emma should be writing: Self Contained Emma John, 2021-05-06 There is a piece of cod-wisdom regularly dispensed to single women: romance will arrive when you least expect it. I had assumed it would also make its own travel arrangements too. Emma John is in her 40s; she is neither married, nor partnered, with child or planning to be. In her hilarious and unflinching memoir, *Self Contained*, she asks why the world only views a woman as complete when she is no longer a single figure and addresses what it means to be alone when everyone else isn't. In her book, she captures what it is to be single in your forties, from sharing a twin room with someone you've never met on a group holiday (because the couples have all the doubles with ensuite) to coming to the realisation that maybe your singleness isn't a temporary arrangement, that maybe you aren't pre-married at all, and in fact you are self-contained. The book is an exploration of being lifelong single and what happens if you don't meet the right person, don't settle down with the wrong person and realise the biggest commitment is to yourself.

emma should be writing: *Grandma Gatewood's Walk* Ben Montgomery, 2014-04-01 Winner of the 2014 National Outdoor Book Awards for History/Biography Emma Gatewood told her family she was going on a walk and left her small Ohio hometown with a change of clothes and less than two hundred dollars. The next anybody heard from her, this genteel, farm-reared, 67-year-old great-grandmother had walked 800 miles along the 2,050-mile Appalachian Trail. And in September 1955, having survived a rattlesnake strike, two hurricanes, and a run-in with gangsters from Harlem, she stood atop Maine's Mount Katahdin. There she sang the first verse of America, the Beautiful and proclaimed, I said I'll do it, and I've done it. Grandma Gatewood, as the reporters called her, became the first woman to hike the entire Appalachian Trail alone, as well as the first person—man or woman—to walk it twice and three times. Gatewood became a hiking celebrity and appeared on TV

and in the pages of Sports Illustrated. The public attention she brought to the little-known footpath was unprecedented. Her vocal criticism of the lousy, difficult stretches led to bolstered maintenance, and very likely saved the trail from extinction. Author Ben Montgomery was given unprecedented access to Gatewood's own diaries, trail journals, and correspondence, and interviewed surviving family members and those she met along her hike, all to answer the question so many asked: Why did she do it? The story of Grandma Gatewood will inspire readers of all ages by illustrating the full power of human spirit and determination. Even those who know of Gatewood don't know the full story—a story of triumph from pain, rebellion from brutality, hope from suffering.

emma should be writing: *The Complete Novels* Jane Austen, 2006-03-28 Now in Penguin Classics Deluxe: a treasure trove of Jane Austen's novels Few novelists have conveyed the subtleties and nuances of their own social milieu with the wit and insight of Jane Austen. Here in one volume

are her seven great novels: *Sense and Sensibility*, *Pride and Prejudice*, *Mansfield Park*, *Emma*, *Northanger Abbey*, *Persuasion*, and *Lady Susan*. Through her vivacious and spirited heroines and their circle, Austen vividly portrays English middle-class life as the eighteenth century came to a close and the nineteenth century began. Each of the novels is a love story and a story about marriage—marriage for love, for financial security, for social status. But they are not romances; ironic, comic, and wise, they are masterly evocations of the society Jane Austen observed. This beautiful volume covers the literary career of one of England's finest prose stylists of any century. • A Penguin Classics Deluxe Edition with French flaps and luxurious packaging • Features the definitive Penguin Classics texts recommended by the Jane Austen Society • New introduction by bestselling author of *The Jane Austen Book Club* Karen Joy Fowler For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. emma should be writing: *The Complete Novels of Jane Austen* Jane Austen, 2007 Jane Austen is without question, one of England's most enduring and skilled novelists. With her wit, social precision, and unerring ability to create some of literature's most charismatic and believable heroines, she mesmerises her readers as much today as when her novels were first published. Whether it is her sharp, ironic gaze at the Gothic genre invoked by the adventures of Catherine Morland in *Northanger Abbey*; the diffident and much put-upon Fanny Price struggling to cope with her emotions in *Mansfield Park*; her delightfully paced comedy of manners and the machinations of the sisters Elinor and Marianne in *Sense and Sensibility*; the quiet strength of Anne Elliot in *Persuasion* succeeding in a world designed to subjugate her very existence; and *Emma* - 'a heroine whom no one but myself will like' teased Austen - yet another irresistible character on fire with imagination and foresight. Indeed not unlike her renowned creator. Jane Austen is as sure-footed in her steps through society's whirlpools of convention and prosaic mores as she is in her sometimes restrained but ever precise and enduring prose.

emma should be writing: *Royally Endowed* Emma Chase, 2017-08-14 Logan St. James is a smoldering, sexy beast. Sure, he can be a little broody at times—but Ellie Hammond's willing to overlook that. Because, have you seen him?? Sexy. As. Hell. And Ellie's perky enough for both of them. For years, she's had a crush on the intense, protective royal security guard—but she doesn't think he ever saw her, not really. To Logan, Ellie was just part of the job—a relative of the royal family he'd sworn to protect. Now, at 22 years old and fresh out of college, she's determined to put aside her X-rated dreams of pat-downs and pillow talk, and find a real life happily ever after. The Queen of Wessco encourages Ellie to follow in her sister's footsteps and settle down with a prince of her own. Or a duke, a marquis...a viscount would also do nicely. But in the pursuit of a fairy tale ending, Ellie learns that the sweetest crushes can be the hardest to let go. *** Logan St. James grew up on the wrong side of the tracks, in a family on the wrong side of the law. But these days, he covers his tattoos and scars with a respectable suit. He's handsome, loyal, brave, skilled with his hands and...other body parts. Any woman would be proud to bring him home to her family. But there's only one woman he wants. For years he's watched over her, protected her, held her hair back when she was sick, taught her how to throw a punch, and spot a liar. He dreams of her. Would lay down his life for her. But beautiful Ellie Hammond's off-limits. Everybody knows the bodyguard rules: Never lose focus, never let them out of your sight, and never, ever fall in love.

emma should be writing: Local Literacies Glenys Waters, 2024-09-10 While many books have been written about basic literacy, few offer detailed information on how to plan and carry out a community literacy project. Fewer still give guidance in tackling the additional barriers of language, culture, and logistics in developing countries and in treating the local community as an active partner rather than a passive recipient in the literacy process. In *Local Literacies: Theory and Practice*, Glenys Waters includes these elements and presents a practical guide for developing a literacy program. Beginning with a discussion of the theories of learning and reading, the author provides a detailed description of how to plan and organize a literacy program when the practitioner has little to go on but wit, knowledge, and determination. With approximately one half of the book given to the development of instructional methods and materials in reading, writing, and basic math, *Local Literacies* will be especially helpful to those doing literacy work in linguistically diverse settings in much of the developing world. The reader will quickly discover that this is a book written by a person who has "been there and done that." Waters has spent more than twenty years in Australia and Papua New Guinea, both as a practitioner and a consultant in programs of literacy for adults and children. This personal experience, plus a thorough knowledge of the professional literature, makes *Local Literacies* a "must" for the pioneering literacy worker.

emma should be writing: Jane's Fame Claire Harman, 2010-03-02 Jane's Fame tells the fascinating story of Jane Austen's renown, from the years of rejection the author faced during her lifetime to the global recognition and adoration she now enjoys. Almost two hundred years after her death, Austen remains a hot topic, constantly open to revival and reinterpretation and known to millions of people through film and television adaptations as much as through her books. In Jane's Fame, Claire Harman gives us the complete biography—of both the author and her lasting cultural influence—making this essential reading for anyone interested in Austen's life, works, and remarkably potent fame.
