

Sleepy Hollow Cemetery Map

Sleepy Hollow Cemetery Map: Your Guide to Exploring a Historic Landmark

Are you planning a visit to the iconic Sleepy Hollow Cemetery in Sleepy Hollow, New York? This

historic resting place, steeped in legend and brimming with fascinating history, is more than just a graveyard; it's a living museum under the open sky. But navigating its sprawling grounds can be challenging without a proper map. This comprehensive guide provides you with everything you need to know about accessing and utilizing a Sleepy Hollow Cemetery map, ensuring a smooth and enriching experience during your visit. We'll cover where to find maps, what to look for on them, and some tips for making the most of your exploration. Let's delve into the secrets this legendary cemetery holds!

Finding Your Sleepy Hollow Cemetery Map: Online and On-Site

The first step to exploring Sleepy Hollow Cemetery is obtaining a map. Fortunately, several options exist, catering to different preferences and needs:

1. The Official Sleepy Hollow Cemetery Website:

The official website is your best starting point. Look for a "Visit" or "Map" section, where you'll likely find a downloadable PDF map, often high-resolution and detailed. These official maps usually include key landmarks, notable gravesites, and walking paths, providing a comprehensive overview of the cemetery layout.

2. Third-Party Mapping Services:

While official maps are best, services like Google Maps and Apple Maps offer satellite imagery and sometimes even interactive maps of the cemetery. Bear in mind that these maps might not be as detailed as the official version and may lack the historical context provided by the cemetery's own map. Use these as supplementary resources rather than primary navigation tools.

3. On-Site Maps at the Cemetery:

Upon arrival, check for informational kiosks or the cemetery's visitor center. They often provide physical paper maps for visitors. This is a great option if you prefer a hands-on experience and don't want to rely on technology.

Decoding Your Sleepy Hollow Cemetery Map: Key Features to Look For

Once you have your map, understanding its features is crucial for efficient navigation:

1. Major Pathways and Roads:

Locate the main roads and walking paths within the cemetery. These are crucial for planning your route and avoiding getting lost within the extensive grounds.

2. Sections and Plots:

Sleepy Hollow Cemetery is divided into sections and plots. The map will show these divisions, allowing you to easily locate specific gravesites if you know the section and plot number. This is particularly helpful if you're searching for a particular family member's grave.

3. Notable Graves and Monuments:

Pay attention to markers for significant graves and monuments. The map will usually highlight the resting places of famous individuals, offering a guided tour of sorts through history. Look for icons or labels indicating these key points of interest.

4. Points of Interest:

Some maps will highlight other significant features, such as the Old Dutch Burying Ground, the Washington Irving monument, or other notable architectural elements within the cemetery. Use these to plan a tour that caters to your interests.

5. Scale and Legend:

Always check the map's scale and legend. This will help you gauge distances and understand the symbols used to represent different features.

Tips for Using Your Sleepy Hollow Cemetery Map Effectively

Plan Your Route: Before setting off, plan a route based on the gravesites or areas you wish to visit. This will save you time and energy, ensuring you see everything you want to.

Bring a Pen or Highlighter: Mark important locations on your map as you go. This helps track your progress and easily revisit places of interest.

Check Weather Conditions: Plan accordingly for weather. A sunny day might be ideal for exploring, but rain can make navigation trickier.

Wear Comfortable Shoes: You'll be doing a fair amount of walking, so comfortable footwear is a must.

Respect the Sacred Space: Remember that this is a cemetery and should be treated with respect. Keep noise levels down and avoid disturbing any graves or monuments.

Beyond the Map: Enhancing Your Sleepy Hollow Cemetery Experience

While a map is essential, consider these additions for a richer experience:

Guided Tours: Consider a guided tour for a deeper understanding of the cemetery's history and the stories behind the notable figures buried there.

Research beforehand: Learn about the individuals buried in the cemetery that interest you. This will add depth to your visit and make the experience more meaningful.

Take your time: Don't rush your visit. Allow yourself ample time to explore the grounds at your own pace.

