

Blue Mountain State Parents Guide

Blue Mountain State Parents Guide: Navigating the Wild World of College Football Comedy

Are you a parent considering letting your teen watch Blue Mountain State? This irreverent college football comedy, while hilarious for its target audience, contains mature themes that might not be suitable for all viewers. This comprehensive parents' guide provides an in-depth look at the show's content, helping you decide if Blue Mountain State is appropriate for your family. We'll explore the humor, explicit content, and overall themes to offer you a clear understanding of what to expect. This isn't just a simple yes or no; we'll provide the tools you need to make an informed decision.

Understanding the Humor of Blue Mountain State

Blue Mountain State thrives on its outrageous and often crude humor. The show pushes boundaries, employing a style that relies heavily on:

Sexual Humor: Expect frequent sexual references, innuendo, and depictions of sexual situations. This isn't subtle; it's a core element of the show's comedic style. The humor often relies on shock value and exaggeration.

Crude Language: Profanity is rampant throughout Blue Mountain State. Expect a high volume of swearing and offensive language, often used casually within conversations.

Stereotypes: The show utilizes stereotypical characters, often for comedic effect. However, these stereotypes can be offensive to some viewers. It's crucial to consider your family's tolerance for this kind of humor.

Partying and Alcohol: Excessive partying and alcohol consumption are central themes. The show portrays a culture of binge drinking and reckless behavior, which might be concerning to parents.

Explicit Content and Violence in Blue Mountain State

Beyond the humor, parents need to be aware of the following explicit content:

Nudity and Sexual Situations: While not graphically explicit in all instances, the show does feature nudity and simulated sexual activity. The level of explicitness varies throughout the series.

Drug Use: The show touches upon drug use, though it's not a central theme. However, the depiction of drug use is present and should be considered.

Violence: While generally not graphic, the show includes some violence, often slapstick in nature. However, certain scenes might be disturbing to some viewers.

Themes Explored in Blue Mountain State: Beyond the Jokes

Despite the raunchy humor, Blue Mountain State occasionally delves into deeper themes, albeit often in a comedic way:

Friendship and Brotherhood: The show explores the complexities of male friendships and the bonds within a fraternity.

College Life and Identity: The characters navigate the pressures and challenges of college life, including academic struggles and social expectations.

Competition and Success: The relentless pursuit of success in college football is a significant driving force in the narrative.

However, these themes are often overshadowed by the explicit content and crass humor.

Age Appropriateness and Parental Guidance Suggestions

Given the significant amount of mature content, Blue Mountain State is not suitable for younger viewers. We recommend a minimum age of 18, but even then, parental guidance is strongly advised. Open communication with your teen about the show's content is vital. Consider watching an episode together first to gauge their reaction and your comfort level.

Alternatives to Blue Mountain State for Similar Humor (with less explicit content)

If you're looking for similar comedic styles without the excessive explicit content, consider exploring shows like:

Workaholics: While still containing mature humor, Workaholics focuses more on workplace shenanigans.

Community: This quirky sitcom offers a witty and intelligent take on college life, but with significantly less explicit content.

Conclusion: Making an Informed Decision

Deciding whether or not to allow your teen to watch Blue Mountain State requires careful consideration of its content and your family's values. This guide aims to provide you with the necessary information to make an informed decision based on your teen's maturity level and your comfort zone. Open communication and pre-viewing discussions are key to navigating this potentially sensitive topic. Remember, there are many other comedic shows available that might offer a better fit for your family.

Frequently Asked Questions (FAQs)

Q1: Is Blue Mountain State appropriate for 16-year-olds? A: No, we strongly advise against it for viewers under 18 due to the explicit sexual content, strong language, and depictions of alcohol abuse.

Q2: Does the show get less explicit as it progresses? A: While the overall tone remains consistent, the explicitness of certain scenes may vary throughout the series.

Q3: Are there any redeeming qualities to the show? A: While the humor is crude, some viewers appreciate the exploration of friendship and the relatable aspects of college life (though often exaggerated).

Q4: Is there a parental control option to filter content? A: Most streaming services allow for parental controls, but they may not catch all instances of mature content. Active parental supervision is crucial.

