

Fort Benning Basic Training 2022

Fort Benning Basic Training 2022: A Comprehensive Guide for Recruits and Families

Are you or someone you know preparing for Fort Benning Basic Combat Training (BCT) in 2022? The prospect of military training can be daunting, filled with unknowns and anxieties. This comprehensive guide aims to illuminate the process, offering insights into what to expect during Fort Benning's rigorous BCT program in 2022 and beyond. We'll cover everything from the initial steps to graduation, providing valuable information for both recruits and their supporting families. Let's dive in and demystify the Fort Benning Basic Training experience.

What to Expect During Fort Benning Basic Training

Fort Benning, located in Columbus, Georgia, serves as the primary training location for the U.S. Army's Infantry and Armor branches, as well as numerous other military occupational specialties (MOS). Basic Combat Training at Fort Benning is notoriously challenging, designed to transform civilians into highly disciplined soldiers. The program is physically and mentally demanding, pushing recruits to their limits and beyond.

The Initial Reception Process:

The first few days at Fort Benning involve processing, receiving uniforms, and undergoing a series of medical and administrative checks. This period, while seemingly mundane, sets the stage for the intense training to come. Expect paperwork, vaccinations, and getting acquainted with the military environment.

Physical Training (PT):

Physical fitness is paramount. Expect rigorous PT sessions, often twice a day, encompassing calisthenics, running, and other exercises designed to build strength, endurance, and teamwork. The intensity increases progressively throughout the training cycle. Prior physical conditioning is highly beneficial but not a guarantee of success. Consistent effort and perseverance are key.

Combat Skills Training:

This forms the core of BCT. Recruits learn fundamental soldiering skills, including marksmanship, weapons handling, fieldcraft, basic first aid, and land navigation. This involves extensive time on the range, in the field, and in simulated combat scenarios. Drill sergeants enforce strict discipline and precision, pushing recruits to master these crucial skills.

Teamwork and Leadership:

Fort Benning's BCT isn't solely about individual skills; teamwork and leadership are emphasized. Recruits work together in squads and platoons, learning to rely on one another and develop leadership qualities. This collaborative aspect is critical for success in the military and beyond.

Mental Fortitude:

The mental demands are as significant as the physical ones. Recruits face constant pressure, sleep deprivation, and challenging situations designed to test their resilience. Developing mental toughness is a crucial part of the training, fostering self-discipline and adaptability.

Life Beyond the Training Grounds:

While the training is demanding, recruits also have downtime, though limited. They receive mail, make occasional phone calls, and may have limited access to certain amenities. Families play a crucial role in supporting recruits during this time, offering encouragement and maintaining contact.

Fort Benning Basic Training 2022 Updates:

While the core curriculum remains consistent, minor adjustments and updates to the training program are regularly implemented to reflect evolving military needs and best practices. Checking the official U.S. Army website for the most current information is always recommended.

Preparing for Fort Benning Basic Training:

Preparation is key. Physical fitness is crucial, but so is mental preparedness. Researching the program, understanding the expectations, and fostering a strong support network at home will all significantly enhance a recruit's chances of success.

Supporting Your Recruit at Fort Benning:

Family and friends play a vital role. Staying in contact (through approved methods), sending care packages, and providing emotional support can significantly boost a recruit's morale and well-being throughout their training.

Conclusion:

Fort Benning Basic Training in 2022, like in previous years, is a transformative experience. It's a challenging but rewarding journey that shapes individuals into capable soldiers. Understanding the process, preparing adequately, and providing strong support to recruits will contribute to their success and help them navigate this significant milestone in their lives.

Frequently Asked Questions (FAQs):

1. How long is Basic Combat Training at Fort Benning? Basic Combat Training at Fort Benning typically lasts around 10 weeks, although this can vary slightly depending on the MOS and individual circumstances.
2. Can I visit my recruit during training? Visits are generally restricted during BCT. There might be limited opportunities towards the end of training, but it's best to check with the recruit's unit for

specific policies.

3. What should I pack for my recruit's care package? Non-perishable snacks, toiletries, letters, and photos are generally appreciated. Check the specific guidelines provided by the Army for care package regulations.

4. What if my recruit is struggling? Maintaining open communication with your recruit and their chain of command is essential. If you have concerns, reach out to their unit for guidance and support.

5. What happens after Basic Combat Training? After completing BCT, recruits will typically proceed to Advanced Individual Training (AIT) to receive specialized training in their chosen military occupational specialty (MOS). The location of AIT will vary depending on the MOS.

fort benning basic training 2022: Fort Benning, Maneuver Center of Excellence , 2009

fort benning basic training 2022: *Making the Corps* Thomas E. Ricks, 1998 Inside the marine corps and what it takes to become One of the few, the proud, the Marines.

fort benning basic training 2022: *An Army Afire* Beth Bailey, 2023-03-15 By the late 1960s, what had been widely heralded as the best qualified, best-trained army in US history was descending into crisis as the Vietnam War raged without end. Morale was tanking. AWOL rates were rising. And in August 1968, a group of Black soldiers seized control of the infamous Long Binh Jail, burned buildings, and beat a white inmate to death with a shovel. The days of same mud, same blood were over, and a new generation of Black GIs had decisively rejected the slights and institutional racism their forefathers had endured. As Black and white soldiers fought in barracks and bars, with violence spilling into surrounding towns within the US and in West Germany, Vietnam, South Korea, and Japan, army leaders grew convinced that the growing racial crisis undermined the army's ability to defend the nation. Acclaimed military historian Beth Bailey shows how the US Army tried to solve that racial crisis (in army terms, the problem of race). Army leaders were surprisingly creative in confronting demands for racial justice, even willing to challenge fundamental army principles of discipline, order, hierarchy, and authority. Bailey traces a frustrating yet fascinating story, as a massive, conservative institution came to terms with demands for change.