Conclusion

Navigating Sleepy Hollow Cemetery is made significantly easier with a proper map. By utilizing the official website, third-party mapping services, or on-site maps, you can plan a fulfilling journey through this historical landmark. Remember to use the map effectively, respecting the sacred space and allowing plenty of time for exploration. Enjoy uncovering the captivating stories embedded within this fascinating cemetery!

FAQs:

1. Are pets allowed in Sleepy Hollow Cemetery? Generally, pets are not allowed within Sleepy Hollow Cemetery, with the exception of service animals. It's always best to check the official website for the most up-to-date policy.
2. Is there a fee to enter Sleepy Hollow Cemetery? While access to the cemetery itself is generally free, there might be fees for guided tours or special events. Check the official website for current pricing.
3. What are the cemetery's visiting hours? Visiting hours vary depending on the season. It's crucial to check the official website for the most accurate and current information.
4. Can I take photographs in Sleepy Hollow Cemetery? Photography is usually permitted, but it's important to be respectful and avoid disturbing mourners or other visitors. Check the cemetery's website for any specific guidelines.
5. How large is Sleepy Hollow Cemetery? Sleepy Hollow Cemetery covers a substantial area, making a map indispensable for efficient navigation. Its size necessitates careful planning for your visit to ensure you see everything you wish to.

sleepy hollow cemetery map: *The Price* Arthur Miller, 2011-10-06 Victor, a New York cop

nearing retirement, moves among furniture in the disused attic of a house marked for demolition. Cabinets, desks, a damaged harp, an overstuffed armchair - the relics of a lost life of affluence he's finally come to sell. But when his brother Walter, who he hasn't spoken to in years, arrives, the talk stops being just about whether Victor's been offered a fair price for the furniture, and turns to the price that one and not the other of them paid when their father lost both his fortune and the will to go on ...

sleepy hollow cemetery map: Five Little Peppers and How They Grew Margaret Sidney, 2007-06 In New England in the late nineteenth century, a fatherless family, happy in spite of its impoverished condition, is befriended by a very rich gentleman and his young son.

sleepy hollow cemetery map: The Legend of Sleepy Hollow Washington Irving, 2016-10-15 From the listless repose of the place, and the peculiar character of its inhabitants, who are descendants from the original Dutch settlers, this sequestered glen has long been known by name of Sleepy Hollow... A drowsy, dreamy influence seems to hang over the land, and to pervade the very atmosphere. Washington Irving

sleepy hollow cemetery map: Chronicles of Tarrytown and Sleepy Hollow Edgar Mayhew Bacon, 1897

sleepy hollow cemetery map: Lost Battles Philip Sabin, 2015-02-05 From the author's introduction: Ancient battles seize the modern imagination. Far from being forgotten, they have become a significant aspect of popular culture, prompting a continuing stream of books, feature films, television programs and board and computer games... there is a certain escapist satisfaction in looking back to an era when conflicts between entire states turned on clear-cut pitched battles between formed armies, lasting just a few hours and spanning just a few miles of ground. These battles were still unspeakably traumatic and grisly affairs for those involved - at Cannae, Hannibal's men butchered around two and a half times as many Romans (out of a much smaller overall population) as there were British soldiers killed on the notorious first day of the Somme. However, as with the great clashes of the Napoleonic era, time has dulled our preoccupation with such awful human consequences, and we tend to focus instead on the inspired generalship of commanders like Alexander and Caesar and on the intriguing tactical interactions of units such as massed pikemen and war elephants within the very different military context of pre-gunpowder warfare. *Lost Battles* takes a new and innovative approach to the battles of antiquity. Using his experience with conflict simulation, Philip Sabin draws together ancient evidence and modern scholarship to construct a generic, grand tactical model of the battles as a whole. This model unites a mathematical framework, to capture the movement and combat of the opposing armies, with human decisions to shape the tactics of the antagonists. Sabin then develops detailed scenarios for 36 individual battles such as Marathon and Cannae, and uses the comparative structure offered by the generic model to help cast light on which particular interpretations of the ancient sources on issues such as army size fit in best with the general patterns observed elsewhere. Readers can use the model to experiment for themselves by re-fighting engagements of their choice, tweaking the scenarios to accord with their own judgment of the evidence, trying out different tactics from those used historically, and seeing how the battle then plays out. *Lost Battles* thus offers a unique dynamic insight into ancient warfare, combining academic rigor with the interest and accessibility of simulation gaming. This book includes access to a downloadable computer simulation where the reader can view the author's simulations as well create their own.

