

Biden Walks Off Msnbc

Biden Walks Off MSNBC: Decoding the Viral Moment and its Implications

President Biden's unexpected departure from an MSNBC interview has sparked a flurry of online discussion and speculation. This blog post delves into the incident, examining the context, the potential reasons behind it, and the broader political implications. We'll dissect the viral video, analyze the reactions, and explore what this moment might mean for the President's communication strategy and his overall standing. Prepare for a comprehensive analysis of this captivating news event.

The Incident: A Detailed Look at Biden's MSNBC Exit

The incident, which quickly went viral on social media platforms like Twitter and TikTok, involved President Biden abruptly ending an interview with an MSNBC journalist. While the specifics of the interaction varied slightly depending on the source and edited clips, the general consensus depicts a seemingly unplanned and abrupt conclusion to the conversation. Videos circulating online show Biden appearing to become agitated before walking away from the interview setting. This unusual behavior immediately captured public attention and fueled numerous interpretations.

Possible Explanations: Unpacking the Speculation

Several theories have emerged to explain President Biden's hasty exit. One possibility centers on the

line of questioning. It's possible the President felt the questions were overly aggressive, repetitive, or veered into areas he was unwilling to address publicly. Another theory suggests a potential logistical issue; perhaps a scheduling conflict or urgent matter requiring his immediate attention necessitated the abrupt departure. Alternatively, some speculate that the President's age and stamina might have played a role, leading to a decision to end the interview prematurely to avoid further exertion. The lack of a clear official explanation has only amplified the speculation.

The Media's Response and the Amplification of the Narrative

The news media's coverage of the incident further shaped the narrative. Different outlets emphasized different aspects of the event, highlighting either the perceived awkwardness, the potential political ramifications, or the human element of the situation. This varied coverage contributed to the multifaceted understanding of the event, making it difficult to arrive at a single definitive interpretation. The speed at which the story spread online, particularly on social media, also played a crucial role in amplifying the incident and its various interpretations.

Political Ramifications: Short-Term and Long-Term Impacts

The political implications of Biden's MSNBC walk-off are multifaceted and potentially significant. In the short term, it offers ammunition to political opponents, who may seize on the incident to portray the President as irritable, out of touch, or otherwise unfit for office. However, it's also possible that the event could elicit sympathy, with some viewers potentially attributing the abrupt exit to fatigue or the inherent pressures of the presidency. The long-term impact remains to be seen, depending heavily on how the White House chooses to address the situation and how the public ultimately perceives the event.

Analyzing the Body Language and Nonverbal Cues

Analyzing the President's body language in the available video footage offers additional insights. Observers have noted signs of frustration, impatience, and perhaps even exhaustion in his demeanor. These nonverbal cues, often overlooked in textual accounts, provide a richer understanding of the incident and contribute to the overall narrative. A careful examination of his facial expressions, posture, and overall movement can offer clues that might not be readily apparent from a simple transcript of the interview.

The Future of Presidential Interviews: Lessons Learned?

This incident raises questions about the future of presidential interviews and the relationship

between the press and the presidency. It highlights the challenges of balancing transparency and control in a highly scrutinized political landscape. Will this event lead to a reassessment of interview protocols, or will it simply be a singular, albeit memorable, moment in the ongoing dialogue between the White House and the media? The answer will likely shape how future presidential interviews are conducted and perceived.

Conclusion: A Moment Captured, Interpretations Diverge

President Biden's departure from the MSNBC interview remains a topic of intense speculation and analysis. While the exact reasons behind the abrupt ending remain unclear, the event has provided ample fodder for political commentary and social media discussions. The incident serves as a reminder of the complexities of presidential communication and the ever-present scrutiny that accompanies the highest office in the land. The lack of a definitive explanation allows for a wide range of interpretations, solidifying its place as a memorable and analyzed moment in recent political history.

FAQs:

1. Was the interview aired in its entirety? No, the interview was cut short, and only segments were broadcast depending on the news outlet. Numerous edited versions circulated online.
2. What was the specific question that allegedly prompted Biden's departure? No single question has been definitively identified as the sole cause. Speculation centers around several lines of questioning that could have caused discomfort.
3. Did the White House release an official statement explaining the incident? An official explanation has not yet been provided by the White House, leaving room for diverse interpretations.
4. How did social media react to the event? Social media exploded with commentary, memes, and diverse opinions, reflecting the highly polarized political climate.
5. What are the potential long-term effects on Biden's presidency? The long-term effects are uncertain, ranging from minimal impact to a potentially significant shift in public perception depending on subsequent events and the White House's response.

biden walks off msnbc: Joe Biden Evan Osnos, 2021-05-27 A concise, brilliant and trenchant examination of Democratic nominee Joe Biden and his lifelong quest for the presidency Former vice president Joseph R. Biden Jr. has been called both the luckiest man and the unluckiest - fortunate to have sustained a fifty-year political career that reached the White House, but also marked by deep personal losses that he has suffered. Yet even as Biden's life has been shaped by drama, it has also been powered by a willingness, rare at the top ranks of politics, to confront his shortcomings, errors and reversals of fortune. His trials have forged in him a deep empathy for others in hardship - an essential quality as he addresses a nation at its most dire hour in decades. Blending up-close

journalism and broader context, Evan Osnos illuminates Biden's life and captures the characters and meaning of an extraordinary presidential election. He draws on lengthy interviews with Biden and on revealing conversations with more than a hundred others, including President Barack Obama, Cory Booker, Amy Klobuchar, Pete Buttigieg, and a range of progressive activists, advisers, opponents, and Biden family members. In this nuanced portrait, Biden emerges as flawed, yet resolute, and tempered by the flame of tragedy - a man who just may be uncannily suited for his moment in history.

biden walks off msnbc: Zero Fail Carol Leonnig, 2021-05-18 NEW YORK TIMES BESTSELLER

- “This is one of those books that will go down as the seminal work—the determinative work—in this field. . . . Terrifying.”—Rachel Maddow

The first definitive account of the rise and fall of the Secret Service, from the Kennedy assassination to the alarming mismanagement of the Obama and Trump years, right up to the insurrection at the Capitol on January 6—by the Pulitzer Prize winner and #1 New York Times bestselling co-author of *A Very Stable Genius* and *I Alone Can Fix It* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST

Carol Leonnig has been reporting on the Secret Service for The Washington Post for most of the last decade, bringing to light the secrets, scandals, and shortcomings that plague the agency today—from a toxic work culture to dangerously outdated equipment to the deep resentment within the ranks at key agency leaders, who put protecting the agency’s once-hallowed image before fixing its flaws. But the Secret Service wasn’t always so troubled. The Secret Service was born in 1865, in the wake of the assassination of Abraham Lincoln, but its story begins in earnest in 1963, with the death of John F. Kennedy. Shocked into reform by its failure to protect the president on that fateful day in Dallas, this once-sleepy agency was radically transformed into an elite, highly trained unit that would redeem itself several times, most famously in 1981 by thwarting an assassination attempt against Ronald Reagan. But this reputation for courage and excellence would not last forever. By Barack Obama’s presidency, the once-proud Secret Service was running on fumes and beset by mistakes and alarming lapses in judgment: break-ins at the White House, an armed gunman firing into the windows of the residence while confused agents stood by, and a massive prostitution scandal among agents in Cartagena, to name just a few. With Donald Trump’s arrival, a series of promised reforms were cast aside, as a president disdainful of public service instead abused the Secret Service to rack up political and personal gains. To explore these problems in the ranks, Leonnig interviewed dozens of current and former agents, government officials, and whistleblowers who put their jobs on the line to speak out about a hobbled agency that’s in desperate need of reform. “I will be forever grateful to them for risking their careers,” she writes, “not because they wanted to share tantalizing gossip about presidents and their families, but because they know that the Service is broken and needs fixing. By telling their story, they hope to revive the Service they love.”

