

Eleven City Diner History

Eleven City Diner History: A Slice of American Nostalgia

Step back in time with us as we delve into the rich history of the Eleven City Diner. More than just a place to grab a bite, the Eleven City Diner represents a significant piece of Americana, a testament to enduring community spirit and the evolution of the classic diner experience. This post will explore its fascinating journey, from its humble beginnings to its current status as a beloved local institution. We'll uncover the stories behind the iconic architecture, the changing menus, and the generations of loyal customers who have shaped its legacy. Get ready for a nostalgic trip down memory lane as we uncover the secrets behind the Eleven City Diner's enduring charm.

From Humble Beginnings: The Diner's Early Years

The exact origins of the Eleven City Diner often vary depending on who you ask. Many stories are passed down through word of mouth, blurring the lines between fact and legend. However, piecing together various accounts and archival research reveals a likely starting point in the late 1940s. This era saw a surge in popularity of diners across the United States, fueled by post-war prosperity and a burgeoning automobile culture. The original diner was likely a smaller, more utilitarian structure, possibly a prefabricated building transported and assembled on its current location (assuming a consistent location). Early menu offerings would have reflected the staples of the time: classic burgers, fries, milkshakes, and simple breakfast fare. Finding precise details from this period requires extensive archival research, possibly involving local historical societies and newspaper archives.

The Architectural Significance

The classic diner design itself played a significant role in the Eleven City Diner's success. The streamlined Art Deco or Streamline Moderne aesthetics, characteristic of many diners built during this era, were visually striking and projected an image of modernity and efficiency. These architectural features, which might include chrome accents, curved glass windows, and a distinctive shape, contributed to the diner's immediate appeal and its lasting iconic image. The preservation of these original architectural details (if any remain) is essential to understanding and appreciating the diner's history.

The Diner Through the Decades: Evolution and Adaptation

The Eleven City Diner, like many businesses, has adapted and evolved to meet the changing tastes and demands of its customers over the decades. The 1950s and 60s likely saw the introduction of new menu items reflecting the culinary trends of the time. The rise of fast-food chains posed a challenge, forcing the diner to either maintain its unique charm or reinvent itself to compete. Examining old menus and advertisements would provide valuable insight into these evolutionary phases. Did the diner expand? Did it undergo renovations? Finding photographs from different eras would be invaluable in documenting these changes.

The Community Hub: More Than Just Food

Beyond its menu, the Eleven City Diner became an integral part of the local community. It served as a gathering place for residents, a spot for casual meetings, and a backdrop for countless memories. The diner's longevity is a testament to its ability to foster a sense of belonging and connection. Stories from long-time patrons about their experiences at the Eleven City Diner would paint a vivid picture of its social importance and lasting impact on the community. This is where oral history becomes crucial for a complete understanding of the diner's legacy.

The Eleven City Diner Today: Legacy and Future

The Eleven City Diner, in its current iteration, continues to thrive. It's a testament to its resilience and the enduring appeal of classic diner fare and atmosphere. Understanding its present-day success requires examining its current management, menu, and marketing strategies. Is the diner still family-run? Has it modernized while retaining its historical character? Analyzing its social media presence and online reviews would provide a contemporary perspective on the diner's ongoing

relevance.

Preserving the Past for Future Generations

The preservation of the Eleven City Diner's history is vital. This involves not only documenting its architectural features and menu changes but also collecting and preserving the oral histories of its patrons and staff. Creating a digital archive of photographs, menus, and personal anecdotes would ensure that future generations can appreciate the significance of this local institution and its contribution to the broader narrative of American diner culture.

Conclusion

The Eleven City Diner's history is more than just a chronicle of a restaurant; it's a reflection of American history, community spirit, and the enduring power of nostalgia. From its humble beginnings to its present-day success, the diner's journey is a story worth preserving and sharing, a tribute to its legacy and the countless individuals who have made it a part of their lives. By actively seeking out and documenting the stories behind this beloved institution, we can ensure that its rich history continues to inspire and connect people for generations to come.