Q5: What's the overall message of Blue Mountain State? A: The show doesn't offer a clear-cut moral message. Its primary focus is comedic entertainment, with occasional glimpses into the complexities of college life and friendships. However, these themes are largely overshadowed by the explicit content.

blue mountain state parents guide: Trapped Michael Northrop, 2011-02-01 The day the blizzard started, no one knew that it was going to keep snowing for a week. That for those in its path, it would become not just a matter of keeping warm, but of staying alive. . . .Scotty and his

friends Pete and Jason are among the last seven kids at their high school waiting to get picked up that day, and they soon realize that no one is coming for them. Still, it doesn't seem so bad to spend the night at school, especially when distractingly hot Krista and Julie are sleeping just down the hall. But then the power goes out, then the heat. The pipes freeze, and the roof shudders. As the days add up, the snow piles higher, and the empty halls grow colder and darker, the mounting pressure forces a devastating decision. . . .Michael Northrop is the New York Times bestselling author of TombQuest, an epic book and game adventure series featuring the magic of ancient Egypt. He is also the author of Trapped, an Indie Next List Selection, and Plunked, a New York Public Library best book of the year and an NPR Backseat Book Club selection. An editor at Sports Illustrated Kids for many years, he now writes full-time from his home in New York City. Learn more at www.michaelnorthrop.net.

blue mountain state parents guide: *Xenocide* Orson Scott Card, 2009-11-30 The war for survival of the planet Lusitania will be fought in the heart of a child named Gloriously Bright. On Lusitania, Ender found a world where humans and pequininos and the Hive Queen could all live together; where three very different intelligent species could find common ground at last. Or so he thought. Lusitania also harbors the descolada, a virus that kills all humans it infects, but which the pequininos require in order to become adults. The Starways Congress so fears the effects of the descolada, should it escape from Lusitania, that they have ordered the destruction of the entire planet, and all who live there. The Fleet is on its way, a second xenocide seems inevitable. *Xenocide* is the third novel in Orson Scott Card's The Ender Saga. THE ENDER UNIVERSE Ender series Ender's Game / Ender in Exile / Speaker for the Dead / *Xenocide* / Children of the Mind Ender's Shadow series Ender's Shadow / Shadow of the Hegemon / Shadow Puppets / Shadow of the Giant / Shadows in Flight Children of the Fleet The First Formic War (with Aaron Johnston) Earth Unaware / Earth Afire / Earth Awakens The Second Formic War (with Aaron Johnston) The Swarm /The Hive Ender novellas A War of Gifts /First Meetings At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

blue mountain state parents guide: *My Side of the Mountain* Jean Craighead George, 2001-05-21 Should appeal to all rugged individualists who dream of escape to the forest.—The New York Times Book Review Sam Gribble is terribly unhappy living in New York City with his family, so he runs away to the Catskill Mountains to live in the woods—all by himself. With only a penknife, a ball of cord, forty dollars, and some flint and steel, he intends to survive on his own. Sam learns about courage, danger, and independence during his year in the wilderness, a year that changes his life forever. "An extraordinary book . . . It will be read year after year." —The Horn Book

blue mountain state parents guide: *Reference Guide to Famous Engineering Landmarks of the World* Lawrence Berlow, 2015-04-22 More than 650 landmarks are covered, ranging from ancient monuments such as Stonehenge, to contemporary engineering feats such as the World Trade Center in New York City. The concisely-written entries describe when the landmark was built, who built it, why it was built, its dimensions, how it was constructed, and any problems encountered during construction. Additional features include: numerous photographs; biographies of important builders and designers; glossary; chronology of dates in civil engineering from 3000 BC to the present; listings of tallest buildings, longest bridges, and highest dams, and a geographical index which locates the structures by country.

blue mountain state parents guide: *The WPA Guide to Virginia* Federal Writers' Project, 2013-10-31 During the 1930s in the United States, the Works Progress Administration developed the Federal Writers' Project to support writers and artists while making a national effort to document the country's shared history and culture. The American Guide series consists of individual guides to each of the states. Little-known authors—many of whom would later become celebrated literary figures—were commissioned to write these important books. John Steinbeck, Saul Bellow, Zora Neale Hurston, and Ralph Ellison are among the more than 6,000 writers, editors, historians, and researchers who documented this celebration of local histories. Photographs, drawings, driving tours, detailed descriptions of towns, and rich cultural details exhibit each state's unique flavor. The WPA Guide to Virginia documents the vital role the Old Dominion played in the history of the first 150 years of the United States and before. It is packed with historical information, particularly from the Colonial and Revolutionary years, and supplemented with photos of historic buildings and sites. Also worth note are the artistic photographs of the state's ordinary people and its natural beauty, including the Shenandoah and Chesapeake Bay regions.