biden walks off msnbc: Things That Make White People Uncomfortable Michael Bennett, Dave Zirin, 2019-09-03

Michael Bennett is a Super Bowl Champion, a three-time Pro Bowl defensive end, a fearless activist, a feminist, a grassroots philanthropist, an organizer, and a change maker. He's also one of the most scathingly humorous athletes on the planet, and he wants to make you uncomfortable. Bennett adds his unmistakable voice to discussions of racism and police violence, Black athletes and their relationship to powerful institutions like the NCAA and the NFL, the role of protest in history, and the responsibilities of athletes as role models to speak out against injustice. Following in the footsteps of activist-athletes from Muhammad Ali to Colin Kaepernick, Bennett demonstrates his outspoken leadership both on and off the field. Written with award-winning sportswriter and author Dave Zirin, *Things that Make White People Uncomfortable* is a sports book for our turbulent times, a memoir, and a manifesto as hilarious and engaging as it is illuminating.

biden walks off msnbc: The Targeter Nada Bakos, 2019-06-04

A CIA analyst's revealing and utterly engrossing account of the world of high-stakes foreign intelligence and her role within the campaign to stop top-tier targets inside Al-Qaida (Joby Warrick). In 1999, 30-year-old Nada Bakos moved from her lifelong home in Montana to Washington, D.C., to join the CIA. Quickly realizing her affinity for intelligence work, Nada was determined to rise through the ranks of the agency first as

an analyst and then as a Targeting Officer, eventually finding herself on the frontline of America's war against Islamic extremists. In this role, Nada was charged with determining if Iraq had a relationship with 9/11 and Al-Qaida, and finding the mastermind behind this terrorist activity: Abu Musab al-Zarqawi. Her team's analysis stood the test of time, but it was not satisfactory for some members of the Administration. In a tight, tension-packed narrative that takes the reader from Langley deep into Iraq, Bakos reveals the inner workings of the Agency and the largely hidden world of intelligence gathering post 9/11. Entrenched in the world of the CIA, Bakos, along with her colleagues, focused on leading U.S. Special Operations Forces to the doorstep of one of the world's most wanted terrorists. Filled with on-the-ground insights and poignant personal anecdotes, *The Targeter* shows us the great personal sacrifice that comes with intelligence work. This is Nada's story, but it is also an intimate chronicle of how a group of determined, ambitious men and women worked tirelessly in the heart of the CIA to ensure our nation's safety at home and abroad.

biden walks off msnbc: Lucky Jonathan Allen, Amie Parnes, 2021-03-02 The inside story of the historic 2020 presidential election and Joe Biden's harrowing ride to victory, from the #1 New York Times bestselling authors of *Shattered*, the definitive account of Hillary Clinton's 2016 campaign. Almost no one thought Joe Biden could make it back to the White House—not Donald Trump, not the two dozen Democratic rivals who sought to take down a weak front-runner, not the mega-donors and key endorsers who feared he could not beat Bernie Sanders, not even Barack Obama. The story of Biden's cathartic victory in the 2020 election is the story of a Democratic Party at odds with itself, torn between the single-minded goal of removing Donald Trump and the push for a bold progressive agenda that threatened to alienate as many voters as it drew. In *Lucky*, #1 New York Times bestselling authors Jonathan Allen and Amie Parnes use their unparalleled access to key players inside the Democratic and Republican campaigns to unfold how Biden's nail-biting run for the presidency vexed his own party as much as it did Trump. Having premised his path on unlocking the Black vote in South Carolina, Biden nearly imploded before he got there after a relentless string of misfires left him freefalling in polls and nearly broke. Allen and Parnes brilliantly detail the remarkable string of chance events that saved him, from the botched Iowa caucus tally that concealed his terrible result, to the pandemic lockdown that kept him off the stump, where he was often at his worst. More powerfully, *Lucky* unfolds the pitched struggle within Biden's general election campaign to downplay the very issues that many Democrats believed would drive voters to the polls, especially in the wake of Trump's response to nationwide protests following the murder of George Floyd. Even Biden's victory did not salve his party's wounds; instead, it revealed a surprising, complicated portrait of American voters and crushed Democrats' belief in the inevitability of a blue wave. A thrilling masterpiece of political reporting, *Lucky* is essential reading for understanding the most important election in American history and the future that will come of it.

biden walks off msnbc: CenterStage Michael Kay, 2021-06-15 From the longtime host of the New York Yankees' television broadcasts, ESPN Radio's *The Michael Kay Show*, and YES Network's Emmy Award-winning *CenterStage* comes an "entertaining...greatest-hits collection" (Kirkus Reviews) of his most memorable interviews with the most intriguing personalities in sports and entertainment—from Jay-Z to Mike Tyson to Serena Williams to Adam Sandler to Bon Jovi to Larry David. Emmy Award-winning television announcer and interviewer Michael Kay's eighteen years as host of YES Network's *CenterStage* have given him access to many remarkable figures in sports and entertainment. Now, this absorbing selection of the best, most revealing—and often surprising—interviews is available in one amazing collection, including some of the behind-the-scenes stories that didn't appear on camera. From Kay's very first *CenterStage* interview in 2001 with quarterback Steve Young, the show's creators knew they had something special. Kay's ability to get celebrities and otherwise private personalities to open up and share candid insights has become his trademark. Among the interviews featured in the book are those with Red Auerbach, Charles Barkley, Mike Tyson, Bobby Orr, Sly Stallone, Jay-Z, Lorne Michaels, Paul Simon, John McEnroe, Rob Reiner, Seth Meyers, Serena Williams, Alan Alda, David Halberstam, Larry David, Bob

Costas, Billy Crystal, Lindsey Vonn, Chris Evert, and Quentin Tarantino. For any pop culture fan or sports enthusiast, this prized collection “should be high on your reading list” (Alex Rodriguez, three-time American League MVP).

biden walks off msnbc: *West Winging It: My unforgettable time in the White House* Pat Cunnane, 2018-04-19 Is it more like *The West Wing* or *House of Cards*? Do you have to put your try table up on Air Force One? Is the President any good at basketball? What do you call him when you talk to him? How do you pick the people the president meets with? Is he really that cool, or is it an act? *West Winging It* pulls the drapes back on life in the White House, offering an insider's glimpse of what it's really like - from the minutiae to the momentous - to work at 1600 Pennsylvania Avenue. This brilliant book provides a front-row seat to history as, for the first time, Millennials ran the country - a classic fish-out-of-the-water story, only these fish are trying to run the United States of America. With cameos from Barack Obama, Joe Biden and a colourful collection of characters in the form of staffers, Secret Service agents and slippery journalists - *West Winging It* is a truly unique take on one of the most unique offices in the world.

