with the Civil Rights Movement. I'm talking about Black history BEFORE that. Long before that. In this book, we'll cover over 200,000 years of Black history. For many of us, that sounds strange. We can't even imagine what the Black past was like before the slave trade, much less imagine that such a history goes back 200,000 years or more." "Part Two covers history from 20,000 years ago to the point of European contact. This is the time that prehistoric cultures grew into ancient urban civilizations, a transition known to historians as the "Neolithic Revolution."

willie lynch letter full text: The Black Woman Nuri Muhammad, 2020-02-13 A woman's heart should be so lost in God, that a man has to find Him to get her.-Nuri Muhammad The wicked of this world see the Black woman as object of pleasure and perverse admiration mixed with toxic disdain, the truth is we are the most favored of women the world over. For we are Allah (God's) woman and His personal choice. All Praise is Due to Allah. Nuri Muhammad echoes his teacher, the Honorable Minister Louis Farrakhan, who echoes his teacher, the Most Honorable Elijah Muhammad in his new book, *The Black Woman: The Second Self of God* the Black woman must be respected and protected. *The Black Woman: The Second Self of God* takes an in-depth look at the Proverbs 31 Woman while simultaneously examining the Woman of Amram, Maryam, the mother of Jesus. Treating this subject matter with historical accuracy and modern application, *The Black Woman: The Second Self of God* seeks to focus the mind and the spirit of the Black woman on that which is real and unfailing, her relationship with Allah (God). In this latest offering, the reader will find humor, truth, and thought provoking ideas that challenge stagnation, false perceptions and ideological cowardice. In the Garden of the Beloved, every flower has a purpose and so too does every Black woman, for truly she is what she is: God's Second Self and All Praise is Due to Allah. God is within her, she will not fall; God will help her at break of day... Pslams 46:5 Traci C. Muhammad

willie lynch letter full text: Yakub Shawn L. Asor-Sallaah, 2019-01-03 THE YAKUB EXPERIMENT THE EXPLANATION OF RACISM. How can someone explain racism that is often demonic or otherwise unexplainable. The answer lies with Yakub, an African Big Head Scientist that spear headed a genetic experiment that created the Caucasian man and woman. This book examines and answers the age-old question are Caucasians genetically incline to hate and practice racism against people of color. The Yakub Experiment demonstrates how humankind developed from the original man, the African man and woman. In this Book, You Will Learn, -Yakub was the father of the white race.-Yakub's Experiment discovery and results.-Causes of Caucasian racism. -The use of Biblical justification for racism. -The Caucasian Burdens throughout the world. -Yakub's Experiment and modern-day racism.- A solution to Caucasian racism. -And much more!Yakub was a scientist with an enormous head, he was known as the big head scientist. He noticed that unlike attracts and like repels. Using this law of attraction, he created a people who would have little to no conscious and would challenge the original inhabits on planet earth. He knew the black man and black woman contained the brown germ, the lighter of the two germs that mostly remained dormant. He knew that using a breeding process that one out of three children bred under his technique would be lighter and weaker than the original man and woman. The new species from the original man would be without a natural conscious.

willie lynch letter full text: Hitler's American Model James Q. Whitman, 2017-02-14 How American race law provided a blueprint for Nazi Germany Nazism triumphed in Germany during the high era of Jim Crow laws in the United States. Did the American regime of racial oppression in any way inspire the Nazis? The unsettling answer is yes. In Hitler's American Model, James Whitman presents a detailed investigation of the American impact on the notorious Nuremberg Laws, the centerpiece anti-Jewish legislation of the Nazi regime. Contrary to those who have insisted that there was no meaningful connection between American and German racial repression, Whitman demonstrates that the Nazis took a real, sustained, significant, and revealing interest in American race policies. As Whitman shows, the Nuremberg Laws were crafted in an atmosphere of considerable attention to the precedents American race laws had to offer. German praise for American practices, already found in Hitler's *Mein Kampf*, was continuous throughout the early 1930s, and the most radical Nazi lawyers were eager advocates of the use of American models. But while Jim Crow segregation was one aspect of American law that appealed to Nazi radicals, it was not the most consequential one. Rather, both American citizenship and antimiscegenation laws proved directly relevant to the two principal Nuremberg Laws—the Citizenship Law and the Blood Law. Whitman looks at the ultimate, ugly irony that when Nazis rejected American practices, it was sometimes not because they found them too enlightened, but too harsh. Indelibly linking American race laws to the shaping of Nazi policies in Germany, *Hitler's American Model* upends understandings of America's influence on racist practices in the wider world.

