**draw me close to you chords: Letters to Bangkok** John Smith, 2011-03-11 Letters to Bangkok is a story of love born on the internet between a practising Thai surgeon and an English University marketing manager. The initial Skype conversations and subsequent letters are true and exact records of written exchanges between two people trying to find love. Below is an extract pages 17, 18 and 19 of the actual book. The Skype Connection September/November 2008 Of all the gin joints in all the towns in all the world, the famous throwaway saying in Casablanca brings me immediately to thinking with amazement how I first met sweet Pen. Reflecting on this momentous meeting, well momentous in terms of its life-changing impact on my small world, I often pose myself one question: How is it possible that two people, effectively total strangers, with widely different backgrounds and experiences can begin a conversation through a chance meeting at a moment in a time and place on a social chat forum called Skype and through that conversation set off additional exchanges leading eventually to two hearts beating as one? (See explanation of the term Skype below.) It must be said at the outset that both Pen and I came to the site with reservations and varying degrees of scepticism born from previous failed and disappointing encounters on Skype, where people come and go with regular monotony, like ships in the night or ghosts briefly haunting the ether space but soon to disappear without a trace. It is the nature of the beast called social Internet chatting that you may find someone interesting and then they disappear, never to be seen or heard of again, with no by your leave, refusing to reply to further communications, leaving you saying, Um, it was definitely something I said!!!! I had an early impression from what Pen said that she was more experienced on Skype in comparison to me, a relative newcomer. But why did Pen and I come to seek out one another in the first place? I was searching initially for company and solace, as I was suffering in a loveless, rather cruel relationship. Despite my experiences, I have always been an optimist, eternally inquisitive and open minded, a peoples person. Setting aside early negative encounters on social sites, I have been blessed with a strong belief in the goodness of human nature and a belief in destiny. Whether I believed that destiny could be found in such a chance and brief encounter is a moot point. I had just come through a long and difficult marriage which had ended de facto, and although I had not made the break physically from my ex-partner, I had signalled my intention to leave, and in mind and spirit, I had disassociated myself from intimacy or any future plans with this failed relationship. So yes, in one sense, although not consciously acknowledged by myself, I was searching for a human being to fill the emotional chasm left by years of mild mental abuse born of being married to an aggressive and sometimes violent alcoholic. I was seeking someone who might be sensitive, caring, supportive, loving, someone who could be my friend and confidant, someone I could trust with my heart, a lover that would be my love for always, not just temporarily, someone that would be my encourager and someone that would share my dreams and let me share hers, and most importantly, someone that would not betray my emotional trust a big shopping order, you might say! And in that respect, I had already decided to cast my net wider, beyond the shores of England, and sought an international partner to be my friend. I was already familiar with some of the attractive qualities that an Asian woman might bring to a relationship: loyalty, selflessness, spirituality, a caring, loving, and generous nature, and rarely abusive of alcohol. I was also physically attracted to the Asian look with their dark eyes, sultry looks, and long dark hair. For Pen, Skype perhaps offered, amongst other things, an opportunity to d

Porter, 2024-09-30 This unique volume brings together wide-ranging research that could only be written by someone singularly expert in the full range of Christian worship and music from ancient to modern. These essays by Wendy Porter span eras and areas of study from the New Testament to the present and encompass an expansive view of worship, music, and liturgy. Some focus on what is known (or not) about early Christian worship, including the early creeds and hymns in the New Testament and whether music originated in Jewish or Greco-Roman contexts. Some introduce firsthand work on ancient liturgical manuscripts, such as a sixth-century manuscript by hymnwriter and preacher Romanos Melodus or a tenth-century ekphonic liturgical manuscript. Extending her research on sixteenth-century English composers as musical interpreters, Porter includes several papers on how musicians have functioned as theological interpreters in worship and music. One chapter engages theological comparisons between well-known compositions by Bach, Beethoven, and Stravinsky, another creatively explores what contemporary worship leaders can learn from sixteenth-century songwriter and worship leader William Byrd, while others invite thoughtful reflection on what we can all learn if we stop to consider how Christians have functioned and fared in their worship through the centuries.