biden walks off msnbc: Nice Racism Dr. Robin DiAngelo, 2021-06-29 NEW YORK TIMES BESTSELLER Building on the groundwork laid in the New York Times bestseller *White Fragility*, Robin DiAngelo explores how a culture of niceness inadvertently promotes racism. In *White Fragility*, Robin DiAngelo explained how racism is a system into which all white people are socialized and challenged the belief that racism is a simple matter of good people versus bad. DiAngelo also made a provocative claim: white progressives cause the most daily harm to people of color. In *Nice Racism*, her follow-up work, she explains how they do so. Drawing on her background as a sociologist and over 25 years working as an anti-racist educator, she picks up where *White Fragility* left off and moves the conversation forward. Writing directly to white people as a white person, DiAngelo identifies many common white racial patterns and breaks down how well-intentioned white people unknowingly perpetuate racial harm. These patterns include: • rushing to prove that we are “not racist” • downplaying white advantage • romanticizing Black, Indigenous and other peoples of color (BIPOC) • pretending white segregation “just happens” • expecting BIPOC people to teach us about racism • careflessness • and feeling immobilized by shame. DiAngelo explains how spiritual white progressives seeking community by co-opting Indigenous and other groups’ rituals create separation, not connection. She challenges the ideology of individualism and explains why it is OK to generalize about white people, and she demonstrates how white people who experience other oppressions still benefit from systemic racism. Writing candidly about her own missteps and struggles, she models a path forward, encouraging white readers to continually face their complicity and embrace courage, lifelong commitment, and accountability. *Nice Racism* is an essential work for any white person who recognizes the existence of systemic racism and white supremacy and wants to take steps to align their values with their actual practice. BIPOC readers may also find the “insiders” perspective useful for navigating whiteness. Includes a study guide.

biden walks off msnbc: American Tantrum Anthony Atamanuik, Neil Casey, 2018-10-23 A devastatingly hilarious satire that cuts closer to the truth of than any nonfiction account: The creator and star of Comedy Central’s acclaimed *The President Show* opens the vault and imagines Donald J. Trump’s presidential archives, exposing documents from his childhood in Queens to his toddlerhood in the Oval Office. The Presidential Archives. Every other president has made a mess of it. Barack Obama is currently spending millions of dollars (probably trillions, if you want to know the truth) building a monument to himself. And they don’t even charge admission at these places! No wonder this country is a zillion dollars in debt. And what’s the point?!: These guys are already out of office and old news. We hate to say it, folks, but the presidential library is totally broken and needs to be made great again. America, we herewith present the FIRST AND ONLY presidential library to be released in real time, while the president is still in office. (Why delay?) But wait, THERE’S MORE! Who wants the hassle of having to go to some boring building in the middle of nowhere? (The Eisenhower Library is in Abilene, Kansas – yikes!) What if you could have your favorite president’s library delivered to your home, today! THAT’S NOT ALL! What if you could carry that library with

you EVERYWHERE! Introducing THE DONALD J. TRUMP PRESIDENTIAL ARCHIVES: VOLUME 1. It's all here: the 45th U.S. president's letters, diaries, Oval Office recordings, Moscow hotel tapes, grand jury testimony, sealed indictments, financial records, subpoenas, dossiers, Michael Cohen recordings, AND SO MUCH MORE! Never has wisdom been so accessible! It's the last book you will ever need to buy. Or maybe just the last book published, period. Get yours NOW before the first amendment is abolished! Don't miss VOLUME 2: THE PRISON YEARS - coming soon! Hopefully!

biden walks off msnbc: *The View from Flyover Country* Sarah Kendzior, 2018-04-17 NEW YORK TIMES and MIBA BESTSELLER From the St. Louis-based journalist often credited with first predicting Donald Trump's presidential victory. A collection of sharp-edged, humanistic pieces about the American heartland...Passionate pieces that repeatedly assail the inability of many to empathize and to humanize. — Kirkus In 2015, Sarah Kendzior collected the essays she reported for Al Jazeera and published them as *The View from Flyover Country*, which became an ebook bestseller and garnered praise from readers around the world. Now, *The View from Flyover Country* is being released in print with an updated introduction and epilogue that reflect on the ways that the Trump presidency was the certain result of the realities first captured in Kendzior's essays. A clear-eyed account of the realities of life in America's overlooked heartland, *The View from Flyover Country* is a piercing critique of the labor exploitation, race relations, gentrification, media bias, and other aspects of the post-employment economy that gave rise to a president who rules like an autocrat. *The View from Flyover Country* is necessary reading for anyone who believes that the only way for America to fix its problems is to first discuss them with honesty and compassion. "Please put everything aside and try to get ahold of Sarah Kendzior's collected essays, *The View from Flyover Country*. I have rarely come across writing that is as urgent and beautifully expressed. What makes Kendzior's writing so truly important is [that] it . . . documents where the problem lies, by somebody who lives there."—The Wire "Sarah Kendzior is as harsh and tenacious a critic of the Trump administration as you'll find. She isn't some new kid on the political block or a controversy machine. . . . Rather she is a widely published journalist and anthropologist who has spent much of her life studying authoritarianism." —Columbia Tribune

biden walks off msnbc: *I Have Something to Tell You* Chasten Buttigieg, 2021-06 A moving, hopeful, and refreshingly candid memoir by the husband of former Democratic presidential candidate Pete Buttigieg about growing up gay in his small Midwestern town, his relationship with Pete, and his hope for America's future--

biden walks off msnbc: *Kushner, Inc.* Vicky Ward, 2019-03-19 INSTANT NEW YORK TIMES BESTSELLER The first explosive book about Javanka and their infamous rise to power Jared Kushner and Ivanka Trump are the self-styled Prince and Princess of America. Their swift, gilded rise to extraordinary power in Donald Trump's White House is unprecedented and dangerous. In *Kushner, Inc.*, investigative journalist Vicky Ward digs beneath the myth the couple has created, depicting themselves as the voices of reason in an otherwise crazy presidency, and reveals that Jared and Ivanka are not just the President's chief enablers: they, like him, appear disdainful of rules, of laws, and of ethics. They are entitled inheritors of the worst kind; their combination of ignorance, arrogance, and an insatiable lust for power has caused havoc all over the world, and may threaten the democracy of the United States. Ward follows their trajectory from New Jersey and New York City to the White House, where the couple's many forays into policy-making and national security have mocked long-standing U.S. policy and protocol. They have pursued an agenda that could increase their wealth while their actions have mostly gone unchecked. In *Kushner, Inc.*, Ward holds Jared Kushner and Ivanka Trump accountable: she unveils the couple's self-serving transactional motivations and how those have propelled them into the highest levels of the US government where no one, the President included, has been able to stop them.

biden walks off msnbc: *Hope Never Dies* Andrew Shaffer, 2018-07-10 The New York Times Best Seller [*Hope Never Dies* is] an escapist fantasy that will likely appeal to liberals pining for the previous administration, longing for the Obama-Biden team to emerge from political retirement as action heroes.—Alexandra Alter, New York Times Vice President Joe Biden and President Barack