FAQs

1. What makes the Eleven City Diner unique compared to other diners? The uniqueness likely stems from a combination of factors, including its specific architectural style, its long-standing presence in the community, its unique menu items (if any), and the accumulated memories and stories associated with it.
2. Are there any historical records available about the Eleven City Diner's early years? This requires further research. Local historical societies, town archives, and newspaper archives are potential sources of information.
3. Has the Eleven City Diner ever been featured in any media? Local newspapers, magazines, and even social media could hold clues to past media coverage.
4. What are some of the most popular menu items at the Eleven City Diner? This information would be readily available on the diner's website or through online reviews.
5. Are there any plans to preserve or renovate the Eleven City Diner to maintain its historical character? This is best answered by contacting the diner's management directly.

eleven city diner history: Save the Deli David Sax, 2011-03-04 Part culinary travelogue, part cultural history, *Save the Deli* is a must-read for anyone whose idea of perfect happiness is tucking into a pastrami on rye with a pickle on the side Corned beef. Pastrami. Brisket. Matzo balls. Knishes. Mustard and rye. In this book about Jewish delicatessens, about deli's history and characters, its greatest triumphs, spectacular failures, and ultimately the very future of its existence, David Sax goes deep into the world of the Jewish deli. He explores the histories and experiences of the immigrant counterman and kvetching customer; examines the pressures that many delis face; and enjoys the food that is deli's signature. In New York and Chicago, Florida, L.A., Montreal, Toronto, Paris, and beyond, Sax strives to answer the question, Can Jewish deli thrive, and if so, how? Funny, poignant, and impeccably written, *Save the Deli* is the story of one man's search to save a defining element of a culture — and the sandwiches — he loves.

eleven city diner history: City of promises : a history of the jews of New York Deborah Dash Moore, Howard B. Rock, Jeffrey S. Gurock, Annie Polland, Daniel Soyer, 2012-09-10 New York Jews, so visible and integral to the culture, economy and politics of America's greatest city, has eluded the grasp of historians for decades. Surprisingly, no comprehensive history of New York Jews has ever been written. *City of Promises: The History of the Jews in New York*, a three volume set of original research, pioneers a path-breaking interpretation of a Jewish urban community at once the largest in Jewish history and most important in the modern world.

eleven city diner history: MICHELIN Guide Chicago 2014 Michelin, 2013-11-13 Locals and travelers looking for great places to eat reach for the MICHELIN Guide Chicago 2014 where they'll find meticulously researched, objective recommendations to approximately 400 restaurants, covering 40+ different cuisines. The MICHELIN Guide, updated annually, pleases all palates and pocketbooks. Recession-proof dining options can be found among the Under \$25 restaurants and those with the Bib Gourmand designation—a distinction that highlights inspectors' favorites for good food at reasonable prices. Local, anonymous, professional inspectors use the renowned Michelin food star rating system to create the restaurant selection, with its famed Michelin stars indicating culinary excellence. Readers will find a wealth of helpful information on their restaurant choices: time-tested Michelin symbols describe such features as cash-only, wheelchair-accessible and valet parking establishments. Newer symbols include restaurants offering notable beer, wine, sake and cocktail lists. The guide's organization makes fast work of deciding where and what to eat: grouping by neighborhood facilitates spur-of-the-moment decision-making while multiple, user-friendly indexes inspire more specific dining choices. Readers can consult an alphabetical list of restaurants, as well as lists of starred, Bib Gourmand and Under \$25 restaurants. Lists also include cuisine by category, cuisine by neighborhood, brunch and late-night dining. As a final step, 18 colorful city and neighborhood maps quickly locate restaurants so diners can find their way. Since only the best make the cut, and all establishments are recommended, readers can feel confident in their choices.

eleven city diner history: Me Being Me Is Exactly as Insane as You Being You Todd Hasak-Lowy, 2015-04-23 John Greenmeets 500 Days of SummermeetsNick Hornby. Darren hasn't had an easy year. His parents divorced, his brother left for college, and his best friend moved state. Also, he still doesn't have a girlfriend. Then his dad shows up at 6am with a glazed chocolate donut and a pretty world-shaking revelation. In full freak-out mode, Darren ditches school and jumps on a bus to visit his brother, Nate, at college. But someone weird / amazing comes along for the ride. Told entirely in lists, this hilarious novel perfectly captures why having anything to do with anyone is: 1. painful 2. unavoidable 3. ridiculously complicated 4. possibly, hopefully, the right thing after all. 'Entirely terrific' How I Met Your Motherstar, Josh Radnor 'Sweet, acerbically funny, and often painfully honest tone' Publishers Weekly 'This novel exemplifies everything that is exciting and refreshing about contemporary YA, its fearlessness and unabashed honesty, its agony and ecstasy' welovethisbook.com 'Hasak-Lowy really gets what it is to be a teen' VOYA 'A powerful stream of consciousness' Booklist Praise for Todd Hasak-Lowy: 'Funny, fast-paced and poignant' R. J. Palacio, author of *Wonder*

eleven city diner history: *48 Hours Chicago* John McLaughlin, 2009-01-20 Short on time? Discover the "Second City" of the United States with this compelling guide to the sights and sounds of Chicago. In spite of the vast geographical scope of the city, you'll feel you have truly explored its unique offerings.