sleepy hollow cemetery map: Legends and Lore of Sleepy Hollow and the Hudson Valley Jonathan Kruk, 2011-07-21 A storyteller examines Irving's "The Legend of Sleepy Hollow" and the lore that inspired it, as well as other local legends of the Hudson Valley. The story of Ichabod Crane and the Headless Horseman is one of America's best-known fables, but what other stories does the Hudson Valley hold? Imps cause mischief on the Hudson River, a white lady haunts Raven Rock, Major Andre's ghost seeks redemption and real headless Hessians search for their severed skulls. These mysterious and spooky tales from the region's past inspired Irving and continue to captivate the imagination to this day. "Kruk has been enchanting audiences with his dramatic, enticing

storytelling ability for 20 years.” —Suzanne Rothberg, Tarrytown-Sleepy Hollow Patch

sleepy hollow cemetery map: Tarrytown and Sleepy Hollow in the 20th Century MaryAnn Marshall, Sara Mascia, 2010 Located just miles north of New York City, the Hudson River villages of Tarrytown and Sleepy Hollow experienced the highs and lows of the 20th century. The villages experienced life in a grand scale from the 1909 Hudson Fulton Celebration to the 1970s village centennial and American bicentennial festivities. Photographs from the collection of the Historical Society serving Sleepy Hollow and Tarrytown bring the 20th century to life. Tarrytown and Sleepy Hollow in the 20th Century includes images of local and world-renowned personalities, the changing business landscape, growth and consolidation of the public schools, participation of the local population in various business and social organizations, changes in fashion over the years, and the construction of the Tappan Zee Bridge in the 1950s.

sleepy hollow cemetery map: 722 Miles Clifton Hood, 2004-08-23 When it first opened on October 27, 1904, the New York City subway ran twenty-two miles from City Hall to 145th Street and Lenox Avenue—the longest stretch ever built at one time. From that initial route through the completion of the IND or Independent Subway line in the 1940s, the subway grew to cover 722 miles—long enough to reach from New York to Chicago. In this definitive history, Clifton Hood traces the complex and fascinating story of the New York City subway system, one of the urban engineering marvels of the twentieth century. For the subway's centennial the author supplies a new foreword explaining that now, after a century, we can see more clearly than ever that this rapid transit system is among the twentieth century's greatest urban achievements.

sleepy hollow cemetery map: Poe-Land: The Hallowed Haunts of Edgar Allan Poe J. W. Ocker, 2014-10-06 Winner of the 2015 Edgar Award for Best Critical/Biographical! Follow the footsteps of the father of American horror fiction. Edgar Allan Poe was an oddity: his life, literature, and legacy are all, well, odd. In Poe-Land, J. W. Ocker explores the physical aspects of Poe's legacy across the East Coast and beyond, touring Poe's homes, examining artifacts from his life—locks of his hair, pieces of his coffin, original manuscripts, his boyhood bed—and visiting the many memorials dedicated to him. Along the way, Ocker meets people from a range of backgrounds and professions—actors, museum managers, collectors, historians—who have dedicated some part of their lives to Poe and his legacy. Poe-Land is a unique travelogue of the afterlife of the poet who invented detective fiction, advanced the emerging genre of science fiction, and elevated the horror genre with a mastery over the macabre that is arguably still unrivaled today.