Obama team up in this high-stakes thriller that combines a mystery worthy of Watson and Holmes with the laugh-out-loud bromantic chemistry of Lethal Weapon's Murtaugh and Riggs. Vice President Joe Biden is fresh out of the Obama White House and feeling adrift when his favorite railroad conductor dies in a suspicious accident, leaving behind an ailing wife and a trail of clues. To unravel the mystery, "Amtrak Joe" re-teams with the only man he's ever fully trusted: the 44th president of the United States. Together they'll plumb the darkest corners of Delaware, traveling from cheap motels to biker bars and beyond, as they uncover the sinister forces advancing America's opioid epidemic. Part noir thriller and part bromance, *Hope Never Dies* is essentially the first published work of Obama/Biden fiction—and a cathartic read for anyone distressed by the current state of affairs.

biden walks off msnbc: *Tough Love* Susan Rice, 2020-08-04 Recalling pivotal moments from her dynamic career on the front lines of American diplomacy and foreign policy, Susan E. Rice—National Security Advisor to President Barack Obama and US Ambassador to the United Nations—reveals her surprising story with unflinching candor in this New York Times bestseller. Mother, wife, scholar, diplomat, and fierce champion of American interests and values, Susan Rice powerfully connects the personal and the professional. Taught early, with tough love, how to compete and excel as an African American woman in settings where people of color are few, Susan now shares the wisdom she learned along the way. Laying bare the family struggles that shaped her early life in Washington, DC, she also examines the ancestral legacies that influenced her. Rice's elders—immigrants on one side and descendants of slaves on the other—had high expectations that each generation would rise. And rise they did, but not without paying it forward—in uniform and in the pulpit, as educators, community leaders, and public servants. Susan too rose rapidly. She served throughout the Clinton administration, becoming one of the nation's youngest assistant secretaries of state and, later, one of President Obama's most trusted advisors. Rice provides an insider's account of some of the most complex issues confronting the United States over three decades, ranging from "Black Hawk Down" in Somalia to the genocide in Rwanda and the East Africa embassy bombings in the late 1990s, and from conflicts in Libya and Syria to the Ebola epidemic, a secret channel to Iran, and the opening to Cuba during the Obama years. With unmatched insight and characteristic bluntness, she reveals previously untold stories behind recent national security challenges, including confrontations with Russia and China, the war against ISIS, the struggle to contain the fallout from Edward Snowden's NSA leaks, the U.S. response to Russian interference in the 2016 election, and the surreal transition to the Trump administration. Although you might think you know Susan Rice—whose name became synonymous with Benghazi following her Sunday news show appearances after the deadly 2012 terrorist attacks in Libya—now, through these pages, you truly will know her for the first time. Often mischaracterized by both political opponents and champions, Rice emerges as neither a villain nor a victim, but a strong, resilient, compassionate leader. Intimate, sometimes humorous, but always candid, *Tough Love* makes an urgent appeal to the American public to bridge our dangerous domestic divides in order to preserve our democracy and sustain our global leadership.

biden walks off msnbc: *Joey* Jill Biden, 2020-06-30 "(Jill) Biden's anecdotal portrait of her spouse's early years spotlights his competitiveness and risk-taking...his role as a peacemaker, devoted brother, and defender of bullied peers...and reveals how...high school, when he became a star athlete and class president, paved the way for leadership roles in college and beyond." —Publishers Weekly "Young readers are likely to find inspiration and aspiration in young Joey as a relatable, athletic, and tenacious kid who grew into a civic leader." —School Library Journal *Joey* is the first ever picture book about the young life of Joe Biden, the 47th Vice President of the United States, and includes never before told family stories about the president-elect and former vice president's childhood—written by Jill Biden, his spouse. Joe Biden grew up in Scranton, Pennsylvania, the oldest of four children. His parents always encouraged him and his siblings to be independent and strong. The family moved to Wilmington, Delaware, where at twenty-nine, Biden was elected one the youngest United States Senators ever elected. This is his story.

biden walks off msnbc: Barack and Joe Steven Levingston, 2019-10-08 A Washington Post 2019 Notable Selection A vivid and inspiring account of the bromance between Barack Obama and Joe Biden. The extraordinary partnership of Barack Obama and Joe Biden is unique in American history. The two men, their characters and styles sharply contrasting, formed a dynamic working relationship that evolved into a profound friendship. Their affinity was not predestined. Obama and Biden began wary of each other: Obama an impatient freshman disdainful of the Senate's plodding ways; Biden a veteran of the chamber and proud of its traditions. Gradually they came to respect each other's values and strengths and rode into the White House together in 2008. Side-by-side through two tension-filled terms, they shared the day-to-day joys and struggles of leading the most powerful nation on earth. They accommodated each other's quirks: Biden's famous miscues kept coming, and Obama overlooked them knowing they were insignificant except as media fodder. With his expertise in foreign affairs and legislative matters, Biden took on an unprecedented role as chief adviser to Obama, reshaping the vice presidency. Together Obama and Biden guided Americans through a range of historic moments: a devastating economic crisis, racial confrontations, war in Afghanistan, and the dawn of same-sex marriage nationwide. They supported each other through highs and lows: Obama provided a welcome shoulder during the illness and death of Biden's son Beau. As many Americans turn a nostalgic eye toward the Obama presidency, Barack and Joe offers a new look at this administration, its absence of scandal, dedication to truth, and respect for the media. This is the first book to tell the full story of this historic relationship and its substantial impact on the Obama presidency and its legacy.

biden walks off msnbc: Betrayal Jonathan Karl, 2021-11-16 ***THE INSTANT New York Times, Wall Street Journal, USA Today, and IndieBound BESTSELLER*** An NPR Book of the Day Picking up where the New York Times bestselling *Front Row at the Trump Show* left off, this is the explosive look at the aftermath of the election—and the events that followed Donald Trump's leaving the White House all the way to January 6—from ABC News' chief Washington correspondent. Nobody is in a better position to tell the story of the shocking final chapter of the Trump show than Jonathan Karl. As the reporter who has known Donald Trump longer than any other White House correspondent, Karl told the story of Trump's rise in the New York Times bestseller *Front Row at the Trump Show*. Now he tells the story of Trump's downfall, complete with riveting behind-the-scenes accounts of some of the darkest days in the history of the American presidency and packed with original reporting and on-the-record interviews with central figures in this drama who are telling their stories for the first time. This is a definitive account of what was really going on during the final weeks and months of the Trump presidency and what it means for the future of the Republican Party, by a reporter who was there for it all. He has been taunted, praised, and vilified by Donald Trump, and now Jonathan Karl finds himself in a singular position to deliver the truth.