fort benning basic training 2022: The Blink of an Eye Jack Carnegie, 2022-04-15 It's 1945 and the story of one family's war is about to begin. From the calm fields of Sweet Water, Alabama and the hell of Okinawa to the dawn of a nuclear age and its awful potential, Solly, Silace and Sky George bear witness to the brutality of war and the unleashing of a new and terrible weapon. The family upbringing of love and friendship bonds them tightly together but will it be enough on the long and uncertain road ahead.

fort benning basic training 2022: Birth of a Regiment Frank van Lunteren, 2022-09-06 Activated in May 1942, the 504th Parachute Infantry Regiment earned high praise for its very first mission when it effected the first U.S. mass regimental combat jump of World War II in the invasion of Sicily. According to German General Kurt Student, "if it had not been for the Allied airborne forces blocking the tanks of the Hermann Göring Division from reaching the beachhead, that Division would have driven the initial seaborne forces back into the sea." Led by Col. Reuben Tucker, the 504th subsequently dropped into the endangered Fifth U.S. Army beachhead at Salerno; bitter fighting led to hard-won success at Altavilla and Hill 424 and the regimental motto "Strike and Hold." Birth of a Regiment is the first book-length account of the birth of U.S. airborne forces, and the first to fully capture the details, danger, and crucial stakes of the initial 504th missions in the unforgettable voices of the newly minted paratroopers who fought the first Allied battles in the ETO up through the victorious entry into Naples. These initial missions were all the more important, in that they would determine future Allied strategy, planning, and tactics. It is not to be forgotten that

Sicily was a testing ground for the Allied coalition: the first time an American army and a British army, managed at the top by a unified Allied staff, would undertake a major campaign. According to James M. Gavin, the Commanding General of the 82nd ABD at the end of the war, who had jumped into Sicily himself: "What was learned in that first cooperative action affected the whole outcome of World War II." Personally interviewed by the author over a period of 20 years, nearly 200 veterans of the 504th recount their remembrance of combat, permitting readers of *Birth of a Regiment* to relive epic battles of the ETO through the words of the very men who made history. Participants include survivors and witnesses of the tragic decimation of 23 aircraft and the death of 164 paratroopers and crew when U.S. troops mistook them for the enemy and fired on their planes as they flew into Sicily. Veterans recount the ferocious, desperate battle at Biazzi Ridge, and the later regimental action at the Salerno Beachhead, where the 504th crucially took Hill 424 after a night drop and seaborne landing. Having undisputedly proven their prowess, Tucker's troopers were chosen to spearhead the Fifth Army drive into Naples. These dramatic, unforgettable memories of the war provide new information from the foxhole view on up, giving historians and lay readers alike fresh perspective on the initial U.S. engagements in WWII and the difficult birth of Allied airborne operations. The volume is enriched by new maps and historic archival photos, including many previously unpublished photos and provided by 504th veterans.

fort benning basic training 2022: *Oliver Logan and the Witness Tree* R. D. Slover, 2022-11-03 When young Oliver Logan tragically loses his mom, he moves into the home of his aunt and uncle. Although he is lovingly welcomed by his new family, Oliver discovers a special feeling of peace and solace whenever he climbs into the embracing branches of a large and ancient sycamore tree, which grows beside the family garage. Oliver adjusts to life in his new home and makes friends at school, but he continuously finds himself seeking the comfort of his special seat high up in the spreading branches of that old sycamore. It is during these times that Oliver gradually and unwittingly becomes familiar with long past events that occurred in the very neighborhood in which he now lives, and his newfound knowledge comes from a very surprising and unexpected source.

fort benning basic training 2022: *Shield of David* Chaim M. Rosenberg, 2022-11-29 Jews first arrived in the New World in 1654, seeking religious freedom. Since the beginning of American nationhood, Jewish volunteers and conscripts fought in the Revolutionary War, the War of 1812, on both sides of the Civil War, the Spanish-American War, in both World Wars, and in the Korean, Vietnam, Iraq and Afghanistan wars. Over the years, the American military learned to integrate its Jewish servicemen and women by providing Jewish military chaplains, kosher food, religious services, and placing the Star of David on the graves of fallen Jewish soldiers. The end of conscription and the establishment of the All-Volunteer Force in 1973 offered other paths to serve our country. American Jews have contributed with distinction in the arts and sciences, academia, entertainment, government, and in building the economy. For Jews, America is the Goldene Medina—the Golden Country.

fort benning basic training 2022: *A Sacred Oath* Mark T. Esper, 2022-05-10 INSTANT NEW YORK TIMES BESTSELLER Former Secretary of Defense Mark T. Esper reveals the shocking details of his tumultuous tenure while serving in the Trump administration. From June of 2019 until his firing by President Trump after the November 2020 election, Secretary Mark T. Esper led the Department of Defense through an unprecedented time in history—a period marked by growing threats and conflict abroad, a global pandemic unseen in a century, the greatest domestic unrest in two generations, and a White House seemingly bent on breaking accepted norms and conventions for political advantage. *A Sacred Oath* is Secretary Esper's unvarnished and candid memoir of those extraordinary and dangerous times, and includes events and moments never before told.