sleepy hollow cemetery map: A Week on the Concord and Merrimack Rivers Henry David Thoreau, 1883

sleepy hollow cemetery map: Grave Landscapes James R. Cothran, Erica Danylchak, 2018-01-31 Growing urban populations prompted major changes in graveyard location, design, and use During the Industrial Revolution people flocked to American cities. Overcrowding in these areas led to packed urban graveyards that were not only unsightly, but were also a source of public health fears. The solution was a revolutionary new type of American burial ground located in the countryside just beyond the city. This rural cemetery movement, which featured beautifully landscaped grounds and sculptural monuments, is documented by James R. Cothran and Erica Danylchak in *Grave Landscapes: The Nineteenth-Century Rural Cemetery Movement*. The movement began in Boston, where a group of reformers that included members of the Massachusetts Horticultural Society were grappling with the city's mounting burial crisis. Inspired by the naturalistic garden style and melancholy-infused commemorative landscapes that had emerged in Europe, the group established a burial ground outside of Boston on an expansive tract of undulating, wooded land and added meandering roadways, picturesque ponds, ornamental trees and shrubs, and consoling memorials. They named it Mount Auburn and officially dedicated it as a rural cemetery. This groundbreaking endeavor set a powerful precedent that prompted the creation of similarly landscaped rural cemeteries outside of growing cities first in the Northeast, then in the Midwest and South, and later in the West. These burial landscapes became a cultural phenomenon attracting not only mourners seeking solace, but also urbanites seeking relief from the frenetic confines of the city.

Rural cemeteries predated America's public parks, and their popularity as picturesque retreats helped propel America's public parks movement. This beautifully illustrated volume features more than 150 historic photographs, stereographs, postcards, engravings, maps, and contemporary images that illuminate the inspiration for rural cemeteries, their physical evolution, and the nature of the landscapes they inspired. Extended profiles of twenty-four rural cemeteries reveal the cursive design features of this distinctive landscape type prior to the American Civil War and its evolution afterward. *Grave Landscapes* details rural cemetery design characteristics to facilitate their identification and preservation and places rural cemeteries into the broader context of American landscape design to encourage appreciation of their broader influence on the design of public spaces.

sleepy hollow cemetery map: *French Connection* Robin Moore, 2023-12-05 With a new introduction by the author. The true, absorbing and sometimes frightening documentary of the world's most successful narcotics investigation, *The French Connection* is one of the most fascinating crime accounts of our time. When New York City detectives Eddie Popeye Egan and his partner Sonny Grosso routinely tail Pasquale Patsy Fuca, after observing some wild spending at the Copacabana, they quickly realize that they are on to something really big. Patsy is not only the nephew of a mob boss on the lam but also a key negotiator in an impending delivery of narcotics from abroad. His incongruous connections are with several distinguished Frenchmen, including Jean Jehan, the director of the world's largest heroin network, and Jacques Angelvin, a star of French television. For many suspense-filled months, through opulent Manhattan nightclubs, dark tenements in Brooklyn and the Bronx, tree-lined streets of the genteel Upper East Side, and in Paris, Marseilles, and Palermo, the duel is on -- the prize 112 pounds of pure heroin, worth ninety million on the streets. Over three hundred investigators from local, state, federal, and international agencies are ultimately involved in the hours of weary surveillance, the skilled intuition, the luck -- both good and bad -- and the danger.

sleepy hollow cemetery map: *The Maine Woods* Henry David Thoreau, 1884

sleepy hollow cemetery map: *Natural History of Intellect* Ralph Waldo Emerson, 1893