biden walks off msnbc: The End of White Politics Zerlina Maxwell, 2020-07-07 An MSNBC political analyst and former Hillary Clinton staffer examines the past and present problems of the Left—and makes a compelling case for how to take back our government and secure a better future for America. In the entire history of the United States of America, we've never elected a woman as our president. And we've only had one president who was not a white man. After working on two presidential campaigns (for Barack Obama and Hillary Clinton), MSNBC political analyst and SiriusXM host Zerlina Maxwell gained first-hand knowledge of everything liberals have been doing right over the past few elections-and everything they are still doing wrong. Ultimately, these errors worked in President Donald Trump's favor in 2016; he effectively ran a campaign on white identity politics, successfully tapping into white male angst and resistance. In 2020, after the Democratic Party's most historically diverse pool of presidential candidates finally dwindled down to Joe Biden, once again an older white man, Maxwell has posed the ultimate question: what now, liberals? Fueled by Maxwell's trademark wit and candor, *The End of White Politics* dismantles the past and present problems of the Left, challenging everyone from scrappy, young Bernie Bros to seasoned power players in the Billionaire Boys' Club. No topic is taboo; whether tackling the white privilege that enabled Mayor Pete Buttigieg's presidential run, the controversial #HashtagActivism of the

Millennial generation, the massive individual donations that sway politicians toward maintaining the status quo of income inequality, or the lingering racism that debilitated some Democratic presidential contenders and cut their promising campaigns short, Maxwell pulls no punches in her fierce critique. However, underlying all of these individual issues, Maxwell argues that it's the liberal-minded party's struggle to engage women and communities of color—and its preoccupation with catering to the white, male working class—that threatens to be its most lethal shortfall. The times—and the demographics—are changing, and in order for progressive politics to prevail, we must acknowledge our shortcomings, take ownership of our flaws, and do everything in our power to level the playing field for all Americans. *The End of White Politics* shows exactly how and why progressives can lean into identity politics, empowering marginalized groups, and uniting under a common vision that will benefit us all. ***TIME, 100 Must-Read Books of 2020!*** Witty and piercing. —TIME

biden walks off msnbc: *This Is the Fire* Don Lemon, 2021-03-16 In this vital book for these times (Kirkus Reviews), Don Lemon brings his vast audience and experience as a reporter and a Black man to today's most urgent question: How can we end racism in America in our lifetimes? The host of CNN Tonight with Don Lemon is more popular than ever. As America's only Black prime-time anchor, Lemon and his daily monologues on racism and antiracism, on the failures of the Trump administration and of so many of our leaders, and on America's systemic flaws speak for his millions of fans. Now, in an urgent, deeply personal, riveting plea, he shows us all how deep our problems lie, and what we can do to begin to fix them. Beginning with a letter to one of his Black nephews, he proceeds with reporting and reflections on his slave ancestors, his upbringing in the shadows of segregation, and his adult confrontations with politicians, activists, and scholars. In doing so, Lemon offers a searing and poetic ultimatum to America. He visits the slave port where a direct ancestor was shackled and shipped to America. He recalls a slave uprising in Louisiana, just a few miles from his birthplace. And he takes us to the heart of the 2020 protests in New York City. As he writes to his young nephew: We must resist racism every single day. We must resist it with love.

biden walks off msnbc: *No, You Shut Up* Symone D. Sanders, 2020-05-19 "Symone's honest and profound reflection on standing up and speaking out is sure to inspire young people across the country to become the change agents the world needs." — Congresswoman Maxine Waters In this rousing call to leadership, the self-described millennial spokesperson for the culture, CNN's designated woke AF former commentator, and the youngest national press secretary in the history of the United States shares her take-no-prisoners approach to life, politics, and career success, and shows a new generation how to be loud and powerful in their own right. Many people—most notably white older men—may try to stop Symone Sanders from speaking up and out. But Symone will NOT shut up. And neither should you. In this inspiring call-to-action, Symone tells stories from her own life of not-shutting-up alongside loud young revolutionaries who came before her to help you find your authentic voice and use it to your advantage; to fight ideological battles more effectively; and to resist those who try to silence you. We are all gurus, masterminds, artists, entrepreneurs—we are the change agents we have been waiting for. IT IS US. And the time is RIGHT NOW. I know you're wondering, "But HOW?" And we don't have all the answers! Symone is the first to admit we're all winging it in one way or another. But the point is we're out there doing it. So get started. Open your mouth and start talking. Loudly. *No You Shut Up* goes beyond the surplus of "Vote-Or-Die" books we've seen before. Because change doesn't just happen at the ballot box. We need people fighting oppression, injustice, and inequality—in the workplace, on the cultural battlefield, in government, in every corner of the world. With spirited storytelling filtered through a voice that cannot and will not be ignored, Symone inspires you to start now. You don't need to have all the answers, or wait your turn to help create the change you want to see. All you need is a new toolbox, an unshakable commitment, and the confidence and guidance to wield those tools effectively.

biden walks off msnbc: **Unbelievable** Katy Tur, 2017-09-12 NEW YORK TIMES BESTSELLER "Compelling... this book couldn't be more timely." – Jill Abramson, New York Times Book Review From the Recipient of the 2017 Walter Cronkite Award for Excellence in Journalism Called

disgraceful, third-rate, and not nice by Donald Trump, NBC News correspondent Katy Tur reported on—and took flak from—the most captivating and volatile presidential candidate in American history. Katy Tur lived out of a suitcase for a year and a half, following Trump around the country, powered by packets of peanut butter and kept clean with dry shampoo. She visited forty states with the candidate, made more than 3,800 live television reports, and tried to endure a gazillion loops of Elton John's Tiny Dancer—a Trump rally playlist staple. From day 1 to day 500, Tur documented Trump's inconsistencies, fact-checked his falsities, and called him out on his lies. In return, Trump repeatedly singled Tur out. He tried to charm her, intimidate her, and shame her. At one point, he got a crowd so riled up against Tur, Secret Service agents had to walk her to her car. None of it worked. Facts are stubborn. So was Tur. She was part of the first women-led politics team in the history of network news. The Boys on the Bus became the Girls on the Plane. But the circus remained. Through all the long nights, wild scoops, naked chauvinism, dodgy staffers, and fevered debates, no one had a better view than Tur. Unbelievable is her darkly comic, fascinatingly bizarre, and often scary story of how America sent a former reality show host to the White House. It's also the story of what it was like for Tur to be there as it happened, inside a no-rules world where reporters were spat on, demeaned, and discredited. Tur was a foreign correspondent who came home to her most foreign story of all. Unbelievable is a must-read for anyone who still wakes up and wonders, Is this real life?

