

Ride Or Die Couples In History

Ride or Die Couples in History: Love, Loyalty, and Legacy

Love stories throughout history often transcend the typical romantic narrative. Some couples forge bonds so strong, so unwavering, that they become legendary, embodying the very definition of "ride or die." This post delves into the fascinating lives of several iconic historical couples who demonstrated extraordinary loyalty, sacrifice, and shared purpose, solidifying their place in history as ultimate examples of "ride or die" relationships. We'll explore their triumphs, tribulations, and the enduring legacies they left behind, offering a glimpse into the complex tapestry of human connection.

What Defines a "Ride or Die" Couple?

Before diving into specific examples, it's crucial to define what constitutes a "ride or die" couple in a historical context. It's more than just romantic love; it involves a profound commitment to shared goals, unwavering support through adversity, and a willingness to face any challenge, even death, together. This commitment transcends personal comfort and often involves significant sacrifice, risk, and collaboration in achieving a shared vision.

Bonnie and Clyde: The Infamous Outlaw Couple

Bonnie Parker and Clyde Barrow, the infamous Depression-era outlaws, are perhaps the most well-

known "ride or die" couple. Their whirlwind romance, punctuated by bank robberies and deadly shootouts, captured the public imagination. While their actions were criminal, their fierce loyalty to each other, their shared defiance of authority, and their ultimate fate – dying together in a hail of bullets – cemented their status as a legendary, albeit controversial, pair. Their story highlights the intoxicating allure of shared rebellion and the potent bond forged in the face of extreme danger.

Gertrude Stein and Alice B. Toklas: Pioneers of Modernism

In stark contrast to the outlaw duo, Gertrude Stein and Alice B. Toklas represent a different facet of the "ride or die" dynamic. Their enduring partnership, spanning decades, was a cornerstone of the modernist movement in literature and art. They supported each other's creative endeavors, providing unwavering intellectual and emotional sustenance. Toklas managed Stein's career, acting as her confidante, muse, and manager. Their relationship was a testament to the power of mutual support and intellectual companionship, highlighting that "ride or die" isn't solely defined by dramatic action but also by unwavering devotion to shared passions.

The Pandavas and Draupadi from the Mahabharata: A Legendary Epic of Loyalty

Stepping into the realm of mythology, we encounter Draupadi and the Pandava brothers from the Indian epic Mahabharata. While technically polyamorous, the bond between Draupadi and the five brothers exemplifies unwavering loyalty and shared destiny. Their lives were intertwined with incredible challenges, political intrigue, and war. Draupadi's steadfast commitment to her husbands, even in the face of immense adversity and public humiliation, is a powerful testament to a different form of "ride or die" loyalty, reflecting a complex societal structure and commitment to family above all else.

Marie Curie and Pierre Curie: Scientific Pioneers and Partners

Marie and Pierre Curie, pioneering scientists who revolutionized our understanding of radioactivity, demonstrate a "ride or die" partnership fueled by shared intellectual curiosity and ambition. Their collaborative work, culminating in Nobel Prizes, showcases a profound partnership built on mutual respect and a dedication to scientific advancement. Even after Pierre's tragic death, Marie continued their work, carrying the torch of their shared legacy. Their story underscores the power of intellectual synergy and unwavering support in the pursuit of a common goal.

Beyond Romance: The Essence of "Ride or Die"

The couples discussed above showcase diverse manifestations of "ride or die" relationships. While some were driven by romance, others were bound by shared ideals, family ties, or intellectual pursuits. The common thread is a profound level of loyalty, mutual support, and a willingness to face life's challenges – whether criminal acts, societal pressures, or scientific breakthroughs – together. Their stories inspire reflection on the enduring power of human connection and the depths of commitment that shape history.

Conclusion

The concept of "ride or die" couples extends beyond the realm of popular culture and romantic ideals. Examining historical examples reveals the diverse forms this unwavering loyalty can take. From outlaw couples defying authority to scientific pioneers pushing the boundaries of knowledge, these relationships demonstrate the extraordinary power of shared purpose, mutual support, and enduring commitment in the face of adversity. Their legacies serve as a compelling reminder of the impact that powerful partnerships can have on history and society.