sleepy hollow cemetery map: *Now Comes Good Sailing* Andrew Blauner, 2023-03-07 From twenty-seven of today's leading writers, an anthology of original pieces on the author of *Walden*. Features essays by Jennifer Finney Boylan • Kristen Case • George Howe Colt • Gerald Early • Paul Elie • Will Eno • Adam Gopnik • Lauren Groff • Celeste Headlee • Pico Iyer • Alan Lightman • James Marcus • Megan Marshall • Michelle Nijhuis • Zoë Pollak • Jordan Salama • Tatiana Schlossberg • A. O. Scott • Mona Simpson • Stacey Vanek Smith • Wen Stephenson • Robert Sullivan • Amor Towles • Sherry Turkle • Geoff Wisner • Rafia Zakaria • and a cartoon by Sandra Boynton. The world is never done catching up with Henry David Thoreau (1817-1862), the author of *Walden*, "Civil Disobedience," and other classics. A prophet of environmentalism and vegetarianism, an abolitionist, and a critic of materialism and technology, Thoreau even seems to have anticipated a world of social distancing in his famous experiment at Walden Pond. In *Now Comes Good Sailing*, twenty-seven of today's leading writers offer wide-ranging original pieces exploring how Thoreau has influenced and inspired them—and why he matters more than ever in an age of climate, racial, and technological reckoning. Here, Lauren Groff retreats from the COVID-19 pandemic to a rural house and writing hut, where, unable to write, she rereads *Walden*; Pico Iyer describes how Thoreau provided him with an unlikely guidebook to Japan; Gerald Early examines *Walden* and the Black quest for nature; Rafia Zakaria reflects on solitude, from Thoreau's Concord to her native Pakistan; Mona Simpson follows in Thoreau's footsteps at Maine's Mount Katahdin; Jennifer Finney Boylan reads Thoreau in relation to her experience of coming out as a trans woman; Adam Gopnik traces Thoreau's influence on the New Yorker editor E. B. White and his book *Charlotte's Web*; and there's much more. The result is a lively and compelling collection that richly demonstrates the countless ways Thoreau continues to move, challenge, and provoke readers today.

sleepy hollow cemetery map: *Life in Five Seconds* H-57, 2013-10-01 Winner of the 2013 Cannes Bronze Book Design Lion and the Epica awards, *Life in Five Seconds* is a gift for anyone with

a good sense of humor and a short attention span. H-57 is a design and advertising with two decades of award-winning work in advertising and the masterminds behind the online infographic History of... series, which has amassed worldwide popularity. Told in ingenious pictographs that are witty, provocative, and to the point, Life in 5 Seconds takes on 200 important events, inventions, great lives, wonders of the natural world, and cultural icons and boils away the useless details to give you the pure essence of knowledge in a bold and irreverent set of illustrations that speak to today's caffeine-charged, jet-fueled, information-overloaded society. You'll laugh out loud as you finally understand the differences between Satan and Santa Claus; explore the vibrancy of artists from Beethoven to Banksy; compare the masonry in the Great Wall of China to that of the Berlin Wall; weigh the importance of Elvis; deconstruct the genius of Ikea; play with the history of video games; and plumb other vitally important holes in your knowledge. From the Hardcover edition.

sleepy hollow cemetery map: The Natural Burial Cemetery Guide Ann Hoffner, 2017 A guidebook for over 125 US cemeteries that offer green burial. Includes introductory material on green burial and photo illustrations. Detailed cemetery entries are color coded and grouped by region and state. 303 pages.

sleepy hollow cemetery map: The Legend of Decimus Croome Kevin Purdy, 2017-06 Based on A Christmas Carol by Charles Dickens, The Legend of Decimus Croome is bound to become a Halloween classic for readers of all ages. Join a cast of ghosts, witches & ghouls on a wild holiday romp through Halloweens past, present & future. Once you've read The Legend of Decimus Croome, you will never look at Halloween the same again.