biden walks off msnbc: I Alone Can Fix It Carol Leonnig, Philip Rucker, 2021-07-20 The instant #1 New York Times bestseller | A Washington Post Notable Book | One of NPR's Best Books of 2021 The definitive behind-the-scenes story of Trump's final year in office, by Phil Rucker and Carol Leonnig, the Pulitzer-Prize winning reporters and authors of A Very Stable Genius. "Chilling." - Anderson Cooper "Jaw-dropping." - John Berman "Shocking." - John Heilemann "Explosive." - Hallie Jackson "Blockbuster new reporting." - Nicolle Wallace "Bracing new revelations." - Brian Williams "Bombshell reporting." - David Muir The true story of what took place in Donald Trump's White House during a disastrous 2020 has never before been told in full. What was really going on around the president, as the government failed to contain the coronavirus and over half a million Americans perished? Who was influencing Trump after he refused to concede an election he had clearly lost and spread lies about election fraud? To answer these questions, Phil Rucker and Carol Leonnig reveal a dysfunctional and bumbling presidency's inner workings in unprecedented, stunning detail. Focused on Trump and the key players around him—the doctors, generals, senior advisers, and Trump family members— Rucker and Leonnig provide a forensic account of the most devastating year in a presidency like no other. Their sources were in the room as time and time again Trump put his personal gain ahead of the good of the country. These witnesses to history tell the story of him longing to deploy the military to the streets of American cities to crush the protest movement in the wake of the killing of George Floyd, all to bolster his image of strength ahead of the election. These sources saw firsthand his refusal to take the threat of the coronavirus seriously—even to the point of allowing himself and those around him to be infected. This is a story of a nation sabotaged—economically, medically, and politically—by its own leader, culminating with a groundbreaking, minute-by-minute account of exactly what went on in the Capitol building on January 6, as Trump's supporters so easily breached the most sacred halls of American democracy, and how the president reacted. With unparalleled access, Rucker and Leonnig explain and expose exactly who enabled—and who foiled—Trump as he sought desperately to cling to power. A classic and heart-racing work of investigative reporting, this book is destined to be read and studied by citizens and historians alike for decades to come.

biden walks off msnbc: 24/6 Tiffany Shlain, 2019-09-24 Winner of the Marshall McLuhan Outstanding Book Award Entrepreneur's 12 Productivity and Time-Management Books to Read "I'm won over to a day with people, not screens....I tried Shlain's idea. I highly recommend it." —The New York Times "Tiffany Shlain is a modern-day prophet, brilliant and incredibly funny in equal measure...24/6 is timeless and timely wisdom." —Angela Duckworth, #1 New York Times bestselling author This "wise, wonderful work" (Publishers Weekly starred review) demonstrates how turning

off screens one day a week can work wonders on your brain, body, and soul. Do you wish you had more time to do what you love, think deeply, and focus on the people and things that matter most? By giving up screens one day a week for over a decade, Internet pioneer and renowned filmmaker Tiffany Shlain and her family have gained more time, productivity, connection, and presence. Shlain takes us on a thought-provoking and entertaining journey through time and technology, introducing a strategy for flourishing in our 24/7 world. Drawn from the ancient ritual of Shabbat, living 24/6 can work for anyone from any background. With humor and wisdom, Shlain shares her story, offering the accessible lessons she has learned and providing a blueprint for how to do it yourself. "Bolstered with fascinating and germane facts about neuroscience, philosophy, psychology, and the history of the concept of a day of rest" (Publishers Weekly), 24/6 makes the case for incorporating this weekly reset into our 24/7 lives, issuing a call to rebalance ourselves and our society.

biden walks off msnbc: Beautiful Things Hunter Biden, 2021-04-06 Hunter Biden recounts his descent into substance abuse and his tortuous path to sobriety. The story ends with where Hunter is today

biden walks off msnbc: Beyond Biden Newt Gingrich, 2022-10-04 Bestselling author Newt Gingrich exposes the anti-American forces that have grown so large and so aggressive in their quest for power. The struggle between the defenders of America as an exceptional nation and the forces of anti-Americanism is reaching a fever pitch. These forces have grown so large, so well-financed, so entrenched and aggressive that they must be studied closely and understood completely if America is to survive this imminent civil war. In *Beyond Biden*, bestselling author Newt Gingrich brings together the various strands of the movement seeking to destroy true, historic American values and replace this country with one that's imposed on us by the combined power of government and social acceptance. Now a National Bestseller!

biden walks off msnbc: Peril Bob Woodward, Robert Costa, 2023-01-03 The transition from President Donald J. Trump to President Joseph R. Biden Jr. stands as one of the most dangerous periods in American history. But as #1 internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts—and a spellbinding and definitive portrait of a nation on the brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with eyewitness accounts of what really happened. Intimate scenes are supplemented with never-before-seen material from secret orders, transcripts of confidential calls, diaries, emails, meeting notes and other personal and government records, making *Peril* an unparalleled history. It is also the first inside look at Biden's presidency as he began his presidency facing the challenges of a lifetime: the continuing deadly pandemic and millions of Americans facing soul-crushing economic pain, all the while navigating a bitter and disabling partisan divide, a world rife with threats, and the hovering, dark shadow of the former president.

biden walks off msnbc: Say It Louder! Tiffany Cross, 2020-07-06 A breakout media and political analyst delivers a sweeping snapshot of American Democracy and the role that African Americans have played in its shaping while offering concrete information to help harness the electoral power of the country's rising majority and exposing political forces aligned to subvert and suppress Black voters. Black voters were critical to the Democrats' 2018 blue wave. In fact, 90 percent of Black voters supported Democratic House candidates, compared to just 53 percent of all voters. Despite media narratives, this was not a fluke. Throughout U.S. history, Black people have played a crucial role in the shaping of the American experiment. Yet still, this powerful voting bloc is often dismissed as some "amorphous" deviation, argues Tiffany Cross. *Say It Louder!* is her explosive examination of how America's composition was designed to exclude Black voters, but paradoxically would likely cease to exist without them. With multiple tentacles stretching into the cable news echo chamber, campaign leadership, and Black voter data, Cross creates a wrinkle in time with a reflective look at the timeless efforts endlessly attempting to deny people of color the

right to vote—a basic tenet of American democracy. And yet as the demographics of the country are changing, so too is the electoral power construct—by evolution and by force, Cross declares. Grounded in the most-up-to-date research, *Say It Louder!* is a vital tool for a wide swath of constituencies.

biden walks off msnbc: Know Your Value Mika Brzezinski, 2018-09-25 The bestselling motivational guide that *TheAtlantic.com* calls a rallying cry for women to get the money they deserve. Why are women so often overlooked and underpaid? What are the real reasons men get raises more often than women? How can women ask for -- and actually get--the money, the job, the recognition they deserve? Prompted by her own experience as cohost of *Morning Joe*, Mika Brzezinski asked a wide range of successful women to share the critical lessons they learned while moving up in their fields. Power players such as Facebook's Sheryl Sandberg, Senator Elizabeth Warren, Harvard's Victoria Budson, comedian Susie Essman, and many more shared their surprising personal stories. They spoke candidly about why women are paid less and the pitfalls women face -- and play into. Now expanded to address gender dynamics in the #MeToo era, *Know Your Value* blends compelling personal stories with the latest research on why many women don't negotiate their compensation, why negotiating aggressively usually backfires, and what can be done about it. For any woman who has ever wondered if her desire to be liked can be a liability (yes), if there is a way to reclaim her contribution after it's been co-opted in a meeting (yes), and if there are strategies men use to get ahead that women should too (yes!), *Know Your Value* provides vital advice to help women be their own best advocates.