**draw me close to you chords: Apart from Love** Uvi Poznansky, 2012-02-15 Apart from Love is not your typical love story. All-consuming, heart-wrenching, and dark, it is an epic that starts when Ben returns to meet his father, Lenny, and his new wife, Anita. It is then that he discovers a family secret. How will they find a path out of conflicts, out of isolation, from guilt to forgiveness? My Own Voice ("As told by Anita"): Ten years ago, Anita started an affair with Lenny, in spite of knowing that he was married and that his wife was succumbing to a mysterious disease. Now married to him and carrying his child, how can she compete with Natasha's shadow and with her brilliance in the past? Given Anita's lack of education, how can she resist his compelling wish to transform her? Can she survive his kind of love? Faced with the way he writes her as a character in his book, how can Anita find a voice of her own? And when his estranged son, Ben, comes back and lives in the same small apartment, can she keep the balance between the two men, whose desire for her is marred by guilt and blame? The White Piano ("As told by Ben"): Coming back to his childhood home after years of absence, Ben is unprepared for the secret, which is now revealed to him: his mother, Natasha, who used to be a brilliant pianist, is losing herself to early-onset Alzheimer's, which turns the way her mind works into a riddle. His father has remarried, and his new wife, Anita, looks remarkably similar to Natasha—only much younger. In this state of being isolated, being apart from love, how will Ben react to these marital affairs, when it is so tempting to resort to blame and guilt? "In our family, forgiveness is something you pray for, something you yearn to receive—but so seldom do you give it to others." Behind his father's back, Ben and Anita find themselves increasingly drawn to each other. They take turns using an old tape recorder to express their most

intimate thoughts, not realizing at first that their voices are being captured by him. These tapes, with his eloquent speech and her slang, reveal the story from two opposite viewpoints. Dealing with the challenging prospects of the marriage of opposites, this book can be read as a standalone novel as well as part of one of family sagas best sellers. Still Life with Memories is a family saga series tinged with family saga romance, fraught with marital issues, and riddled with the difficulty of connecting fathers and sons.

**draw me close to you chords:** *Fubar* Chuck Hastings, 2000-07-21 `FUBAR is the story of Thor Evensens ruin and recovery, of Rachel Risdahls fateful choice between two men, and of Rachels daughter Glenda growing up wiser and stronger than her mother. Its set in the Seattle high-tech suburbs of Bellevue and Redmond, in the mid-1990s. Once Thor had been a successful engineering manager, with a wife and three children and a big new house. He loses it all within the space of three weeks: Hes downsized out of his job, his headstrong small son Thor Jr. has a fatal accident while in his care, and his bitter wife Marie sues him for divorce. Abruptly, Thor is reduced to a struggling newly-single guy, initially unemployed and staying with his parents, and then moving to a rented room. When he does find a new position, its a manufacturers-representative sales job for which he considers himself ill-suited. At first he feels overwhelmed and beaten. He tells his parents that his life is FUBAR (Fouled Up Beyond All Repair, in the polite version). But they refuse to let him give up on himself. He works hard to make a go of it, and his fortunes slowly improve. He even buys

a small condo. While driving back from a sales trip to Spokane, hes caught in a blizzard in Snoqualmie Pass, and forced off the road by a reckless driver into a deep snowdrift. He rents the last available room in a nearby ski lodge, and winds up sharing it chastely with Rachel Risdahl, R.N., after her car quits. Thor and Rachel hit it off well, go out to dinner on the following day after theyre both back in Seattle, and begin a passionate relationship. Rachel is beautiful, but has poor self-esteem. Shes very self-conscious about being half Tlingit Native American, despite her Norwegian surname. A few days later, Thor and Rachel are preparing Christmas dinner in her townhouse, when her rich and abusive ex-boyfriend Skip Eastman shows up. Theres a melee; her spunky high-school-senior daughter Glenda calls the police. They arrive. Skip flees, and is arrested on his way home, but posts bail. Three months later, while Thor is out of town on business during bad weather, Skip reappears and gets Rachel back by bribing her with a two-week trip to Hawaii. Thor telephones Rachel from Spokane and reaches Glenda. Glenda is outraged at her mother for going back to Skip. She pleads with Thor to keep on being her surrogate stepfather, at her school events. Thor is devastated, but tries to pick himself up and go on. He has a brief fling with his firms office manager, and goes out with his bosss sexy cousin for a few weeks. Skip beats Rachel severely; shes hospitalized. But when she gets out, she goes back to Skip and even moves in with him. Rachel gets fired from her job. Her ex-husband dies and leaves her and Glenda well off. Glenda remains living in Rachels townhouse, renting an extra bedroom to a classmate from Japan. Thor teams up, innocently, with the two attractive girls for most of his social life. Thors small daughter Tonja comes along, whenever Thor has her for visitation. Glenda is gorgeous, like her mother. Thor has an insistent and powerful undercurrent of sexual feelings for her, but scrupulously conceals them. Skip beats Rachel up yet once again, and then leaves on a two-day business trip. Rachel splits with him, packs her things, and returns to her own townhouse. Skip comes home early and discovers Rachels goodbye note to him, heads over there in a murderous rage, and chops through her front door with an axe. Glenda flees through an upstairs window. Rachel stays behind, calmly insisting that she can handle him. Glenda calls the police on her cellular telephone. While shes speaking with the dispatcher, she hears several gunshots; soon after that, sirens. She seeks refuge at Thors place. Skip drives away at high speed, pursued by four police cars, and has a fatal rollover accident