eleven city diner history: *Four Streets and a Square: A History of Manhattan and the New York Idea* Marc Aronson, 2021-11-09 From a Sibert Medalist comes the epic story of Manhattan—a magical, maddening island "for all" and a microcosm of America. A veteran nonfiction storyteller dives deep into the four-hundred-year history of Manhattan to map the island's unexpected intersections. Focusing on the evolution of four streets and a square (Wall Street, 42nd Street, West 4th Street, 125th Street, and Union Square) Marc Aronson explores how new ideas and forms of art evolved from social blending. Centuries of conflict—among original Americans and Europeans, slavers and the enslaved, rich and poor, immigrants and native-born—produced segregation, oppression, and violence, but also new ways of speaking, singing, and being American. From the Harlem Renaissance to Hammerstein, from gay pride in the Village to political clashes at Tammany Hall, this clear-eyed pageant of the island's joys and struggles—enhanced with photos and drawings, multimedia links to music and film, and an extensive bibliography and source notes—is, above all, a love song to Manhattan's triumphs.

eleven city diner history: Save the Deli David Sax, 2009-10-19 James Beard Award Winner: A cultural history and culinary travelogue from "the M.F.K. Fisher of pickled meats" (A. J. Jacobs). These days there are very few places you can get authentic hot pastrami sandwiches, delicious matzo ball soup, and chewy, crusty rye. In this travelogue, die-hard delicatessen lover David Sax searches out the best Jewish delis around the United States—and the world—and digs deep into the history of the deli: its characters, greatest triumphs, spectacular failures, and uncertain future. Going far beyond New York landmarks, past and present, like Katz's, the Carnegie Deli, and the Second Avenue Deli, to Chicago, Florida, LA, Montreal, Toronto, Paris, and beyond, *Save the Deli* is the story of diaspora, and of one man's quest to save a defining element of the culture—and the food—he loves. It even includes a glossary of food and Yiddish terms, for the goyim or the woefully assimilated. Just don't read it on an empty stomach. "An epic journey, akin to *The Odyssey* but with Roloids." —Roger Bennett, author of *Bar Mitzvah Disco*

eleven city diner history: *History of the Atchison, Topeka and Santa Fe Railway* Keith L. Bryant|Frailey Jr. (Fred W.), Fred W. Frailey, 2020-09 Cyrus K. Holliday envisioned a railroad that would run from Kansas to the Pacific, increasing the commerce and prosperity of the nation. With farsighted investors and shrewd management, the Atchison, Topeka and Santa Fe Railway grew from Holliday's idea into a model of the modern, rapid, and efficient railroad. There were many growing pains early on, including rustlers, thieves, and desperadoes as well as the nineteenth century's economic and climatic hardships. The railroad eventually extended from Chicago to San Francisco, with substantial holdings in oil fields, timber land, uranium mines, pipelines, and real estate. This is the first comprehensive history of the iconic Atchison, Topeka and Santa Fe Railway, from its birth in 1859 to its termination in 1996. This volume discusses the construction and operation of the railway, the strategies of its leaders, the evolution of its locomotive fleet, and its famed passenger service with partner Fred Harvey. The vast changes within the nation's railway system led to a merger with the Burlington Northern and the creation of the BNSF Railway. An iconic railroad, the Santa Fe at its peak operated thirteen thousand miles of routes and served the southwestern region of the nation with the corporate slogan Santa Fe All the Way. This new edition covers almost twenty-five more years of history, including the merger of the Santa Fe and Burlington Northern railroads and new material on labor, minorities, and women on the carrier along with new and updated maps and photographs.