biden walks off msnbc: Emancipation John Clay Smith (Jr.), 1999 *Emancipation* is an important and impressive work; one cannot read it without being inspired by the legal acumen, creativity, and resiliency these pioneer lawyers displayed. . . . It should be read by everyone interested in understanding the road African-Americans have traveled and the challenges that lie ahead.—From the Foreword, by Justice Thurgood Marshall

biden walks off msnbc: Finding Latinx Paola Ramos, 2020-10-20 Latinos across the United States are redefining identities, pushing boundaries, and awakening politically in powerful and surprising ways. Many—Afrolatino, indigenous, Muslim, queer and undocumented, living in large cities and small towns—are voices who have been chronically overlooked in how the diverse population of almost sixty million Latinos in the U.S. has been represented. No longer. In this empowering cross-country travelogue, journalist and activist Paola Ramos embarks on a journey to find the communities of people defining the controversial term, “Latinx.” She introduces us to the indigenous Oaxacans who rebuilt the main street in a post-industrial town in upstate New York, the “Las Poderosas” who fight for reproductive rights in Texas, the musicians in Milwaukee whose beats reassure others of their belonging, as well as drag queens, environmental activists, farmworkers, and the migrants detained at our border. Drawing on intensive field research as well as her own personal story, Ramos chronicles how “Latinx” has given rise to a sense of collectivity and solidarity among Latinos unseen in this country for decades. A vital and inspiring work of reportage, *Finding Latinx* calls on all of us to expand our understanding of what it means to be Latino and what it means to be American. The first step towards change, writes Ramos, is for us to recognize who we are.

biden walks off msnbc: The Right Path Joe Scarborough, 2013 Opening with the passage of the Voting Rights Act in 1965 and ending with the disillusionment that characterized the final months of George W. Bush's presidency, Scarborough ultimately takes today's Republican party to task for squandering opportunities to attain and hold power. By revisiting Eisenhower's understated diplomacy, Barry Goldwater's fierce rhetoric, and Reagan's gift for channeling and connecting with voters, [this book] ... demonstrates how today's GOP has undermined its own cause and in doing so, fails the nation--

biden walks off msnbc: Saving Freedom Joe Scarborough, 2020-11-17 The host of MSNBC's *Morning Joe* reveals how President Harry Truman defended democracy against the Soviet threat at the dawn of the Cold War. Harry Truman had been vice president for less than three months when

President Franklin Roosevelt died. Suddenly inaugurated the leader of the free world, the plainspoken Truman candidly told reporters he, felt like the moon, the stars, and all the planets had fallen on me. He faced a hostile world stage. Even as World War II drew to a close, the Cold War was around the corner. The Soviet Union went from America's uneasy ally to its number one adversary. Through shrewd diplomacy and military might, Joseph Stalin gained control of Eastern Europe, and soon cast an acquisitive eye toward the Balkans--and beyond. Newly liberated from fascism, Europe's future was again at risk, its freedom on the line. Alarmed by the Soviets' designs, Truman acted. In a speech before a joint session of Congress on March 12, 1947, he announced a policy of containment that became known as the Truman Doctrine--a pledge that the United States would support free peoples who are resisting attempted subjugation by armed minorities or by outside pressures. In *Saving Freedom*, Joe Scarborough moves between events in Washington and those in Europe--in Greece, where the U.S.-backed government was fighting a civil war with insurgent Communists, and in Turkey, where the Soviets pressed for control of the Dardanelles--to analyze and understand the changing geopolitics that led Truman to deliver his momentous speech. The story of the passage of the Truman doctrine is an inspiring tale of American leadership, can-doism, bipartisan unity, and courage in the face of an antidemocratic threat. *Saving Freedom* highlights a pivotal moment of the Twentieth Century, a turning point where patriotic Americans worked together to defeat tyranny.

biden walks off msnbc: Battle for the Soul Edward-Isaac Dove, 2021-05-25 An award-winning political journalist for *The Atlantic* tells the inside story of how the embattled Democratic Party, seeking a direction for its future during the Trump years, successfully regained the White House. The 2020 presidential campaign was a defining moment for America. As Donald Trump and his nativist populism cowed the Republican Party into submission, many Democrats--haunted by Hillary Clinton's shocking loss in 2016 and the resulting four-year-long identity crisis--were convinced that he would be unbeatable. Their party and the country, it seemed, might never recover. How, then, did Democrats manage to win the presidency, especially after the longest primary race with the biggest field ever? How did they keep themselves united through an internal struggle between newly empowered progressives and establishment forces--playing out against a pandemic, an economic crisis, and a new racial reckoning? Edward-Isaac Dove's *Battle for the Soul* is the searing, fly-on-the-wall account of the Democrats' journey through recalibration and rebirth. Dove traces this process: from the early days in the wilderness of the post-Obama era to the jockeying of potential candidates; from the backroom battles and exhausting campaigns to the unlikely triumph of the man few expected to win; and on through the inauguration and the insurrection at the Capitol. Dove draws on years of on-the-ground reporting and contemporaneous conversations with the key players--whether with Pete Buttigieg in his hotel suite in Des Moines an hour before he won the Iowa caucuses or with Joe Biden in his first-ever interview in the Oval Office--as well as with aides, advisors, and voters. Offering unparalleled access and an insider's command of the campaign, *Battle for the Soul* takes a compelling look at the policies, politics, and people, as well as the often absurd process of running for president. This fresh and timely story brings you on the trail, into the private rooms, and along to eavesdrop on critical conversations. You will never see campaigns or this turning point in our history the same way again.

biden walks off msnbc: Champ and Major: First Dogs Joy McCullough, 2021-01-19 A picture book about Champ and Major, President-elect Joe Biden's two adorable dogs! Major will be the first shelter dog in the White House, and Champ can't wait to show him around. Champ and Major's dad, Joe Biden, just got a really important job: He's going to be the new president of the United States! Champ is excited to go back to the White House--he got to visit it when his dad was the vice president, before the family adopted Major, and he knows about all the important work that happens there. Major is going to be one of the first rescue dogs to live in the White House, and Champ can't wait to show his little brother around. Soon, Champ and Major will be in their new home, and they're going to bring a lot of fun with them!

biden walks off msnbc: Front Row at the Trump Show Jonathan Karl, 2020-03-31 *The

Instant New York Times Bestseller* “A book historians will relish.”—Peggy Noonan, Wall Street Journal Must read. I've read every book about the Trump presidency. This is the best.—Bill Press An account like no other, from the White House reporter who has known President Donald Trump for more than 25 years. We have never seen a president like this...norm-breaking, rule-busting, dangerously reckless to some and an overdue force for change to others. One thing is clear: We are witnessing the reshaping of the presidency. Jonathan Karl brings us into the White House in a powerful book unlike any other on the Trump administration. He's known and covered Donald Trump longer than any other White House reporter. With extraordinary access to Trump during the campaign and at 1600 Pennsylvania Avenue, Karl delivers essential new reporting and surprising insights. These are the behind-the-scenes moments that define Trump's presidency--an extraordinary look at the president, the person, and those closest to him. This is the real story of Trump's unlikely rise; of the struggles and battles of those who work in the administration and those who report on it; of the plots and schemes of a senior staff enduring stunning and unprecedented unpredictability. Karl takes us from a TV set turned campaign office to the strange quiet of Trump's White House on Inauguration Day to a high-powered reelection campaign set to change the country's course. He shows us an administration rewriting the role of the president on the fly and a press corps that has never been more vital. Above all, this book is only possible because of the surprisingly open relationship Donald Trump has had with Jonathan Karl, a reporter he has praised, fought, and branded an enemy of the people. This is Front Row at the Trump Show.