FAQs

1. Are all "ride or die" relationships healthy? Not necessarily. While loyalty is admirable, some historical examples demonstrate relationships with unhealthy power dynamics or harmful behaviors. Critical analysis is crucial when examining these historical narratives.
2. Are "ride or die" relationships only romantic? No. As evidenced by the Curie's and the Pandavas and Draupadi, the bond can be familial, professional, or based on shared ideals.
3. How do modern relationships compare to historical "ride or die" relationships? Modern relationships often prioritize individual autonomy and personal fulfillment. While intense loyalty remains valuable, the expression and understanding of commitment may differ significantly.
4. What are some ethical considerations when examining historical "ride or die" relationships? We must acknowledge the context of the time, avoid romanticizing potentially harmful behaviors, and analyze power dynamics within the relationship.
5. Can fictional "ride or die" couples inspire real-world relationships? Fictional portrayals can inspire ideals of loyalty and commitment. However, it's important to separate fantasy from reality and cultivate healthy, respectful relationships based on mutual respect and understanding.

ride or die couples in history: Brutal Bites Cassiopia Shapiro, 2023-04-14 Brutal Bites is the literary debut of Author Cassiopia Shapiro. Carefully researched and selected, these worldwide true

crime stories come in a snack-sized portion, a one-page read. The entire work includes 49 real crime cases. Including hundreds of murders, killers, and details that will make your jaw drop open. A pig farmer who threw killer raves, a sorcerer burying his victims in a sugar cane field, and even the world's youngest serial killer who had a body count of three before his 7th birthday. Each story is accurate, with cited sources, and includes individual accounts of serial killers you've probably never heard of and what happened to those involved.

ride or die couples in history: The Buried Giant Kazuo Ishiguro, 2015-03-03 NATIONAL BESTSELLER • From the winner of the Nobel Prize in Literature and author of *Never Let Me Go* and the Booker Prize-winning novel *The Remains of the Day* comes a luminous meditation on the act of forgetting and the power of memory. In post-Arthurian Britain, the wars that once raged between the Saxons and the Britons have finally ceased. Axl and Beatrice, an elderly British couple, set off to visit their son, whom they haven't seen in years. And, because a strange mist has caused mass amnesia throughout the land, they can scarcely remember anything about him. As they are joined on their journey by a Saxon warrior, his orphan charge, and an illustrious knight, Axl and Beatrice slowly begin to remember the dark and troubled past they all share. By turns savage, suspenseful, and intensely moving, *The Buried Giant* is a luminous meditation on the act of forgetting and the power of memory.

ride or die couples in history: I Love Jesus, But I Want to Die Sarah J. Robinson, 2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

ride or die couples in history: Before We Were Strangers Renée Carlino, 2015-08-18 From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a love story about a Craigslist “missed connection” post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would

you like to get a drink with me and catch up on the last decade and a half? M

ride or die couples in history: Maintaining Black Marriage Marianne Dainton, 2017-04-07 *Maintaining Black Marriage: Individual, Interpersonal, and Contextual Dynamics* moves beyond the usual demographics in the study of Black marriage to focus on the communication that sustains it. Using original data and secondary research, Marianne Dainton provides the story of Black marriage success and the contexts and communication that contribute to that success. A central feature of this book is the inclusion of Black voices; that is, in addition to original quantitative research on the topic, qualitative data draws on the experiences and opinions of a group of married Black women and married Black men in order to augment, explain, challenge, and reflect the scholarly literature.

ride or die couples in history: Rhythm Paula Michele Adams, 2020-09-22 African Americans have a culture rich in diversity, knowledge, and wisdom. The valuable lessons learned from slavery through the present day will be passed on for generations, many times in the form of quotes, which implore us to expand our minds to reach a higher level of being. Quotes resonate within your soul in a way that opens your world to a whole new outlook. "Rhythm ... Uplifting Quotes from the African American Perspective" highlights inspirational, motivating, and encouraging life lessons from noteworthy African Americans. It takes you on a journey to enlightenment, insight, and self-awareness on a variety of life's most important topics. This collection of quotes is not specific to any one race. All ethnicities can learn from the history, challenges, and obstacles that African Americans have had to endure. In essence, these quotes can aid all cultures into coming together and understanding our community more empathetically.