fort benning basic training 2022: *Warrior Spirit* Herman J. Viola, 2022-03-17 For decades, American schoolchildren have learned only a smattering of facts about Native American peoples, especially when it comes to service in the U.S. military. They might know that Navajos served as Code Talkers during World War II, but more often they learn that Native Americans were enemies of the United States, not allies or patriots. In *Warrior Spirit*, author Herman J. Viola sets the record

straight by highlighting the military service—and major sacrifices—of Native American soldiers and veterans in the U.S. armed services. American Indians have fought in uniform in each of our nation's wars. Since 1775, despite a legacy of broken treaties, cultural suppression, and racial discrimination, indigenous Americans have continued to serve in numbers that far exceed their percentage of the general U.S. population. Warrior Spirit introduces readers to unsung heroes, from the first Native guides and soldiers during the Revolutionary War to those servicemen and -women who ventured to Vietnam, Iraq, and Afghanistan. This outstanding record of service begs a question: Why do American Indians willingly serve a country that has treated them so poorly? Native veterans invariably answer that they are a warrior people who have a sacred obligation to defend their homeland and their families. Written to be accessible to young adult readers, Warrior Spirit is a valuable resource for any reader interested in Native American military history.

fort benning basic training 2022: Storm Rising Chris Hauty, 2022-05-03 A mystery from covert agent Hayley Chill's past leads her into the depths of a white supremacy conspiracy that threatens to ignite a second Civil War--

fort benning basic training 2022: Rabbit's Poetry Christopher Laramie, 2022-11-24 A thing I thought of years ago at Mc Gregor Range, New Mexico. Little did I know on that night run I had either a delusion, or an abduction. I just remember my watch stopped and confusion. Told my friends too. In the desert at night running. I puked like 95% of my runs. I was also called "Rabbit". I was good at long distance running. When I finished, they played the kazoo. Even one alien could prove true and in a zoo. No one believed it to be true. They had no clue. Found a zapped cow. A short moo, steaks precooked for you. An alien cooked that, what I said was true and we also made stew. In Rabbit's Poetry, author Christopher Laramie offers an eclectic collection of humorous, creative, and sometimes furious poems. Written by an Iraq war veteran, these selections touch on a wide variety of topics from Laramie's life. His imaginative and heartfelt selections include a look at everything from graduating from airborne school, to exploring the world of wild mushrooms, his military service, to living life in Michigan, and much more. Laramie's poetry, composed as a coping mechanism, gives unique insight into his thoughts, feelings, and emotions.

fort benning basic training 2022: Punishment and Good Deeds Andrew C. McDonald, 2022-11-03 Recently retired Air Force commando Thomas Mazuko was looking forward to a quiet future spent teaching karate in his small Tampa, Florida, studio. His dreams were of little more than days on the sandy beaches and nights in the company of his wife and children. Little did he know that his instinctive reaction to witnessing the mugging of an elderly woman would set in motion a chain of events that would drastically alter the course of his life. By sheer accident, Mazuko becomes a primary target for the wrath of a powerfully connected local syndicate figure. When the wealthy and egomaniacal Martin DeValdez sends out wise guys to teach this upstart a lesson Mazuko's foster son and a young student are caught up the maelstrom of uncontrolled chaos. As the level of violence escalates, Mazuko realizes that he has become the target of vengeance of a man who will stop at nothing to right what he perceives as personal wrongs. With the body count rising and the lives of his tenaEURyearaEURold daughter and twoaEURyearaEURold son, as well as the lives of friends, new and old, hanging in the balance, Mazuko must set aside his plans for a quiet retirement and return to the skills of his past in order to fight for his life and the lives of his children.

fort benning basic training 2022: The Greatest Evil is War Chris Hedges, 2022-09-20 An unflinching indictment of the horror and obscenity of war by one of our finest war correspondents. Drawn from experience and interviews by Pulitzer-prize-winner Chris Hedges, this book looks at the hidden costs of war, what it does to individuals, families, communities and nations. In fifteen short chapters, Chris Hedges astonishes us with his clear and cogent argument against war, not on philosophical grounds or through moral arguments, but in an irrefutable stream of personal encounters with the victims of war, from veterans and parents to gravely wounded American serviceman who served in the Iraq War, to survivors of the Holocaust, to soldiers in the Falklands War, among others. Hedges reported from Sarajevo, and was in the Balkans to witness the collapse of the Soviet Union. In 2002 he published War Is a Force that Gives Us Meaning, which the Los

Angeles Times described as “the best kind of war journalism... bitterly poetic and ruthlessly philosophical” and the New York Times called “a brilliant, thoughtful, timely, and unsettling book.” In the twenty years since, Hedges has not wanted to write another book on the subject of war—until now, with the outbreak of war in Ukraine. It is important again to be reminded who are the victors of the spoils of war and of other unerring truths, not only in this war but in all modern wars, where civilians are always the main victims, and the tools and methods of war are capable of so much destruction it boggles the mind. This book is an unflinching indictment of the horror and obscenity of war by one of our finest war correspondents.