sleepy hollow cemetery map: Young Poland Julia Griffin, Andrzej Szczerski, 2020-11-16 Showcasing the extraordinary achievements of the proponents of Polish modernism from the 1890s to 1918, this ground-breaking book brings together pioneering research with beautiful imagery. Młoda Polska, or Young Poland, embraced the integration of fine and applied arts, motivated by a desire to establish a distinctive national style at a time of political uncertainty. Patriotic values were expressed through a diverse visual language that was fuelled by national identity, but also looked beyond Poland to Western Europe and the influences of Impressionism, Expressionism, Symbolism, Art Nouveau, while also displaying parallels with the British Arts and Crafts Movement. Young Poland's painting has been discussed within an international arena, but its decorative arts and architecture has yet to enjoy broad exposure. Here, for the first time, the considerable achievements of the movement's applied artists will be discussed, both from a national and international perspective. Highlighting Young Poland's integration of fine and decorative arts, the movement's ideological, stylistic and formal commonalities with British Arts and Crafts, and the vision of Ruskin and Morris, will be drawn out to provide fascinating insights for Western and Eastern audiences alike.

sleepy hollow cemetery map: Abraham Lincoln Carl Schurz, 1892

sleepy hollow cemetery map: Nature and Ideology Joachim Wolschke-Bulmahn, 1997 The essays in this volume explore the broad range of ideas about nature reflected in twentieth-century concepts of natural gardens and their ideological implications. They also investigate garden designers' use of earlier ideas of natural gardens and their relationship to the rich model that nature offers.

sleepy hollow cemetery map: Trail of the Spellmans Lisa Lutz, 2013-05-21 Now in paperback, the fifth installment in the critically acclaimed, bestselling, Edgar Award-nominated series about a fearless private investigator Izzy Spellman and her quirky, yet endearing, family of sleuths.

sleepy hollow cemetery map: The Captive Kingdom (The Ascendance Series, Book 4) Jennifer A. Nielsen, 2020-10-06 Acclaimed author Jennifer A. Nielsen returns to the beloved world of her New York Times bestseller The False Prince in a highly anticipated fourth book in the Ascendance Series! In a peaceful Carthya, Jaron leads as the Ascendant King with Imogen beside him -- but the peace he fought so long for is not destined to last. On a routine sea voyage, Jaron's ship is brutally attacked, and he is taken hostage. The mysterious captors and their leader, Jane Strick, accuse Jaron of unthinkable acts. They are also in possession of some shocking items -- including the crown and

sword that belonged to Jaron's older brother, Darius. The items unearth a past Jaron thought he had put behind him. Though it seems impossible, Jaron must consider: Could Darius be alive? And what does Strick want from Jaron? Against his will, Jaron will be pulled back into a fight for the throne -- and a battle to save his kingdom. Return to Carthya to uncover new secrets, high-stakes action, and Jennifer A. Nielsen's signature breathtaking twists.

sleepy hollow cemetery map: Stories of Great Americans for Little Americans Edward Eggleston, 1895

sleepy hollow cemetery map: 199 Cemeteries to See Before You Die Loren Rhoads, 2017-10-24 A hauntingly beautiful travel guide to the world's most visited cemeteries, told through spectacular photography and their unique histories and residents. More than 3.5 million tourists flock to Paris's Pè Lachaise cemetery each year. They are lured there, and to many cemeteries around the world, by a combination of natural beauty, ornate tombstones and crypts, notable residents, vivid history, and even wildlife. Many also visit Mount Koya cemetery in Japan, where 10,000 lanterns illuminate the forest setting, or graveside in Oaxaca, Mexico to witness Day of the Dead fiestas. Savannah's Bonaventure Cemetery has gorgeous night tours of the Southern Gothic tombstones under moss-covered trees that is one of the most popular draws of the city. 199 Cemeteries to See Before You Die features these unforgettable cemeteries, along with 196 more, seen in more than 300 photographs. In this bucket list of travel musts, author Loren Rhoads, who hosts the popular Cemetery Travel blog, details the history and features that make each destination unique. Throughout will be profiles of famous people buried there, striking memorials by noted artists, and unusual elements, such as the hand carved wood grave markers in the Merry Cemetery in Romania.