ride or die couples in history: Sometimes I Lie Alice Feeney, 2018-03-13 ALICE FEENEYS NEW YORK TIMES AND INTERNATIONAL BESTSELLER "Boldly plotted, tightly knotted—a provocative true-or-false thriller that deepens and darkens to its ink-black finale. Marvelous." —AJ Finn, author of *The Woman in the Window* My name is Amber Reynolds. There are three things you should know about me: 1. I'm in a coma. 2. My husband doesn't love me anymore. 3. Sometimes I lie. Amber wakes up in a hospital. She can't move. She can't speak. She can't open her eyes. She can hear everyone around her, but they have no idea. Amber doesn't remember what happened, but she has a suspicion her husband had something to do with it. Alternating between her paralyzed present, the week before her accident, and a series of childhood diaries from twenty years ago, this brilliant psychological thriller asks: Is something really a lie if you believe it's the truth?

ride or die couples in history: Last Couple Standing Matthew Norman, 2021-03-02 A couple determined not to end up like their divorced friends try a radical experiment—and get in way over their heads—in this hilarious, heartfelt novel from the author of *We're All Damaged*. New York Post's Best Books to Read in Our Age of Social Isolation • "[Matthew] Norman's funny and feeling writing makes for an irresistible read."—Esquire (Best Books of 2020) The Core Four have been friends since college: four men, four women, four couples. They got married around the same time, had kids around the same time, and now, fifteen years later, they've started getting divorced around the same time, too. With three of the Core Four unions crumbling to dust around them, Jessica and Mitch Butler take a long, hard look at their own marriage. Can it be saved? Or is divorce, like some fortysomething zombie virus, simply inescapable? To maximize their chance at immunity, Jessica and Mitch try something radical. Their friends' divorces mostly had to do with sex—having it, not having it, wanting to have it with other people—so they decide to relax a few things. Terms are discussed, conditions are made, and together the Butlers embark on the great experiment of taking their otherwise happy, functional marriage and breaking some very serious rules. Jessica and Mitch are convinced they've hit upon the next evolution of marriage. But as lines are crossed and hot bartenders pursued, they each start to wonder if they've made a huge mistake. What follows is sexy, fun, painful, messy, and completely surprising to them both. Because sometimes doing something bad is the only way to get to the heart of what's really good.

ride or die couples in history: Odd Couples Daphne J. Fairbairn, 2015-08-25 The remarkable and unique ways that male and female animals play out gender roles in nature While we joke that men are from Mars and women are from Venus, our gender differences can't compare to those of

many other animals. For instance, the male garden spider spontaneously dies after mating with a female more than fifty times his size. And male blanket octopuses employ a copulatory arm longer than their own bodies to mate with females that outweigh them by four orders of magnitude. Why do these gender gulfs exist? Introducing readers to important discoveries in animal behavior and evolution, *Odd Couples* explores some of the most extraordinary sexual differences in the animal world. Daphne Fairbairn uncovers the unique and bizarre characteristics of these remarkable species and the special strategies they use to maximize reproductive success. Fairbairn also considers humans and explains that although we are keenly aware of our own sexual differences, they are unexceptional within the vast animal world. Looking at some of the most amazing creatures on the planet, *Odd Couples* sheds astonishing light on what it means to be male or female in the animal kingdom.

ride or die couples in history: *We Were the Lucky Ones* Georgia Hunter, 2023-11-28 The New York Times bestseller with more than 1 million copies sold worldwide | Now a Hulu limited series starring Joey King and Logan Lerman Inspired by the incredible true story of one Jewish family separated at the start of World War II, determined to survive—and to reunite—*We Were the Lucky Ones* is a tribute to the triumph of hope and love against all odds. “Love in the face of global adversity? It couldn't be more timely.” —Glamour It is the spring of 1939 and three generations of the Kurc family are doing their best to live normal lives, even as the shadow of war grows closer. The talk around the family Seder table is of new babies and budding romance, not of the increasing hardships threatening Jews in their hometown of Radom, Poland. But soon the horrors overtaking Europe will become inescapable and the Kurcs will be flung to the far corners of the world, each desperately trying to navigate his or her own path to safety. As one sibling is forced into exile, another attempts to flee the continent, while others struggle to escape certain death, either by working grueling hours on empty stomachs in the factories of the ghetto or by hiding as gentiles in plain sight. Driven by an unwavering will to survive and by the fear that they may never see one another again, the Kurcs must rely on hope, ingenuity, and inner strength to persevere. An extraordinary, propulsive novel, *We Were the Lucky Ones* demonstrates how in the face of the twentieth century's darkest moment, the human spirit can endure and even thrive.