fort benning basic training 2022: Whole Earth John Markoff, 2022-03-22 Told by one of our greatest chroniclers of technology and society, the definitive biography of iconic serial visionary Stewart Brand, from the Merry Pranksters and the generation-defining Whole Earth Catalog to the marriage of environmental consciousness and hacker capitalism and the rise of a new planetary culture—the story behind so many other stories Stewart Brand has long been famous if you know who he is, but for many people outside the counterculture, early computing, or the environmental movement, he is perhaps best known for his famous mantra “Stay Hungry. Stay Foolish.” Steve Jobs’s endorsement of these words as his code to live by is fitting; Brand has played many roles, but one of the most important is as a model for how to live. The contradictions are striking: A blond-haired WASP with a modest family inheritance, Brand went to Exeter and Stanford and was an army veteran, but in California in the 1960s he became an artist and a photographer in the thick of the LSD revolution. While tripping on acid on the roof of his building, he envisioned how valuable it would be for humans to see a photograph of the planet they shared from space, an image that in the end landed on the cover of his Whole Earth Catalog, the defining publication of the counterculture. He married a Native American woman and was committed to protecting indigenous culture, which connected to a broader environmentalist mission that has been a through line of his life. At the same time, he has outraged purists because of his pragmatic embrace of useful technologies, including nuclear power, in the fight against climate change. The famous tagline promise of his catalog was “Access to Tools”; with rare exceptions he rejected politics for a focus on direct power. It was no wonder, then, that he was early to the promise of the computer revolution and helped define it for the wider world. Brand’s life can be hard to fit onto one screen. John Markoff, also a great chronicler of tech culture, has done something extraordinary in unfolding the rich, twisting story of Brand’s life against its proper landscape. As Markoff makes marvelously clear, the streams of individualism, respect for science, environmentalism, and Eastern and indigenous thought that flow through Brand’s entire life form a powerful gestalt, a California state of mind that has a hegemonic power to this day. His way of thinking embraces a true planetary consciousness that may be the best hope we humans collectively have.

fort benning basic training 2022: Dreamland Nicholas Sparks, 2022-09-20 #1 NEW YORK TIMES BESTSELLER • A twist you won’t see coming. A love story you’ll never forget. From the acclaimed author of The Notebook comes a powerful novel about risking everything for a dream—and whether it’s possible to leave the past behind. We don’t always get to choose our paths in life; sometimes they choose us. ONE OF THE BEST BOOKS OF THE YEAR: PopSugar After fleeing an abusive husband with her six-year-old son, Tommie, Beverly is attempting to create a new life for them in a small town off the beaten track. Despite their newfound freedom, Beverly is constantly on guard: she creates a fake backstory, wears a disguise around town, and buries herself in DIY projects to stave off anxiety. But her stress only rises when Tommie insists he’d been hearing someone walking on the roof and calling his name late at night. With money running out and danger seemingly around every corner, she makes a desperate decision that will rewrite everything she knows to be true. . . . Meanwhile, Colby Mills is on a heart-pounding journey of another kind. A failed musician, he now heads a small family farm in North Carolina. Seeking a rare break from his duties at home, he spontaneously takes a gig playing in a bar in St. Pete Beach, Florida, where he meets Morgan Lee—and his whole life is turned upside-down. The daughter of affluent Chicago doctors, Morgan has graduated from a prestigious college music program with the ambition to move to

Nashville and become a star. Romantically and musically, she and Colby complete each other in a way that neither has ever known. In the course of a single unforgettable week, two young people will navigate the exhilarating heights and heartbreak of first love. Hundreds of miles away, Beverly will put her love for her young son to the test. And fate will draw all three people together in a web of life-altering connections . . . forcing each to wonder whether the dream of a better life can ever survive the weight of the past.

fort benning basic training 2022: let them grow Warren J Joyce, 2022-12-14 We have been given great examples in the Bible of how to allow for growth in us and others. These examples must leap from the pages of that great book into our daily lives for them to have any effect on us or our children. As parents, we desire our children to follow godly principles and learn from their mistakes. In let them grow, Warren Joyce uses many of his personal experiences with these biblical examples to show how they can be applied directly to our lives. From the pages of the Bible to the pages of let them grow we see how Warren has implemented these principles into daily life. Let them grow brings clarity to the questions many parents have on how to apply the biblical principles they have read in the Bible for years. Ultimately, we want to grow in God and we want our children to grow in God, let them grow will help you do both.

fort benning basic training 2022: Warflower: A True Story of Family, Service, and Life in Alaska Robert Stark, 2022-06-01 Bob Stark had no plans after high school. With his brother locked away in the only maximum-security prison in Alaska, his mom working overtime at the local grocery store, and his bad habits getting worse, he saw no hope for the future. Until the Army recruiter came to school offering an escape. Bob envisioned romantic adventures in Italy, life-saving missions in Africa, and friendships built on tough times - he wanted to be an honorable, dependable, and brave man - all of the things he was not. He signed the papers, and five days after graduation was sent out. After basic training and airborne school, Bob is stationed in Italy where his eighteen-year-old dreams of travel and romance are cut short when his unit is ordered to parachute into Northern Iraq. He spends the next year in Iraq learning more than he could have ever imagined. Four and a half years later, after two deployments and a long list of life lessons, Bob leaves Fort Campbell, Kentucky on a road trip west with the hopes of falling in love with the country he fought for. Along the way, he reunites with family and friends - from his happy-go-lucky mother in Arizona who talks to her incarcerated husband on the phone whenever she is not at work, to his foul-mouthed grandmother in Idaho who wears one glove and drinks beer with ice all day long, until finally reuniting with his high school sweetheart in Las Vegas - Bob begins a new chapter of self-discovery and acceptance that just may allow him to be the man he always wanted to be. Warflower is a coming-of-age story about family traditions, brotherhood, and one boy's journey into manhood without a father to teach him.