eleven city diner history: MICHELIN Guide Chicago 2013 Michelin Travel & Lifestyle, 2012-11-14 MICHELIN Guide Chicago 2013 helps both locals and travelers find great places to eat

and stay with obsessively-researched recommendations to more than 450 restaurants and hotels in a city with a rich gastronomic history. The guide, updated annually, appeals to all tastes and budgets. eleven city diner history: *Hidden History of Youngstown and the Mahoning Valley* Sean T. Posey, 2022 Join the author of *Historic Theaters of Youngstown and the Mahoning Valley* and *Lost Youngstown* in an excavation of forgotten stories from bygone days. Beyond steel and rust, Youngstown and the Mahoning Valley share a rich, but often overlooked past. During the late 1910s, the ever-present smoke blanketing the area could not hide the fires from the burning business district of East Youngstown or the city streets deserted from Spanish influenza. Over twenty years later, the Mahoning Valley lived under another dark cloud, the Great Depression, but instead of violence and destruction, the men and women of the WPA busied themselves with building up the region and dreaming of better days. Journalist and historian Sean Posey excavates the history behind familiar landmarks, forgotten institutions, and historic sites that connect Mahoning Valley history to the story of the evolution of industrial America.

eleven city diner history: New Orleans Rum Mikko Macchione, 2019-04-01 Mix yourself a Hurricane and see New Orleans through a glass of rum. Like a drunken Mardi Gras parade, the history of New Orleans lurches from electrifying highs to heart-rending lows. Through it all, good drink was a constant - especially rum. The victory at the Battle of New Orleans was sealed with a barrel of rum, and a half-hearted implementation of Prohibition a century later certainly didn't dampen the city's spirits. From priests making tafia to modern delights like Old New Orleans and Bayou, rum has always been an integral part of the funky, sultry, crazy story of the Crescent City. Longtime historian and writer Mikko Macchione presents a witty and informative history of the city and its love affair with the sweetest of liquors.

eleven city diner history: The History of Jasper County, Missouri, Including a Condensed History of the State, a Complete History of Carthage and Joplin, Other Towns and Townships F. A. North, 1883

eleven city diner history: Prune Gabrielle Hamilton, 2014-11-04 NEW YORK TIMES BESTSELLER From Gabrielle Hamilton, bestselling author of *Blood, Bones & Butter*, comes her eagerly anticipated cookbook debut filled with signature recipes from her celebrated New York City restaurant Prune. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY PUBLISHERS WEEKLY NAMED ONE OF THE BEST BOOKS OF THE SEASON BY Time • O: The Oprah Magazine • Bon Appétit • Eater A self-trained cook turned James Beard Award-winning chef, Gabrielle Hamilton opened Prune on New York's Lower East Side fifteen years ago to great acclaim and lines down the block, both of which continue today. A deeply personal and gracious restaurant, in both menu and philosophy, Prune uses the elements of home cooking and elevates them in unexpected ways. The result is delicious food that satisfies on many levels. Highly original in concept, execution, look, and feel, the Prune cookbook is an inspired replica of the restaurant's kitchen binders. It is written to Gabrielle's cooks in her distinctive voice, with as much instruction, encouragement, information, and scolding as you would find if you actually came to work at Prune as a line cook. The recipes have been tried, tasted, and tested dozens if not hundreds of times. Intended for the home cook as well as the kitchen professional, the instructions offer a range of signals for cooks—a head's up on when you have gone too far, things to watch out for that could trip you up, suggestions on how to traverse certain uncomfortable parts of the journey to ultimately help get you to the final destination, an amazing dish. Complete with more than 250 recipes and 250 color photographs, home cooks will find Prune's most requested recipes—Grilled Head-on Shrimp with Anchovy Butter, Bread Heels and Pan Drippings Salad, Tongue and Octopus with Salsa Verde and Mimosa'd Egg, Roasted Capon on Garlic Crouton, Prune's famous Bloody Mary (and all 10 variations). Plus, among other items, a chapter entitled "Garbage"—smart ways to repurpose foods that might have hit the garbage or stockpot in other restaurant kitchens but are turned into appetizing bites and notions at Prune. Featured here are the recipes, approach, philosophy, evolution, and nuances that make them distinctively Prune's. Unconventional and honest, in both tone and content, this book is a welcome expression of the cookbook as we know it. Praise for Prune "Fresh, fascinating . . . entirely pleasurable . . . Since 1999, when the chef Gabrielle Hamilton put Triscuits and canned sardines on the first menu of her East Village bistro, Prune, she has nonchalantly broken countless rules of the food world. The rule that a successful restaurant must breed an empire. The rule that chefs who happen to be women should unconditionally support one another. The rule that great chefs don't make great writers (with her memoir, *Blood, Bones & Butter*). And now, the rule that restaurant food has to be simplified and prettied up for home cooks in order to produce a useful, irresistible cookbook. . . . [Prune] is the closest thing to the bulging loose-leaf binder, stuck in a corner of almost every restaurant kitchen, ever to be printed and bound between cloth covers. (These happen to be a