blue mountain state parents guide: The Ordinary Parent's Guide to Teaching Reading (The Ordinary Parent's Guide) Jessie Wise, Sara Buffington, 2004-10-17 A plain-English guide to teaching phonics. Every parent can teach reading—no experts need apply! Too many parents watch their children struggle with early reading skills—and don't know how to help. Phonics programs are too often complicated, overpriced, gimmicky, and filled with obscure educationalese. The Ordinary Parent's Guide to Teaching Reading cuts through the confusion, giving parents a simple, direct, scripted guide to teaching reading—from short vowels through supercalifragilisticexpialidocious. This one book supplies parents with all the tools they need. Over the years of her teaching career, Jessie Wise has seen good reading instruction fall prey to trendy philosophies and political infighting. Now she has teamed with dynamic coauthor Sara Buffington to supply parents with a clear, direct phonics program—a program that gives them the know-how and confidence to take matters into their own hands.

blue mountain state parents guide: Rust Eliese Colette Goldbach, 2020-03-03 Elements of Tara Westover's *Educated*... The mill comes to represent something holy to [Eliese] because it is made not of steel but of people. —New York Times Book Review One woman's story of working in the backbreaking steel industry to rebuild her life—but what she uncovers in the mill is much more than molten metal and grueling working conditions. Under the mill's orange flame she finds hope for the unity of America. Steel is the only thing that shines in the belly of the mill... To ArcelorMittal Steel Eliese is known as #6691: Utility Worker, but this was never her dream. Fresh out of college, eager to leave behind her conservative hometown and come to terms with her Christian roots, Eliese found herself applying for a job at the local steel mill. The mill is everything she was trying to escape, but it's also her only shot at financial security in an economically devastated and forgotten part of America. In *Rust*, Eliese brings the reader inside the belly of the mill and the middle American upbringing that brought her there in the first place. She takes a long and intimate look at her Rust Belt childhood and struggles to reconcile her desire to leave without turning her back on the people she's come to love. The people she sees as the unsung backbone of our nation. Faced with the financial promise of a steelworker's paycheck, and the very real danger of working in an environment where a steel coil could crush you at any moment or a vat of molten iron could explode because of a single drop of water, Eliese finds unexpected warmth and camaraderie among the gruff men she labors beside each day. Appealing to readers of *Hillbilly Elegy* and *Educated*, *Rust* is a story of the humanity Eliese discovers in the most unlikely and hellish of places, and the hope that therefore begins to grow.

blue mountain state parents guide: The Night and Its Moon Piper CJ, 2022-09-20 An addictive fantasy romance from TikTok sensation Piper CJ, now newly revised and edited. Two orphans grow into powerful young women as they face countless threats to find their way back to each other. Farleigh is just an orphanage. At least, that's what the church would have the people believe, but beautiful orphans Nox and fae-touched Amaris know better. They are commodities for sale, available for purchase by the highest bidder. So when the madame of a notorious brothel in a

far-off city offers a king's ransom to purchase Amaris, Nox ends up taking her place — while Amaris is drawn away to the mountains, home of mysterious assassins. Even as they take up new lives and identities, Nox and Amaris never forget one thing: they will stop at nothing to reunite. But the threat of war looms overhead, and the two are inevitably swept into a conflict between human and fae, magic and mundane. With strange new alliances, untested powers, and a bond that neither time nor distance could possibly break, the fate of the realms lies in the hands of two orphans — and the love they hold for each other.

blue mountain state parents guide: Reduce Child Obesity Helen Hendy, Keith Williams, Thomas Camise, 2013-11-12 Reduce Child Obesity: A Guide to Using the Kid's Choice Program in School and at Home provides school leaders with a practical guide for applying the Kid's Choice Program (KCP), which is a school-based program to promote healthy behaviors and reduce the risk of child obesity. The KCP Guide may also be used by health researchers to document the program's effectiveness. The KCP was researched with 1000+ school-age children and documented to be easy-to-use, low in cost (at \$2 per child per month), and effective for increasing weight management behaviors in children (eating fruits and vegetables, choosing low-fat and low-sugar drinks, exercising daily). Research also documents that the KCP improves weight status in overweight children (for intervention) and normal-weight children (for prevention). Additionally, the program improves diets of children who are picky eaters. The KCP can be delivered by small teams of 2-4 volunteers (such as parents) after five minutes of training. It uses simple procedures (children wear nametags, stars punched in nametags when children choose healthy behaviors, weekly Reward Days let children trade stars for small prizes). The KCP is well-accepted by children, parents, and school staff. For more information on the KCP, please visit kidschoiceprogram.org.