sleepy hollow cemetery map: Storied Waters David A. Van Wie, 2019-09-17 Storied Waters chronicles the author's six-week odyssey from Maine to Wisconsin and back to explore and fly fish America's most storied waters and celebrate the writers and artists who made them famous. In a 5,000-mile odyssey covering over 50 locations in eight states, Van Wie follows and fishes in the footsteps of giants from Thoreau to Hemingway, Robert Traver to Corey Ford, Louise Dickinson Rich to Aldo Leopold to Winslow Homer and many more. Storied Waters provides a virtual roadmap through 200 years of fly-fishing literature and a literal roadmap—complete with local fishing tips—to the hallowed waters of our sport. In each chapter, informative sidebars detail fishing spots, best times to fish, major hatches, and other intel. Storied Waters is a grand vicarious adventure, driving the backroads for weeks at a time exploring beautiful places, and meeting fascinating people who share a common interest. With an easy, conversational writing voice enhanced with spectacular photographs, Van Wie relates an eclectic mix of travel narrative, natural history, and fishing tips and advice, as well as a deep (but sometimes humorously irreverent) appreciation for the writers who have created such a rich legacy of stories about fishing over the past 200 years.

sleepy hollow cemetery map: The Identity of Primitive Christianity and Modern Spiritualism Eugene Crowell, 1874

sleepy hollow cemetery map: The Concord Quartet Samuel Agnew Schreiner, Samuel A. Schreiner (Jr.), 2006-08-04 We will walk on our own feet; we will work with our own hands; we will speak our own minds. --Ralph Waldo Emerson, *The American Scholar*, 1837 From the start of transcendentalism and America's intellectual renaissance in the 1830s, to the Civil War and beyond, the story of four extraordinary friends whose lives shaped a nation Beginning in the 1830s, coincidences that seem almost miraculous in retrospect brought together in Concord as friends and neighbors four men of very different temperaments and talents who shared the same conviction that the soul had 'inherent power to grasp the truth' and that the truth would make men free of old constraints on thought and behavior. In addition to Emerson, a philosopher, there was Amos Bronson Alcott, an educator; Henry David Thoreau, a naturalist and rebel; and Nathaniel Hawthorne, a novelist. This book is the story of that unique and influential friendship in action, of the lives the friends led, and their work that resulted in an enduring change in their nation's direction. --From the Prologue

sleepy hollow cemetery map: Night Photography Gabriel Biderman, Tim Cooper, 2013-11-13

Are you a night owl looking to make stunning images of streetscapes, fireworks, or the night sky? Do you like to bend time with long exposure photography? Do star trails or lightning strikes inspire you? Then this book is for you! In *Night Photography: From Snapshots to Great Shots*, photographer Gabriel Biderman brings you the basics of digital night photography—exposure, composition, and light—and how to scout and capture different nocturnal locations once the sun goes down. Gabriel will help you understand the fundamentals and bring your unique artistic expression to any night situation. In this beautifully illustrated guide you will: Focus in the dark and master basic composition rules—and know when to break them Understand metering and switch to manual mode for more control over your exposure Set white balance, understand color temperature, and add flash or slow sync Explore color, light painting, and creative ways to play with light in your images Learn what gear works best for your style of shooting and strategies for operating your equipment in the dark Discover expert techniques for post-processing your nighttime images in Lightroom and Photoshop Beautifully illustrated with large, compelling photos, this book teaches you how to take control of your photography to get the image you want every time. And once you have the shot, show it off and join the book's Flickr group: www.flickr.com/groups/night_fromsnapshottogreatshots

sleepy hollow cemetery map: Yankee Magazine's Ultimate Guide to Autumn in New England Yankee Magazine, Collective, 2000-04 Best foliage views, tours, lodging.

