What began as the chronicle of an imminent and early death became something much more—a powerful exhortation to the living. “An exquisitely moving portrait of the daily stuff of life.”—The New York Times Book Review (Editors’ Choice) NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Time • Real Simple • Good Housekeeping That Julie Yip-Williams survived infancy was a miracle. Born blind in Vietnam, she narrowly escaped euthanasia at the hands of her grandmother, only to flee with her family the political upheaval of her country in the late 1970s. Loaded into a rickety boat with three hundred other refugees, Julie made it to Hong Kong and, ultimately, America, where a surgeon at UCLA gave her partial sight. She would go on to become a Harvard-educated lawyer, with a husband, a family, and a life she had once assumed would be impossible. Then, at age thirty-seven, with two little girls at home, Julie was diagnosed with terminal metastatic colon cancer, and a different journey began. *The Unwinding of the Miracle* is the story of a vigorous life refracted through the prism of imminent death. When she was first diagnosed, Julie Yip-Williams sought clarity and guidance through the experience and, finding none, began to write her way through it—a chronicle that grew beyond her imagining. Motherhood, marriage, the immigrant experience, ambition, love, wanderlust, tennis, fortune-tellers, grief, reincarnation, jealousy, comfort, pain, the marvel of the body in full rebellion—this book is as sprawling and majestic as the life it records. unraveling the son in law audiobook: *Well Played* Vi Keeland, Penelope Ward, 2021-10-25 From New York Times Bestselling authors Vi Keeland and Penelope Ward comes a new, sexy standalone novel. It all started with a bet. When my young son inherited half of his great grandfather's historic inn, I decided to move us both to the place where I grew up. Notice I said half of the Inn. The other half now belonged to Levi Miller, the famous quarterback who had other ideas

about what we should do with the property. We won't mention that I accidentally injured him during our first meeting, causing him to get eight stitches. You could say we got off on the wrong foot. We bickered a lot as we both moved into the property while we figured things out. He wanted to unload the rundown place which, admittedly, needed a lot of work. I wanted to restore The Palm Inn to its original beauty and re-open it as a bed and breakfast. We couldn't agree on anything. So Levi made me a proposal. One he thought I would surely lose. If I could sell out the place by the time he had to leave for training at the end of summer, he would back off and let me run it. But in the weeks that followed, we got more than we bargained for while we were living under the same roof. Levi and I got closer, and before I knew it, my nightly fantasies about the brawny Adonis became a reality. Not to mention, he was so great with my son. We were in over our heads in more ways than one. Because not only was he the last man on Earth I should be falling for because of our deal, but Levi was also my ex's older brother. And now the inn was the least of my problems.