ride or die couples in history: *Outlawed* Anna North, 2021-01-05 A REESE'S BOOK CLUB PICK * INSTANT NEW YORK TIMES BESTSELLER * BELLETRIST BOOK CLUB PICK * INDIE NEXT SELECTION * LIBRARY READS SELECTION * AMAZON EDITORS' CHOICE * WASHINGTON POST BEST OF THE YEAR The terrifying, wise, tender, and thrilling (R.O. Kwon) adventure story of a fugitive girl, a mysterious gang of robbers, and their dangerous mission to transform the Wild West. In the year of our Lord 1894, I became an outlaw. The day of her wedding, 17 year old Ada's life looks good; she loves her husband, and she loves working as an apprentice to her mother, a respected midwife. But after a year of marriage and no pregnancy, in a town where barren women are routinely hanged as witches, her survival depends on leaving behind everything she knows. She joins up with the notorious Hole in the Wall Gang, a band of outlaws led by a preacher-turned-robber known to all as the Kid. Charismatic, grandiose, and mercurial, the Kid is determined to create a safe haven for outcast women. But to make this dream a reality, the Gang hatches a treacherous plan that may get them all killed. And Ada must decide whether she's willing to risk her life for the possibility of a new kind of future for them all. Featuring an irresistibly no-nonsense, courageous, and determined heroine, *Outlawed* dusts off the myth of the old West and reignites the glimmering promise of the frontier with an entirely new set of feminist stakes. Anna North has crafted a pulse-racing, page-turning saga about the search for hope in the wake of death, and for truth in a climate of small-mindedness and fear.

ride or die couples in history: *The History of Love: A Novel* Nicole Krauss, 2006-05-17 ONE OF THE MOST LOVED NOVELS OF THE DECADE. A long-lost book reappears, mysteriously connecting an old man searching for his son and a girl seeking a cure for her widowed mother's loneliness. Leo Gursky taps his radiator each evening to let his upstairs neighbor know he's still alive. But it wasn't always like this: in the Polish village of his youth, he fell in love and wrote a

book...Sixty years later and half a world away, fourteen-year-old Alma, who was named after a character in that book, undertakes an adventure to find her namesake and save her family. With virtuosic skill and soaring imaginative power, Nicole Krauss gradually draws these stories together toward a climax of extraordinary depth and beauty (Newsday).

ride or die couples in history: *Dave Barry's History of the Millennium (so Far)* Dave Barry, 2007 An irreverent alternate perspective on recent world events features whimsical commentary on such topics as the 2000 election, the non-finding of weapons of mass destruction in Iraq, and the invention of pizza by Leonardo da Vinci.

ride or die couples in history: *Watch Me* Anjelica Huston, 2015-07-07 Picking up where *A Story Lately Told* leaves off, when Anjelica Huston is 22 years old, [this book] is a chronicle of her glamorous and eventful Hollywood years. She writes about falling in love with Jack Nicholson and her adventurous, turbulent, high-profile, spirited 17-year relationship with him and his intoxicating circle of friends. She writes about learning how to act, about her Academy Award-winning portrayal of Maerose Prizzi in *Prizzi's Honor*, [and] about her collaborations with many of the greatest directors in Hollywood, including Wes Anderson, Richard Condon, Bob Rafelson, Mike Nichols, and Stephen Frears--

ride or die couples in history: *The Ruins* Scott Smith, 2006-07-18 NATIONAL BESTSELLER • Trapped in the Mexican jungle, a group of friends stumble upon a creeping horror unlike anything they could ever imagine in the best horror novel of the new century (Stephen King). Also a major motion picture! Two young couples are on a lazy Mexican vacation—sun-drenched days, drunken nights, making friends with fellow tourists. When the brother of one of those friends disappears, they decide to venture into the jungle to look for him. What started out as a fun day-trip slowly spirals into a nightmare when they find an ancient ruins site ... and the terrifying presence that lurks there. *The Ruins* does for Mexican vacations what *Jaws* did for New England beaches." —Entertainment Weekly "Smith's nail-biting tension is a pleasure all its own.... This stuff isn't for the faint of heart." —New York Post "A story so scary you may never want to go on vacation, or dig around in your garden, again." —USA Today