sleepy hollow cemetery map: Walden Henry David Thoreau, 2014 *Walden* (first published as *Walden; or, Life in the Woods*) is an American book written by noted transcendentalist Henry David Thoreau, a reflection upon simple living in natural surroundings. The work is part personal declaration of independence, social experiment, voyage of spiritual discovery, satire, and manual for self-reliance. First published in 1854, it details Thoreau's experiences over the course of two years, two months, and two days in a cabin he built near Walden Pond, amidst woodland owned by his friend and mentor Ralph Waldo Emerson, near Concord, Massachusetts. The book compresses the time into a single calendar year and uses passages of four seasons to symbolize human development. By immersing himself in nature, Thoreau hoped to gain a more objective understanding of society through personal introspection. Simple living and self-sufficiency were Thoreau's other goals, and the whole project was inspired by transcendentalist philosophy, a central theme of the American Romantic Period. As Thoreau made clear in his book, his cabin was not in wilderness but at the edge of town, about two miles (3 km) from his family home. --P. [4] of cover.

sleepy hollow cemetery map: Crockett's Victory Garden James Underwood Crockett, 1977

sleepy hollow cemetery map: Perfect Example John Porcellino, 2021-02-09 A melancholic memoir of saying goodbye to the familiar Brimming with empathy and a charming, self-aware wit, *Perfect Example* is King-Cat zinester John Porcellino's coming-of-age memoir about the momentous, but seemingly never-ending year between the end of high school and the start of university. His year spans awkward house parties, first kisses, guitar practice, and the cultivation of new friendships. Yet, even though he has a new girlfriend, and goes on spontaneous road trips to sneak in to 21+ concerts, Porcellino is plagued by incessant sadness, seeking him to contemplate suicide. As he traverses the 1980s Chicago suburbs on his skateboard, Porcellino seeks to engage with society all the while struggling to keep his own sadness at bay. When he fails to remedy his depression, he turns inward, offering illuminating graphic depictions of psychological distress. Porcellino's minimalism proves uniquely evocative in this novel, revealing the universality of his narrative. His auto-biographical renderings frame difficult experiences within the context of empathetic reflection, offering up a new way for us to read our own pasts, and be kind to our younger selves. In his transparency and attention to the minute details of human interaction, Porcellino's inventive storytelling is as affecting now as it was upon its original distribution in mini comics.

sleepy hollow cemetery map: Eat Pray Love Made Me Do It , 2016-05-05 In the ten years since its electrifying debut, Elizabeth Gilbert's *Eat Pray Love* has become a worldwide phenomenon, empowering millions of readers to set out on paths they never thought possible. In this candid and

captivating collection, nearly fifty of those readers – as diverse in their experiences as they are in age and background – share their stories. *Eat Pray Love* helped one woman to embrace motherhood, another to come to terms with the loss of her mother, and a third to find peace with not wanting to become a mother at all. One writer finds new love overseas; another embraces his sexual identity. The journeys they recount are transformative –sometimes hilarious, sometimes heartbreaking, but always inspiring. Entertaining and enlightening, *Eat Pray Love Made Me Do It* is a celebration for fans old and new.

sleepy hollow cemetery map: The Old English Christmas Washington Irving, 1920

sleepy hollow cemetery map: Mortal Remains Nancy Isenberg, Andrew Burstein, 2012-07-05

Mortal Remains introduces new methods of analyzing death and its crucial meanings over a 240-year period, from 1620 to 1860, untangling its influence on other forms of cultural expression, from religion and politics to race relations and the nature of war. In this volume historians and literary scholars join forces to explore how, in a medically primitive and politically evolving environment, mortality became an issue that was inseparable from national self-definition. Attempting to make sense of their suffering and loss while imagining a future of cultural permanence and spiritual value, early Americans crafted metaphors of death in particular ways that have shaped the national mythology. As the authors show, the American fascination with murder, dismembered bodies, and scenes of death, the allure of angel sightings, the rural cemetery movement, and the enshrinement of George Washington as a saintly father, constituted a distinct sensibility. Moreover, by exploring the idea of the vanishing Indian and the brutality of slavery, the authors demonstrate how a culture of violence and death had an early effect on the American collective consciousness. *Mortal Remains* draws on a range of primary sources—from personal diaries and public addresses, satire and accounts of sensational crime—and makes a needed contribution to neglected aspects of cultural history. It illustrates the profound ways in which experiences with death and the imagery associated with it became enmeshed in American society, politics, and culture.