fort benning basic training 2022: Lemon and Lavender S. M. Aichele, 2022-07-11 Lemon and Lavender follows the story of high school English teacher, Nick, whose wife comes home on the last day of term and announces that she's been cheating on him. Unable to cope with confrontation, Nick does what he does best and leaves, heading for Colorado to visit the mother of an old military buddy who died in action years before. After this visit, Nick continues on to the small Colorado mountain town of Thede, where, having decided that there's little left to live for, he tries drinking himself to death. But just when life seems to have played its last card for Nick, he meets Hannah. Soon he is back on track, and with an odd assortment of locals to help him, he finally sees that there could be life after wife. But fate hasn't finished playing with Nick yet and his failure to tell Hannah everything means that the past is ready to interrupt his plans for a better future once more.

fort benning basic training 2022: Wisdom and Folly: A Book of Devotional Doggerel Joe Long, 2022-08-05 Wisdom and Folly is a book of Scripture-inspired light verse meant to instruct and amuse. These sixty poems draw upon Old Testament verses to reflect upon our contemporary scene. They may make you chuckle, groan, or sigh, but they'll also make you think.

fort benning basic training 2022: Surfing the Flint Hills O. M. Amos, 2022-06-15 When the road not taken refuses to remain a memory, Nolan Roberts is forced to reevaluate his tranquil life as

a professor at a small liberal arts college in the middle of the Flint Hills. A cryptic note from his estranged wife, absent from his life for almost two decades, prompts Professor Roberts and his eccentric colleague, Thaddeus York, to unravel the mystery: What happened to Ana Roberts? The duo's investigation prompts unwanted attention from a suspicious private investigator, with nefarious plans for Nolan's wife, and a pair of covert operatives, seeking to terminate their inquiry by any means possible. Along the way the duo enlists the assistance of a computer savant, a Los Angeles madam and one of her 'girls,' and former members of Nolan's rock band. Can they uncover the mystery of Ana Roberts before it's too late—for her and for them?

fort benning basic training 2022: *Sun Valley Series* Kellie Coates Gilbert, 2022-10-14
Welcome to the SUN VALLEY SERIES where you'll be transported to America's original ski resort located in the mountains of Idaho. You'll meet a cast of heartwarming characters, including three sisters and their enduring loyalty—women who serve as touchstones to one another through emotionally powerful storylines and happily-ever-after romances. Karyn Macadam is starting over after losing her husband to a skiing accident. A chance encounter with a backcountry pilot might be this young widow's one shot at a new beginning, but only if she can let go of the past. Leigh Ann Blackburn is the perfect wife, until her husband grows more distant, and she believes the worst. An outrageous plan to save her marriage turns the situation on its head, and she soon learns not everything is as it seems. Joie Abbott, who always finds a way to mess up her life, has done it yet again. This time a bitter betrayal threatens to expose a heartache she desperately wants to keep secret, especially from her family. Through romance and heartbreak, laughter and tears . . . life is always better with your sisters at your side. Perfect for fans of Robyn Carr and Susan Wiggs.

fort benning basic training 2022: *From Hell to Home* DJ Power, 2022-10-05 *From Hell to Home: The Final Vietnam Story* By: DJ Power About the Book After a failed mission in Vietnam, Marine and expert marksman Jim Coleman wakes up in a body bag, having survived a nearly fatal bullet to the head. *From Hell to Home* follows this soldier's journey of recovery, grief, and duty as he struggles with the morality of battle and comes to terms with everything the war has taken from him.

fort benning basic training 2022: *The Last Hill* Bob Drury, Tom Clavin, 2022-11-01 Bob Drury and Tom Clavin's *The Last Hill* is the incredible untold story of one Ranger battalion's heroism and courage in World War II. They were known as "Rudder's Rangers," the most elite and experienced attack unit in the United States Army. In December 1944, Lt. Col. James Rudder's 2nd Battalion would form the spearhead into Germany, taking the war into Hitler's homeland at last. In the process, Rudder was given two objectives: Take Hill 400 . . . and hold the hill by any means possible. To the last man, if necessary. The battle-hardened battalion had no idea that several Wehrmacht regiments, who greatly outnumbered the Rangers, had been given the exact same orders. The clash of the two determined forces was one of the bloodiest and most costly encounters of World War II. Castle Hill, the imposing 1320-foot mini-mountain the American Rangers simply called Hill 400, was the gateway to a desperate Nazi Germany. Several entire American divisions had already been repulsed by the last hill's dug-in defenders as—unknown to the Allies—the height was the key to Adolf Hitler's last-minute plans for a massive counterattack to smash through the American lines in what would become known to history as the Battle of the Bulge. Thus the stalemate surrounding Hill 400 could not continue. For Supreme Allied Commander Gen. Dwight Eisenhower, there was only one solution: Call in Rudder's Rangers. Of the 130 special operators who stormed, captured, and held the hill that December day, only 16 remained to stagger back down its frozen slopes. *The Last Hill* is replete with unforgettable action and characters—a rich and detailed saga of what the survivors of the 2nd Ranger Battalion would remember as "our longest day."