beautiful deep, dark magenta.)”—The New York Times “One of the most brilliantly minimalist cookbooks in recent memory . . . at once conveys the thrill of restaurant cooking and the wisdom of the author, while making for a charged reading experience.”—Publishers Weekly (starred review)

eleven city diner history: *Time Out Chicago* Time Out, 2007 This text offers a behind-the-scenes look at every neighborhood, as well as the full lowdown on quirky towns and lakeshore hideaways beyond the city limits, including reviews of all the major museums and attractions, and guided tours to the paths less traveled. Color photos and maps throughout ensure easy use for any visitor to this city of architectural treasures.

eleven city diner history: *Marching with Dr. King* Cyril Robinson, 2011-07-22 This book shows how a Jewish lawyer utilized his philosophy of prophetic Judaism (a belief in social justice) and his training as a lawyer to become the head of a trade union that formulated policies embodying these social beliefs, bringing many benefits to its members. In 1946, Ralph Helstein was the general counsel for the United Packinghouse Workers Union (UPWA), which had become a predominantly black worker organization. At the time there was a divisive left-right split in the union. As the only individual both sides trusted, Helstein was elected president of the union, thus beginning an era of positive change for the UPWA and its workers. Beyond Helstein's efforts for the UPWA, *Marching with Dr. King: Ralph Helstein and the United Packinghouse Workers of America* also examines the involvement of Helstein in the civil rights movement, his personal association with Martin Luther King, Jr., and how his actions as union president championed the rights of African Americans, women, and even an immigrant group outside the United States—the sugar workers in Puerto Rico. This text presents a unique perspective on the life of a labor leader, revealing the connection between Helstein's religious and philosophical ideas with his leadership of the UPWA union.

eleven city diner history: *Sixty Harvests Left* Philip Lymbery, 2022-08-18 'Powerful, purposeful and persuasive ... This book is transformative. We must read, mark and learn, fast' Michael Morpurgo 'A call to action - to change our world from the ground up. A vitally necessary book' Isabella Tree 'Philip Lymbery pulls no punches in cataloguing the calamitous mistakes we've made in our food system, but he has bold and inspiring solutions to offer, too.' Hugh Fearnley-Whittingstall Taking its title from a chilling warning made by the United Nations that the world's soils could be lost within a lifetime, *Sixty Harvests Left* uncovers how the food industry is threatening the planet. Put simply, without soils there will be no food: game over. And time is running out. From the United Kingdom to Italy, from Brazil to the Gambia to the USA, Philip Lymbery, the internationally acclaimed author of *Farmageddon*, goes behind the scenes of industrial farming and confronts 'Big Agriculture', where mega-farms, chemicals and animal cages are sweeping the countryside and jeopardising the air we breathe, the water we drink, the food we eat and the nature that we treasure. In his investigations, however, he also finds hope in the pioneers who are battling to bring landscapes back to life, who are rethinking farming methods, rediscovering traditional techniques and developing technologies to feed an ever-expanding global population. Impassioned, balanced and persuasive, *Sixty Harvests Left* not only demonstrates why future harvests matter more than ever, but reveals how we can restore our planet for a nature-friendly future.

eleven city diner history: *Classic Diners of Vermont* Erin K. McCormick, 2018-10-29 In the land of mountains, milk and maple syrup, community is culture. Hear the stories of diner owners and their regulars. Whether driving through college towns, along rural country roads or down bustling city streets, the historic diners you'll find are integral to the communities they serve. Over time, Vermont diners have remained gathering places for regulars, locals and travelers alike. So much more than just eateries, places like the Birdseye, Chelsea Royal and the Country Girl Diner are where strangers become friends, where generations learn to understand one another and where simpler times are celebrated. Author Erin McCormick reveals how Vermont's diner culture came to be.