ride or die couples in history: *And the Rest Is History* Marlene Wagman-Geller, 2011-01-25 Did my heart love till now? Forswear it, sight! For I ne'er saw true beauty till tonight. -Romeo and Juliet Antony and Cleopatra, Diego Rivera and Frida Kahlo, Gertrude Stein and Alice B. Toklas, Humphrey Bogart and Lauren Bacall, Joe DiMaggio and Marilyn Monroe, Elvis Presley and Priscilla Beaulieu, John Lennon and Yoko Ono-while we're familiar with all of these people as individuals, we also associate them with the grand, sometimes fiery passion they shared with their partners. And *the Rest Is History* is an intriguing look at how these iconoclastic lovers first crossed paths, whether it was through fate, setups, or blind luck. From angry sparks flying to love at first sight, the meetings shared in this book give us a look at what makes that one great love.

ride or die couples in history: *The State of Affairs* Esther Perel, 2017-10-10 A fresh look at infidelity, broadening the focus from the havoc it wreaks within a committed relationship to consider also why people do it, what it means to them, and why breaking up is the expected response to duplicity — but not necessarily the wisest one." — LA Review of Books From iconic couples' therapist and bestselling author of *Mating in Captivity* comes a provocative and controversial look at infidelity with practical, honest, and empathetic advice for how to move beyond it. An affair: it can rob a couple of their relationship, their happiness, their very identity. And yet, this extremely common human experience is so poorly understood. What are we to make of this time-honored taboo—universally forbidden yet universally practiced? Why do people cheat—even those in happy marriages? Why does an affair hurt so much? When we say infidelity, what exactly do we mean? Do our romantic expectations of marriage set us up for betrayal? Is there such a thing as an affair-proof marriage? Is it possible to love more than one person at once? Can an affair ever help a marriage? Perel weaves real-life case stories with incisive psychological and cultural analysis in this fast-paced and compelling book. For the past ten years, Perel has traveled the globe and worked with hundreds of couples who have grappled with infidelity. Betrayal hurts, she writes, but it can be healed. An

affair can even be the doorway to a new marriage—with the same person. With the right approach, couples can grow and learn from these tumultuous experiences, together or apart. Affairs, she argues, have a lot to teach us about modern relationships—what we expect, what we think we want, and what we feel entitled to. They offer a unique window into our personal and cultural attitudes about love, lust, and commitment. Through examining illicit love from multiple angles, Perel invites readers into an honest, enlightened, and entertaining exploration of modern marriage in its many variations. Fiercely intelligent, *The State of Affairs* provides a daring framework for understanding the intricacies of love and desire. As Perel observes, “Love is messy; infidelity more so. But it is also a window, like no other, into the crevices of the human heart.”

ride or die couples in history: *Falling Back* Jamie J. Fader, 2013-04-15 Jamie J. Fader documents the transition to adulthood for a particularly vulnerable population: young inner-city men of color who have, by the age of eighteen, already been imprisoned. How, she asks, do such precariously situated youth become adult men? What are the sources of change in their lives? *Falling Back* is based on over three years of ethnographic research with black and Latino males on the cusp of adulthood and incarcerated at a rural reform school designed to address “criminal thinking errors” among juvenile drug offenders. Fader observed these young men as they transitioned back to their urban Philadelphia neighborhoods, resuming their daily lives and struggling to adopt adult masculine roles. This in-depth ethnographic approach allowed her to portray the complexities of human decision-making as these men strove to “fall back,” or avoid reoffending, and become productive adults. Her work makes a unique contribution to sociological understandings of the transitions to adulthood, urban social inequality, prisoner reentry, and desistance from offending.

ride or die couples in history: *Routledge Library Editions: History of Sexuality* Various Authors, 2021-02-12 Reissuing seven works originally published between 1977 and 1992, this collection offers a varied selection of surveys of historical practices and attitudes to sexuality, from complete reviews of changing attitudes through time, to individual studies of France in the 19th and 20th Centuries and England in the 17th. This set will be of interest in sociology, gender studies, cultural studies and history.

ride or die couples in history: *Book Lovers* Emily Henry, 2022-05-03 “One of my favorite authors.”—Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of *Beach Read* and *People We Meet on Vacation*. Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves.