fort benning basic training 2022: *GHOST Box Set One* PJ Fiala, 2022-09-07 *GHOST Boxset One* is the beginning of a protector romance filled with passion, protectors and page turning excitement. When the only team that can handle the job, is the one that doesn't exist. Search Terms: boxsets, collection, romantic suspense, romance, brotherhood, band of brothers, mature characters, seasoned romance, cartel, suspense, action, adventure, close proximity, forced confinement, on the run, love, steamy, criminals, second chances, workplace, heroes for hire, emotional, relatable, jagged edge, protecting, defending, alpha, justice, guardian, military heroine, military, military hero, page turner, police force, romance books, romance, romance novels, contemporary romance, romance series, romance novels, beach reads, alpha male, security, military hero free, page turner, read, emotional read For Fans of: Susan Stoker, Kristen Ashley, Sharon Hamilton, KaLyn Cooper, Vanessa Vale, Colleen Hoover, Willow Rose, Kendra Elliot, Sandra Brown, Lisa Renee Jones, Lucy Score, Kaylea Cross, Rebecca Zanetti, Janie Crouch, Red Phoenix, Ivy Smoak, Anna Blakely, Riley Edwards This set contains: *Defending Keirnan* *Defending Sophie* *Defending Roxanne*

fort benning basic training 2022: *Next War* John F Antal, 2023-09-28 ...a useful addition to the literature of the changing character of war. Its scoping and focus, and its application of the identified disruptors to current challenges offer immediate insights for today's commanders and defence policymakers. — The Wavell Room The nature of war is constant change. We live in an era of exponential technological acceleration which is transforming how wars are waged. Today, the battlespace is transparent; multi-domain sensors can see anything, and long-range precision fire can target everything that is observed. Autonomous weapons can be unleashed into the battlespace and attack any target from above, hitting the weakest point of tanks and armored vehicles. The velocity of war is hyper-fast. Battle shock is the operational, informational, and organizational paralysis induced by the rapid convergence of key disrupters in the battlespace. It occurs when the tempo of operations is so fast, and the means so overwhelming, that the enemy cannot think, decide, or act in time. Hit with too many attacks in multiple domains, all occurring simultaneously, the enemy is paralyzed. In short, the keys to decisive victory in war is to generate battle shock. Imagine a peer fight against Communist China, a new war in Europe against a resurgent Russia, or a conflict against Iran in the Middle East. How can our forces survive an enemy-first strike in these circumstances? Can we adapt to the ever-accelerating tempo of war? Will our forces be able to mask from enemy sensors? How will leaders execute command and control in a degraded communications environment? Will our command posts survive? Will our commanders see and understand what is happening in order to plan, decide, and act in real time? This book addresses these tough questions and more.

fort benning basic training 2022: *Special Men* Dennis Foley, 2022-06-14 A recipient of two Purple Hearts gives readers an inside view of US Army special forces through his own trial by fire during the Vietnam War. Days before he was drafted in 1962, Dennis Foley volunteered to join the army in the hopes of someday getting into West Point. He was only eighteen years old. At basic training in Fort Dix, New Jersey, a presentation by two impressive, self-confident special forces sergeants made an indelible impression on him. His career would come full circle. In 1972, wearing a green beret, Foley would be given command of his own A-Team. But between those two pivotal moments, his determination, loyalty, and mental and physical strength would be tested as never before, fighting in the jungles of Vietnam alongside the bravest men he would ever know. In *Special Men*, Foley describes his experience at the 7th Army NCO Academy in Germany, where he learned more about leadership than at any other school he would later attend. He takes us moment-by-moment on his heart-pounding introduction to combat—a nighttime, amphibious ambush patrol with the South Vietnamese Navy. We see the shock set in upon realizing that conventional training left him unprepared for the guerrilla army he faced in Vietnam. And we share his sadness over fallen comrades and his own relief at surviving his injuries. This is an unvarnished account of horror and heroism and a tribute to the unselfish devotion to duty of the LRP, Rangers, and Green Berets.

fort benning basic training 2022: *Summary of Tom Brokaw's The Greatest Generation*

Everest Media,, 2022-04-06T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I went to Normandy, France, to film an NBC documentary on the fortieth anniversary of D-Day, the Allied invasion of Europe that marked the beginning of the end of Adolf Hitler's Third Reich. I was unprepared for how this experience would affect me emotionally. #2 The American veterans who landed on the beaches of Normandy in 1944 were all around me as I was growing up. I had never appreciated what they had been through and what they had accomplished. #3 The World War II generation was a group of men who were transformed by their experiences, but they did not volunteer their stories. I had to ask questions or stay back a step or two as they walked the beaches, quietly exchanging memories. #4 The 1984 trip to Normandy was the first time Merli and Garton had met each other, and they shared memories of the chaos and death all around them. They were both extremely determined to survive.

fort benning basic training 2022: Scarred Dreams Barbara Whitaker, 2022-12-12 In 1944, a German artillery shell destroyed Milt Greenlee's future in professional baseball. His hideously scarred face and useless arm require him to relearn and recondition. But no amount of rehab will restore his looks or his self-confidence. There's no chance a "cripple" like him could catch the eye of the stunning Nurse McEwen. Army Nurse, Annie McEwen dreams her voice will take her far away from her hateful, overbearing father. She hopes Milt, a patient who fought in Sicily, might be the one who can help her find closure with the death of her cousin. As their attraction grows, how can their relationship survive Annie's fears and Milt's secret?