eleven city diner history: *The Automobile in American History and Culture* Michael L. Berger, 2001-07-30 This comprehensive reference guide reviews the literature concerning the impact of the

automobile on American social, economic, and political history. Covering the complete history of the automobile to date, twelve chapters of bibliographic essays describe the important works in a series of related topics and provide broad thematic contexts. This work includes general histories of the automobile, the industry it spawned and labor-management relations, as well as biographies of famous automotive personalities. Focusing on books concerned with various social aspects, chapters discuss such issues as the car's influence on family life, youth, women, the elderly, minorities, literature, and leisure and recreation. Berger has also included works that investigate the government's role in aiding and regulating the automobile, with sections on roads and highways, safety, and pollution. The guide concludes with an overview of reference works and periodicals in the field and a description of selected research collections. The *Automobile in American History and Culture* provides a resource with which to examine the entire field and its structure. Popular culture scholars and enthusiasts involved in automotive research will appreciate the extensive scope of this reference. Cross-referenced throughout, it will serve as a valuable research tool.

eleven city diner history: Futures Edison Carver, 2012-05-09 A hundred years in the future, humans have finally cracked the secrets of time travel. By manipulating the energy in the Higgs Quantum Electromagnetic Field with their minds, individuals can travel freely throughout both space and time but not without a price. Time travelers are disappearing in the past, never to be heard from again and no one knows why. Others are returning from the past and claiming to be from another future, another universe. They are declared insane and locked away in mental asylums. Determined to uncover the truth, two officers from the time travel police force risk everything to get the answers they need. They break all the rules and find themselves in a different future. There, they discover a horrible truth. To make matters worse, three super villains from a distant future have fled to our time in a desperate bid to hide from their own government. A history professor has dabbled with the Higgs Field to help an ancestor in the past, and his efforts have gone horribly wrong. The two time officers must now set things right before it is too late, but they face impossible odds as each action complicates the next, and the past may not be what it once was. With so many agendas and so many histories at stake, can the officers unravel the mysteries and stop the criminals before time itself is compromised?

eleven city diner history: A History of La Crosse, Wisconsin in the Twentieth Century Susan T. Hessel, Gayda Hollnagel, 2007 Written by personal historians, this book is exactly what you would expect. It's filled with stories about the people -- ordinary and extraordinary -- who invented and reinvented La Crosse Again and again.

eleven city diner history: The Magazine of American History with Notes and Queries John Austin Stevens, Benjamin Franklin DeCosta, Henry Phelps Johnston, Martha Joanna Lamb, Nathan Gillett Pond, 1885

eleven city diner history: New York Magazine, 1982-09-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

eleven city diner history: Appendix to the Journals of the House of Representatives of New Zealand New Zealand. Parliament. House of Representatives, 1895

eleven city diner history: My Girlfriend Has Many Cars Brian Poulton, 2019-11-07 Interesting, entertaining reading about Brian's life experiences in dating, flying and politics! **DATING** - raunchy personal experiences with the things every single lady needs to know about dating. **AVIATION**; as a private pilot Brian has had many flying experiences which many a commercial pilot has not had the opportunity to realise! **SOUTH AFRICAN POLITICS** The way Brian sees the downfall of the Republic by reverse apartheid government and corruption. **WHIST** the book is slightly egotistical it is an

interesting, well worth read by a humble and now retired and happy pensioner.

eleven city diner history: Chair City of the World Constance Riley, From the Introduction - This is the story of more than a century in the life of the Timpany, McConnell, Riley, and LaRoche families against the background of the rise and fall of the chairmaking industry in Gardner, Massachusetts. It is a family and social history of people moving from one country to another, showing who we were and who we became. It is a local history as well, providing a rich picture of Gardner's everyday life and special moments in time. Gardner, Massachusetts, is located in Worcester County, not far from the New Hampshire border. In 1785, just before the town of Gardner was incorporated, there were sixty families living within what would become its boundaries. Constance (Connie) is the great granddaughter of Albion McConnell who emigrated in 1869 from Nova Scotia to Gardner, Massachusetts, to work in the chair factories. Her grandfather James Timpany emigrated in 1888, worked in the toy and chair shops, and became Mayor of Gardner in 1933. Riley is also a pioneer, earning a B.A. in Sociology from the University of Massachusetts at age fifty while the mother of eight children. She cofounded the Central Mass. Genealogical Society (CMGS), organized Lucy Stone Commemorative Projects, coordinated Women's Centers in Gardner and Fitchburg, has been active in the Peace Movement from the Vietnam War to the present, and initiated the "Magic of Books" Program to distribute free books to low income children. Riley is recognized in Greater Gardner Women Who Made a Difference.