ride or die couples in history: *The Play* Elle Kennedy, 2019-10-07 A brand-new standalone novel in the New York Times bestselling Briar U series! What I learned after last year's distractions cost my hockey team our entire season? No more screwing up. No more screwing, period. As the new team captain, I need a new philosophy: hockey and school now, women later. Which means that I, Hunter Davenport, am officially going celibate...no matter how hard that makes things. But there's

nothing in the rulebook that says I can't be friends with a woman. And I won't lie—my new classmate Demi Davis is one cool chick. Her smart mouth is hot as hell, and so is the rest of her, but the fact that she's got a boyfriend eliminates the temptation to touch her. Except three months into our friendship, Demi is single and looking for a rebound. And she's making a play for me. Avoiding her is impossible. We're paired up on a yearlong school project, but I'm confident I can resist her. We'd never work, anyway. Our backgrounds are too different, our goals aren't aligned, and her parents hate my guts. Hooking up is a very bad idea. Now I just have to convince my body—and my heart.

ride or die couples in history: Why Men Marry Some Women and Not Others John T. Molloy, 2008-12-14 A groundbreaking book--based on years of the same thorough research that made the Dress For Success books national bestsellers--about how women can statistically improve their chances of getting married.

ride or die couples in history: Hidden History of Elko County Claudia Wines, 2017 Elko County in Nevada's remote northeastern corner has long attracted independent, spirited individuals determined to carve out lives of their own. Born to former slaves, Henry Harris worked his way from John Sparks's house hand to one of the most respected buckaroos in the region. Pete Itcaina, the unlikely millionaire, once bought a local bar on the spot just to fire the bartender, who mistook Itcaina for a bum and refused to serve him. The beautiful cattle rustler Susie Raper charmed her way out of numerous arrests and trials, despite her trail of dead husbands. Local author Claudia Wines excavates sagas buried in the dust and probes conventional wisdom surrounding local legend.

ride or die couples in history: Healing in the Relational Paradigm Wade Luquet, Mo Therese Hannah, 2013-10-28 Already practiced by thousands of therapists around the world, Imago Relationship Therapy (IRT) has aroused the interest of a widening international psychotherapy community. Now, for the first time, *Healing in the Relational Paradigm: The Imago Relationship Therapy Casebook* brings you directly into the therapists office to see firsthand how the tenets of IRT can translate into powerful and enduring skills for couple clients. Providing access to Imago work with a broad range of couple types, the book reveals ways in which activities, such as Couples Dialogue and the Container Exercise, help couples expand and strengthen their relational vocabulary. The first chapter, which proposes a new way of conceptualizing child development and its impact on the forming and maintaining of intimate relationships, lays the foundation for the chapters to follow. Subsequent topics - each handled by a front lines Imago therapist - reflect a true picture of the spectrum of issues and identities that are present in therapy. The contents cover attachment, exploratory, identity and competence wounded couples. Other contributions describe work with African-American, Hispanic, and gay and lesbian couples, while the impact of HIV/AIDS and Attention Deficit Disorder is explored in a third section. Finally, contributors offer a clear relational lens through which to view the core couple issues of addiction, sexuality, infidelity and spirituality. *Healing in the Relational Paradigm* demonstrates Imago's flexibility and promise across populations and in the hands of very different practitioners. The book shows the Imago approach to be more than just another technique: it is a profound shift in perspective, reinforced by a network of positive assumptions and communication exercises that together create an environment for healthy change. This volume would be suitable for marriage and family therapists.

ride or die couples in history: True Love Story Rescue Latoya Watts, Primus Watts, 2019-02-14 Following a young couples journey from the beginning of the first I Love You. Based on true stories, events and experiences, from two completely different backgrounds. Found Love and decided to never let go. Raising each other, and helping each other grow. As college sweethearts, soulmates and bestfriends, two Ohio natives met at the young age of 18 and 19 years old and didn't let anything keep them from being together, and staying together. There were tough times, but during the storm, they never gave up on True Love. An autobiography of two hearts that became one.

ride or die couples in history: Ride the Fire Pamela Clare, 2013-02-05 Sometimes survival isn't just about staying alive... Widowed and alone on the frontier, Elspeth Stewart will do whatever it takes to protect herself and her unborn child from the dangers of the wilderness and of men.