fort benning basic training 2022: MASH Doctor in Vietnam Reuel S. Long, M.D., 2022-11-03 Reuel Long's experiences as an MD in the emergency rooms of Flint, Michigan, prepared him for only some of what he would see in a mobile army surgical hospital. Antiwar sentiment among the doctors in basic training at Fort Sam Houston set the tone for his tour as a general medical officer. In March 1971, the 27th MASH played a critical role treating survivors of the deadliest attack on any firebase during the Vietnam War. Long's vivid memoir recalls the casualties he cared for during the war, including one he crossed paths with 44 years later--who in his own words describes his rehabilitation from the loss of his legs and his protesting the war from a wheelchair. An addendum gives an insider's account of the U.S. military's failure to remedy a fatal design flaw in the M16 rifle, which caused an unknown number of American casualties.

fort benning basic training 2022: Creating the Modern Army William J. Woolley, 2022-07-21 The modern US Army as we know it was largely created in the years between the two world wars. Prior to World War I, officers in leadership positions were increasingly convinced that building a new army could not take place as a series of random developments but was an enterprise that had to be guided by a distinct military policy that enjoyed the support of the nation. In 1920, Congress accepted that idea and embodied it in the National Defense Act. In doing so it also accepted army leadership's idea of entrusting America's security to a unique force, the Citizen Army, and tasked the nation's Regular Army with developing and training that force. *Creating the Modern Army* details the efforts of the Regular Army to do so in the face of austerity budgets and public apathy while simultaneously responding to the challenges posed by the new and revolutionary mechanization of warfare. In this book Woolley focuses on the development of what he sees as the four major features of the modernized army that emerged due to these efforts. These included the creation of the civilian components of the new army: the Citizen's Military Training Camps, the Officer Reserve Corps, the National Guard, and the Reserve Officer Training Corps; the development of the four major combat branches as the structural basis for organizing the army as well as creating the means to educate new officers and soldiers about their craft and to socialize them into an army culture; the creation of a rationalized and progressive system of professional military education; and the initial mechanization of the combat branches. Woolley also points out how the development of the army in this period was heavily influenced by policies and actions of the president and Congress. The US Army that fought World War II was clearly a citizen army whose leadership was largely trained within the framework of the institutions of the army created by the National Defense Act. The way that army fought the war may have been less decisive and more costly in terms of lives and money

than it should have been. But that army won the war and therefore validated the citizen army as the US way of war.

fort benning basic training 2022: Congressional Record United States. Congress, 2017

fort benning basic training 2022: More Than a Marathon Jack Weitzel MD Bill Barry MD Ken Weitzel DC, 2023-07-14 Those of you who have followed Dr. Weitzel's writings will be pleased to find that this volume builds on his previous work to provide a rather intimate picture of his life trajectory, rising above personal doubts and challenges to become a general surgeon. His brother Ken and I (who was one of his fellow residents) have added our own vignettes, to flesh out the flavor of these formative years. References to well-known, contemporaneous events add additional historical context. When substantial physical adversities took Dr. Weitzel from active medical practice, he continued to serve his fellow men as a pastor and author. While this book is really a love story for friends and family to treasure, it provides a deeply moving insight into Christian faith.

fort benning basic training 2022: Mobilizing the South Christopher M. Rein, 2022-08-23 Throughout its history, the United States has fought its major wars by mobilizing large numbers of citizen-soldiers. While the small, peacetime, regular army provided trained leadership and a framework for growth, the citizen-soldier, from the minuteman of the American Revolution to Civil War volunteers and the draftees of World War II, have successfully prosecuted the nation's major wars. But the Army, and the nation, have never fully resolved the myriad problems surrounding the mobilization and employment of reserve troops. National Guard divisions in World War II suffered from neglect during the interwar period and Great Depression, and regular Army commanders often replaced or relieved National Guard officers, which generated lingering resentment. At the same time, draftees from across the nation diluted the regional affiliations of many units, with a corresponding effect on morale and esprit de corps. Chris Rein's study of one division, recruited from the Gulf South and employed in the Southwest Pacific Theater in 1944 and 1945, highlights the challenges of reserve mobilization, training, and the combat deployment of National Guard units. His account demonstrates the still-strong connections between the local communities that hosted and supported National Guard companies before the war, even after an influx of new personnel nationalized the units and they shipped overseas. The 31st Division, reorganized after combat deployment in World War I, consisted primarily of infantry regiments from Florida, Alabama, Mississippi and, until 1942, Louisiana. Mobilized for federal service in late 1940, the division participated in the critical Louisiana and Carolina Maneuvers in 1941, but then languished for the next two years as a training organization, though it provided trained cadres and replacements for other divisions the Army deployed to Europe and the Pacific. In 1944, the division finally shipped overseas, enduring the brutal conditions in the Southwest Pacific, but successfully conducting landings on the New Guinea coast in support of Gen. Douglas MacArthur's island hopping campaign directed at liberating the Philippines. After a change in leadership, on the second day of the amphibious assault on Morotai, the division supported the liberation of Mindanao, the southernmost major island in the archipelago, before redeploying for demobilization at the end of 1945. Rein's study traces the division's decades of duty from the interwar period, when it contended with a series of devastating natural disasters, through its mobilization and combat deployment. However, within the 31st Division's story, there are several significant issues that remain highly relevant for reserve deployment today. The first centers on the issue of World War II-era National Guard leadership. The Army implemented a purge of overage and less competent National Guard division commanders in order to replace them with younger officers of the regular Army. Maj. Gen. John C. Persons, a pre-war Birmingham resident and Alabama National Guard officer, commanded the division throughout the peacetime mobilization and training and the first operation in New Guinea, only to be summarily fired on the second day of the Morotai landings, an action not adequately explained in the existing literature. The second issue concerns the Army's nationalization of regional units. While this policy has the benefit of spreading any casualties across the nation, rather than duplicate the horrific losses of the Bedford Boys of the 29th Infantry Division that devastated one small Virginia community, it also erodes regional identity and esprit de corps. This work is a case study of the