willie lynch letter full text: 100 Amazing Facts About the Negro with Complete Proof J. A. Rogers, 2012-07-25 White supremacy-busting facts that ran in the black publication the *Pittsburgh Courier*, written by the renowned African American author and journalist. First published in 1934 and revised in 1962, this book gathers journalist and historian Joel Augustus Rogers' columns from the syndicated newspaper feature titled *Your History*. Patterned after the look of Ripley's popular *Believe It or Not* the multiple vignettes in each episode recount short items from Rogers's research. The feature began in the *Pittsburgh Courier* in November 1934 and ran through the 1960s. "I have been intrigued by this book, and by its author, since I first encountered it as a student in an undergraduate survey course in African-American history at Yale . . . Sometimes, [Rogers] was astonishingly accurate; at other times, he seems to have been tripping a bit, shall we

say.” —Henry Louis Gates, Jr., *The Root* “Rogers made great contribution to publishing and distributing little known African history facts through books and pamphlets such as *100 Amazing Facts About the Negro with Complete Proof* and *The Five Negro Presidents* . . . The common thread in Roger’s research was his unending aim to counter white supremacist propaganda that prevailed in segregated communities across the United States against people of African descent.” —Black History Heroes

willie lynch letter full text: *Women, Race, & Class* Angela Y. Davis, 2011-06-29 From one of our most important scholars and civil rights activist icon, a powerful study of the women’s liberation movement and the tangled knot of oppression facing Black women. “Angela Davis is herself a woman of undeniable courage. She should be heard.”—The New York Times Angela Davis provides a powerful history of the social and political influence of whiteness and elitism in feminism, from abolitionist days to the present, and demonstrates how the racist and classist biases of its leaders inevitably hampered any collective ambitions. While Black women were aided by some activists like Sarah and Angelina Grimke and the suffrage cause found unwavering support in Frederick Douglass, many women played on the fears of white supremacists for political gain rather than take an intersectional approach to liberation. Here, Davis not only contextualizes the legacy and pitfalls of civil and women’s rights activists, but also discusses Communist women, the murder of Emmitt Till, and Margaret Sanger’s racism. Davis shows readers how the inequalities between Black and white women influence the contemporary issues of rape, reproductive freedom, housework and child care in this bold and indispensable work.

willie lynch letter full text: *Defining Moments in Black History* Dick Gregory, 2018-09-18 NAACP 2017 Image Award Winner With his trademark acerbic wit, incisive humor, and infectious paranoia, one of our foremost comedians and most politically engaged civil rights activists looks back at 100 key events from the complicated history of black America. A friend of luminaries including Dr. Martin Luther King, Jr. and Medgar Evers, and the forebear of today’s popular black comics, including Larry Wilmore, W. Kamau Bell, Damon Young, and Trevor Noah, Dick Gregory was a provocative and incisive cultural force for more than fifty years. As an entertainer, he always kept it indisputably real about race issues in America, fearlessly lacing laughter with hard truths. As a leading activist against injustice, he marched at Selma during the Civil Rights movement, organized student rallies to protest the Vietnam War; sat in at rallies for Native American and feminist rights; fought apartheid in South Africa; and participated in hunger strikes in support of Black Lives Matter. In this collection of thoughtful, provocative essays, Gregory charts the complex and often obscured history of the African American experience. In his unapologetically candid voice, he moves from African ancestry and surviving the Middle Passage to the enjoyment of bacon and everything pig, the headline-making shootings of black men, and the Black Lives Matter movement. A captivating journey through time, *Defining Moments in Black History* explores historical movements such as The Great Migration and the Harlem Renaissance, as well as cultural touchstones such as Sidney Poitier winning the Best Actor Oscar for *Lilies in the Field* and Billie Holiday releasing *Strange Fruit*. An engaging look at black life that offers insightful commentary on the intricate history of the African American people, *Defining Moments in Black History* is an essential, no-holds-bar history lesson that will provoke, enlighten, and entertain.