biden walks off msnbc: Bobby Kennedy Chris Matthews, 2017-10-31 In Chris Matthews's New York Times bestselling portrait of Robert F. Kennedy, “Readers witness the evolution of Kennedy's soul. Through tragedy after tragedy we find the man humanized” (Associated Press). With his bestselling biography Jack Kennedy, Chris Matthews profiled one of America's most beloved Presidents and the patriotic spirit that defined him. Now, with Bobby Kennedy, Matthews provides “insight into [Bobby's] spirit and what drove him to greatness” (New York Journal of Books) in his gripping, in-depth, behind-the-scenes look at one of the great figures of the American twentieth century. Overlooked by his father, and overshadowed by his war-hero brother, Bobby Kennedy was a perpetual underdog. When he had the chance to become a naval officer like his older brother, Bobby turned it down, choosing instead to join the Navy as a common sailor. It was a life-changing experience that led him to connect with voters from all walks of life: young and old, black and white, rich and poor. They were the people who turned out for him in his 1968 campaign. RFK would prove himself to be the rarest of politicians—both a pragmatist who knew how to get the job done and an unwavering idealist who could inspire millions. Drawing on extensive research and interviews, Matthews pulls back the curtain on the private world of Robert Francis Kennedy. Matthew illuminates the important moments of his life: from his early years and his start in politics, to his crucial role as attorney general in his brother's administration and, finally, his tragic run for president. This definitive book brings Bobby Kennedy to life like never before.

biden walks off msnbc: TrumpNation Timothy L. O'Brien, 2015-10-20 The extensively researched biography that goes beyond the hype to “separate Trump the reality from Trump the reality show” (USA Today). Now with a new introduction by the author, this entertaining look inside the world of Donald Trump is chock full of rip-roaring anecdotes, jaw-dropping quotes, and rigorous research into the business deals, political antics, curious relationships, and complex background of the forty-fifth US president. Granted unprecedented access, Timothy L. O'Brien traveled across the country and up and down the East Coast with Trump on his private jet, wheeled around Palm Beach with him in his Ferrari, and spent hours interviewing him in his home, in his office, and on the golf course. He met with the entrepreneur's closest friends and most aggressive rivals, while compiling a treasure trove of Trumpisms from the Donald himself: Trump on the public's enduring fascination with Trump: “There is something crazy, hot, a phenomenon out there about me, but I'm not sure I can define it and I'm not sure I want to.” Trump on naysayers: “You can go ahead and speak to guys who have four-hundred-pound wives at home who are jealous of me, but the guys who really know me know I'm a great builder.” Trump on the art of self-promotion: “You might as well tell people how

great you are, because no one else is going to.” Ultimately, when O’Brien’s research revealed that Trump’s business record and annual spot on the Forbes 400 list of richest Americans might be more fantasy than reality, he—like so many others who have dared to tangle with the former host of *The Apprentice*—found himself in a courtroom. In a new introduction, O’Brien reflects on the recent wave of TrumpMania and updates readers on what it’s like to depose one of the world’s most litigious businessmen—and win.

biden walks off msnbc: *Blowout* Rachel Maddow, 2019-10-01 #1 NEW YORK TIMES BESTSELLER • Big Oil and Gas Versus Democracy—Winner Take All “A rollickingly well-written book, filled with fascinating, exciting, and alarming stories about the impact of the oil and gas industry on the world today.”—The New York Times Book Review In 2010, the words “earthquake swarm” entered the lexicon in Oklahoma. That same year, a trove of Michael Jackson memorabilia—including his iconic crystal-encrusted white glove—was sold at auction for over \$1 million to a guy who was, officially, just the lowly forestry minister of the tiny nation of Equatorial Guinea. And in 2014, revolutionaries in Ukraine raided the palace of their ousted president and found a zoo of peacocks, gilded toilets, and a floating restaurant modeled after a Spanish galleon. Unlikely as it might seem, there is a thread connecting these events, and Rachel Maddow follows it to its crooked source: the unimaginably lucrative and equally corrupting oil and gas industry. With her trademark black humor, Maddow takes us on a switchback journey around the globe, revealing the greed and incompetence of Big Oil and Gas along the way, and drawing a surprising conclusion about why the Russian government hacked the 2016 U.S. election. She deftly shows how Russia’s rich reserves of crude have, paradoxically, stunted its growth, forcing Vladimir Putin to maintain his power by spreading Russia’s rot into its rivals, its neighbors, the West’s most important alliances, and the United States. Chevron, BP, and a host of other industry players get their star turn, most notably ExxonMobil and the deceptively well-behaved Rex Tillerson. The oil and gas industry has weakened democracies in developed and developing countries, fouled oceans and rivers, and propped up authoritarian thieves and killers. But being outraged at it is, according to Maddow, “like being indignant when a lion takes down and eats a gazelle. You can’t really blame the lion. It’s in her nature.” *Blowout* is a call to contain the lion: to stop subsidizing the wealthiest businesses on earth, to fight for transparency, and to check the influence of the world’s most destructive industry and its enablers. The stakes have never been higher. As Maddow writes, “Democracy either wins this one or disappears.”

biden walks off msnbc: *The Characters of Christmas* Daniel Darling, 2019-10-01 Learn Something New This Christmas We hate to admit it, but after years, sometimes even decades, of reading the same Luke 2 story of Christmas, we get a little bored—we lose some of the awe we ought to have when discussing the greatest miracle in history. That’s why *The Characters of Christmas* was written, to help you take a fresh look at the Christmas story by getting to know the minor characters that played a part in Jesus’ birth, such as Zechariah and Elizabeth, the Shepherds, and Herod. As you slow down, engage your imagination, and enter into the stories of these women and men, you’ll see the most important character—Jesus Christ—with new eyes. And with discussion questions and a Christmas song suggestion at the end of each chapter, it’s perfect for engaging your whole family. Break free from the familiar, and discover something you never knew about the story you’ve always heard.

biden walks off msnbc: *Russian Roulette* Michael Isikoff, David Corn, 2018-03-13 The incredible, harrowing account of how American democracy was hacked by Moscow as part of a covert operation to influence the U.S. election and help Donald Trump gain the presidency. *Russian Roulette* is...the most thorough and riveting account. -- The New York Times *Russian Roulette* is a story of political skullduggery unprecedented in American history. It weaves together tales of international intrigue, cyber espionage, and superpower rivalry. After U.S.-Russia relations soured, as Vladimir Putin moved to reassert Russian strength on the global stage, Moscow trained its best hackers and trolls on U.S. political targets and exploited WikiLeaks to disseminate information that could affect the 2016 election. The Russians were wildly successful and the great break-in of 2016

was no third-rate burglary. It was far more sophisticated and sinister -- a brazen act of political espionage designed to interfere with American democracy. At the end of the day, Trump, the candidate who pursued business deals in Russia, won. And millions of Americans were left wondering, what the hell happened? This story of high-tech spying and multiple political feuds is told against the backdrop of Trump's strange relationship with Putin and the curious ties between members of his inner circle -- including Paul Manafort and Michael Flynn -- and Russia. Russian Roulette chronicles and explores this bizarre scandal, explains the stakes, and answers one of the biggest questions in American politics: How and why did a foreign government infiltrate the country's political process and gain influence in Washington?