strength and weaknesses of units with a regional identity and explores the connections with the home front once that identity erodes. It also examines the Dixie Division's operational and strategic evolution, but just as importantly details drawn from soldiers' correspondence and oral histories to show how their exposure to a larger world, including service alongside African-American and Filipino units, changed their views on race and post-war society--

fort benning basic training 2022: Jack Knife Diane Capri, 2022-03-08 The next gripping Hunt for Jack Reacher Thriller from Diane Capri! "Make some coffee. You'll read all night." Lee Child FBI Special Agent Kim Otto is hot on Jack Reacher's trail as he speeds away from Chicago. Since Reacher hooked up with escaped car thief Petey Burns in South Dakota, he's had a steady ride. fort benning basic training 2022: *The Handy Armed Forces Answer Book* Richard Estep,

2022-04-12 The story of the United States military is the story of the country itself. Both have grown and changed over time. Learn about the unique histories, traditions, weapons, leaders, stats, and fun facts of the Army, Navy, Marine Corps, Coast Guard, Air Force, and Space Force, and their roles within the military in this fun and fascinating guide! From the few hundred soldiers in its ranks when it was first established, to the over one million service members today, the U.S. military has grown in power and size over its 250-year history. Its organization and branches have changed to adapt to new technologies and national needs. The Handy Armed Forces Answer Book: Your Guide to the Whats and Whys of the U.S. Military looks at each branch of the U.S. military. It answers more than 500 of the most intriguing questions, including ... How is the U.S. military organized? How do the branches work together? When did the Army Air Corps become the U.S. Army Air Force? What is the selection process like for Special Forces? Who was the Continental Army's first Commander in Chief? How does the military rank structure function? How does somebody become an Air Force officer? What was the "Brown Water Navy"? What is the motto of the Coast Guard? How many bases does the military have? What is the Marine Corps Hymn? Did any Coast Guard vessels serve in combat? What type of aircraft is Air Force One? Who said "Retreat? Hell! We just got here!" Who were the Buffalo Soldiers? What are the Blue Angels? What is the most challenging USAF plane to fly? What is the origin of the Coast Guard "racing stripe"? Does the Space Force have any operational bases? How did a mutiny help establish the United States Naval Academy? What is the longest-serving personal weapon used by the American soldier? What is the difference between a UAV and a drone? What attack submarines does the Navy deploy? Who defends the United States against cyberattacks and other digital threats? The Army, Navy, Air Force, Marines, Coast Guard, and Space Force are uniquely American, each in their own way. Learn what makes each branch special in The Handy Armed Forces Answer Book! With more than 140 photos and graphics, this fascinating to me is richly illustrated. Its helpful bibliography and extensive index add to its usefulness.

fort benning basic training 2022: A Day in Hell on the DMZ Lou Pepi, 2022-08-11 At zero dark thirty on January 30, 1971, units of the U.S. Fifth Mechanized Division left their firebases along the DMZ heading west along Provincial Route 9. The mission, called Dewey Canyon II, was to reopen the road from Khe Sahn Air Base to the Laotian border, in support of a South Vietnamese invasion of Laos (doomed from the start) to cut off the Ho Chi Minh Trail. Alpha Company of U.S. 61st Infantry performed commendably in keeping Route 9 open, with just one casualty killed by friendly fire. They returned to Firebase Charlie-2 in April, exhausted but hopeful--the Fifth would be leaving Vietnam in July. They patrolled the western hills through May as rocket attacks fell each evening. On the 21st, a direct hit on a bunker killed 30 of the 63 men inside--18 were from Alpha Co. This is their story, as told to Specialist Lou Pepi by members of his unit.

fort benning basic training 2022: Military construction, veterans affairs, and related agencies appropriations for 2018 United States. Congress. House. Committee on Appropriations. Subcommittee on Military Construction, Veterans Affairs, and Related Agencies, 2017

fort benning basic training 2022: Smell the Gunpowder William R. Graser, 2022-10-25 Smell the Gunpowder: The Land of the Morning Calm is inspired by true events and veterans' firsthand accounts of Americans who served in Korea. Because of these veterans, the Republic of Korea remains a free sovereign nation and one of the strongest and wealthiest countries in Asia. Today, North Korea continues to have a nuclear arsenal and is one of the most militarized countries in the world—creating a critical security challenge. Concerns about North Korea and its intentions remain at the highest level since the end of the 1950s and 1960s Korean Conflicts. South Korea has urged the United States and North Korea to formally reach a peace agreement ending the decades-long conflict. The outcome of a peace agreement is uncertain, and Smell the Gunpowder makes no pretense of providing the complete account of the undeclared, unconventional struggles that have gripped Korea since 1945, although it may serve to refocus attention on a most intriguing chapter in the annals of American and Korean history.