Though her youthful beauty doesn't show it, she is broken and scarred from the way men have treated her. So when a stranger wanders onto Bethie's land, wounded and needing her aid, she takes no risks, tying him to the bed and hiding his weapons before ministering to his injuries. But Bethie's defenses cannot keep Nicholas Kenleigh from breaking down her emotional walls. The scars on his body speak of a violent past, but his gentleness, warmth, and piercing eyes arouse longings in her that she never imagined she had. As Nicholas and Bethie reveal to each other both their hidden desires and their tortured secrets, they discover that riding the flames of their passion might be the key to burning away the nightmares of their pasts.

ride or die couples in history: Thoughtless S.C. Stephens, 2012-09-21 For almost two years now, Kiera's boyfriend, Denny, has been everything she's ever wanted: loving, tender, and endlessly devoted to her. When they head off to a new city to start their lives together, Denny at his dream job and Kiera at a top-notch university, everything seems perfect. Then an unforeseen obligation forces the happy couple apart. Feeling lonely, confused, and in need of comfort, Kiera turns to an unexpected source - a local rock star named Kellan Kyle. At first, he's purely a friend that she can lean on, but as her loneliness grows, so does their relationship. And then one night everything changes . . . and one thing's for sure - nothing will ever be the same.

ride or die couples in history: If We Were Us K. L. Walther, 2020-06-02 A high school romance that flips the switch on the will they or won't they trope when two best friends are forced to confront truths about their friendship, identities, and relationships during their senior year at boarding school. Everyone at the prestigious Bexley School believes that Sage Morgan and Charlie Carmichael are meant to be. Even though Charlie seems to have a new girlfriend every month, and Sage has never had a real relationship, their friends and family all know it's just a matter of time until they realize that they are actually in love. When Luke Morrissey shows up on the Bexley campus his presence immediately shakes things up. Charlie and Luke are drawn to each other the moment they meet, giving Sage the opportunity to spend time with Charlie's twin brother, Nick. But Charlie is afraid of what others will think if he accepts that he has much more than a friendship with Luke. And Sage fears that if she lets things with Nick get too serious too quickly, they won't be able to last as a couple outside of high school and miss their chance at forever. The duo will need to rely on each other and their lifelong friendship to figure things out with the boys they love. Perfect for those looking for: Teen romance books Two love stories in one LGBTQ books A fresh rom-com that twists the tropes Coming-of-age stories Books set at a boarding school

ride or die couples in history: Cool for the Summer Dahlia Adler, 2021-05-11 Witty, wise, and disarmingly tender. I am hopelessly devoted to this summer dream of a book. —Becky Albertalli, New York Times bestselling author of *Simon vs. the Homo Sapiens Agenda* The guy of her dreams... or the girl in her heart? Lara's had eyes for exactly one person throughout her three years of high school: Chase Harding. He's tall, strong, sweet, a football star, and frankly, stupid hot. Oh, and he's talking to her now. On purpose and everything. Maybe...flirting, even? No, wait, he's definitely flirting, which is pretty much the sum of everything Lara's wanted out of life. Except she's haunted by a memory. A memory of a confusing, romantic, strangely perfect summer spent with a girl named Jasmine. A memory that becomes a confusing, disorienting present when Jasmine herself walks through the front doors of the school to see Lara and Chase chatting it up in front of the lockers. Lara has everything she ever wanted: a tight-knit group of friends, a job that borders on cool, and Chase, the boy of her literal dreams. But if she's finally got the guy, why can't she stop thinking about the girl? Dahlia Adler's *Cool for the Summer* is a story of self-discovery and new love. It's about the things we want and the things we need. And it's about the people who will let us be who we are.

ride or die couples in history: Tiger Girl and the Candy Kid Glenn Stout, 2021 A thrilling Jazz Age chronicle of America's first gangster couple, Margaret and Richard Whitemore--

ride or die couples in history: Titanic Love Stories: The true stories of 13 honeymoon couples wh Gill Paul, 2011-10-24 The sinking of the RMS Titanic was a tragedy for all the 1,517 people who died, but the accounts of 13 brides and grooms who joined the ship to celebrate their honeymoons

are notably moving. Titanic Love Stories uncovers all the poignant detail behind the contemporary headlines.

ride or die couples in history: *The Handmaid's Tale* Margaret Atwood, 2011-09-06 An instant classic and eerily prescient cultural phenomenon, from "the patron saint of feminist dystopian fiction" (New York Times). Now an award-winning Hulu series starring Elizabeth Moss. In this multi-award-winning, bestselling novel, Margaret Atwood has created a stunning Orwellian vision of the near future. This is the story of Offred, one of the unfortunate "Handmaids" under the new social order who have only one purpose: to breed. In Gilead, where women are prohibited from holding jobs, reading, and forming friendships, Offred's persistent memories of life in the "time before" and her will to survive are acts of rebellion. Provocative, startling, prophetic, and with Margaret Atwood's devastating irony, wit, and acute perceptive powers in full force, *The Handmaid's Tale* is at once a mordant satire and a dire warning.

ride or die couples in history: *Crash & Carnage: An Opposites Attract Romance* Emma Slate, 2021-09-05 Adderly "Boxer" Ford is nothing like the men of my past. He's an outlaw. A criminal. My opposite in every way. I save lives. He takes them. I'm makeup and mink. He's leather and ink. I'm a fan of monogamy. I'm not sure Boxer knows the definition of the word. It's a bad idea to get mixed up with him and his motorcycle club. But when his lips meet mine, and his fingers plow through my hair, my desire for an orderly, safe life goes out the window. In his bed, I discover passion. With his club, I find a family. In his arms, I am safe. I don't belong in Boxer's world. But when you fall for a Tarnished Angel, you get a lot more than you bargain for.

ride or die couples in history: *Reckless Girls* Rachel Hawkins, 2022-01-04 Instant New York Times and USA Today bestseller Indie Next Pick and LibraryReads Pick A literary pina colada. --EW A high-octane thriller. --New York Times Book Review (Staff Pick) ONE ISLAND Beautiful, wild, and strange—Meroe Island is a desolate spot in the middle of the Pacific Ocean with a mysterious history of shipwrecks, cannibalism, and even rumors of murder. It's the perfect destination for the most adventurous traveler to escape everything... except the truth. SIX VISITORS Six stunning twentysomethings are about to embark on a blissful, free-spirited journey—one filled with sun-drenched days and intoxicating nights. But as it becomes clear that the group is even more cut off from civilization than they initially thought, it starts to feel like the island itself is closing in, sending them on a dangerous spiral of discovery. COUNTLESS SECRETS When one person goes missing and another turns up dead, the remaining friends wonder what dark currents lie beneath this impenetrable paradise—and who else will be swept under its secluded chaos. With its island gothic sensibility, sexy suspense, and spine-tingling reimagining of an Agatha Christie classic, *Reckless Girls* will wreck you.

ride or die couples in history: *Insatiable Wives* David J. Ley, 2012-01-16 This enlightening work investigates the history, incidence, and causes of a unique sexual lifestyle pursued by increasing numbers of couples. The most common terms used to describe it are 'hotwife/cuckold lifestyle.' This sexual practice, a form of sexual nonmonogamy, is distinguished from swinging and polyamory in that the husband rarely seeks sexual contact outside the marriage except for participation in group sex with his wife and other men, while the wife is permitted, and often encouraged, to pursue unrestrained sexual encounters with other men. The author includes interviews and comments from couples living the lifestyle throughout the United States and presents the stories in an attempt to determine the history of this sexual practice and evolutionary underpinnings of this uncommon and socially taboo behavior in an effort to make it more comprehensible to those engaged in the lifestyle and those who are just curious. -- page 4 of cover.

ride or die couples in history: *Intercultural Marriage* Dugan Romano, 2008-08-18 An insightful look at the stresses and challenges of intercultural relationships - from one who has been there. Today we live in a world without borders, a global village. Distance no longer defines who we meet, fall in love with or marry. The Internet and e-mail connect people around the world in seconds. Immigration, study abroad, travel and multinational business have created a thriving cross-cultural community. But the experiences shared across cultures and countries do not always bridge the

fundamental differences in beliefs and behaviors that span diverse cultures. In *Intercultural Marriage*, Dugan Romano delivers a reality check for anyone already in, or contemplating, an intercultural marriage. This insightful book interweaves lessons learned from others and suggests that the joys of an intercultural marriage often result from turning the challenges of crossing cultures into an opportunity for a fulfilling and lasting relationship. Now in its third edition, *Intercultural Marriage* examines the impact of cultural differences in marriage and offers practical guidelines on how to deal with the complexities they bring to a partnership. Covering such topics as raising bicultural children, religion, values, male vs. female roles, sex and social class, Romano continues to give voice to hundreds of couples she has interviewed and followed for over a decade.
