

Translation Of Julius Caesar

The Translation of Julius Caesar: Navigating the Nuances of Shakespeare's Masterpiece

Shakespeare's *Julius Caesar*, a timeless exploration of power, ambition, and betrayal, continues to captivate audiences worldwide. But accessing its rich tapestry of language and meaning isn't always straightforward. This comprehensive guide delves into the complexities of translating *Julius Caesar*, exploring the challenges faced by translators and highlighting the key considerations that shape different versions. We'll examine why translation is crucial, analyze the nuances of language and style, and guide you towards finding the perfect *Julius Caesar* translation for your needs.

Why Translate Julius Caesar? Reaching a Wider Audience

The very existence of numerous translations of Julius Caesar underscores its enduring relevance. Shakespeare's original Early Modern English, though beautiful, presents significant challenges to modern readers. The vocabulary, grammar, and even the rhythm of the language differ considerably from contemporary English. Therefore, translation serves a vital purpose: to make this powerful work accessible to a broader audience, ensuring that its enduring themes resonate with readers across linguistic and cultural boundaries. This accessibility fuels scholarly study, classroom discussions, and, most importantly, widespread appreciation of Shakespeare's genius.

The Challenges of Translating Shakespeare's Prose and Poetry

Translating Julius Caesar, or any Shakespearean play for that matter, is no simple task. The playwright's mastery of language – his use of iambic pentameter, his rich vocabulary, his subtle wordplay – presents a formidable challenge. Translators must grapple with several key difficulties:

1. The Nuances of Early Modern English: Shakespeare's language is far removed from modern English. Words have shifted in meaning, grammatical structures have changed, and idioms have become obsolete. A translator must painstakingly decipher the original meaning while retaining the essence of Shakespeare's style.

2. The Balance Between Accuracy and Readability: The goal is not merely to translate word-for-word but to convey the meaning and impact of the original text in a way that is clear and engaging for the modern reader. This often necessitates creative license, requiring translators to make difficult choices about which aspects of the original to prioritize.

3. Capturing the Poetic Quality: Shakespeare's plays are not just dramatic narratives; they are works of art. The rhythm, meter, and poetic devices are integral to their power. A successful translation must strive to capture this poetic quality in the target language, which can be exceptionally difficult.

Different Approaches to Translation: Word-for-Word vs. Meaning-Based

Translators adopt diverse strategies when approaching the task. Some favour a more literal, word-for-word approach, aiming to stay as close as possible to the original text. Others prioritize conveying the meaning and impact, even if it requires significant departures from the original wording. The choice often reflects the intended audience and purpose of the translation. A translation aimed at scholars may prioritize accuracy, while a translation for a general audience may prioritize clarity and accessibility.

Finding the Right Translation for You: Considerations for Choosing a Version

Choosing the right translation depends on your purpose. Are you a scholar researching Shakespeare's language? Are you a student preparing for a class? Or are you simply a reader seeking to enjoy the play? Consider the following factors:

Target Audience: Some translations are specifically designed for students, while others are geared toward a more general audience.

Translator's Background: Look for translators with a strong understanding of both Early Modern English and the target language.

Available Annotations and Explanatory Notes: These can be invaluable for understanding the context and meaning of difficult passages.

Reviews and Criticisms: Reading reviews and critical analyses of different translations can help you gauge their strengths and weaknesses.

Conclusion

Translating Julius Caesar is a complex endeavor requiring skill, artistry, and a deep understanding of both Shakespeare's work and the intricacies of language. The numerous translations available reflect the enduring appeal of the play and the continued desire to make it accessible to a wider audience. By considering the factors discussed above, you can choose a translation that meets your specific needs and allows you to fully appreciate the power and beauty of Shakespeare's masterpiece.

Frequently Asked Questions (FAQs)

1. Is there a single "best" translation of Julius Caesar? No, the "best" translation depends on individual preferences and needs. Some prioritize accuracy, while others favor readability and accessibility.
2. Are there translations available in languages other than English? Yes, Julius Caesar has been translated into numerous languages worldwide, making it accessible to a global audience.
3. Where can I find different translations of Julius Caesar? You can find translations online through various retailers, libraries, and academic databases.
4. What are some of the most well-regarded translations of Julius Caesar? Many esteemed translations exist; researching reviews and comparisons will help you identify translations praised for accuracy, readability, and interpretive insights.

5. How can I tell if a translation is reliable? Look for translations from reputable publishers, with translators possessing established expertise in Shakespearean studies and translation theory. Reviews and scholarly commentary can also guide your choice.

translation of julius caesar: Julius Caesar William Shakespeare, Kent Richmond, 2011-05 This complete, line-by-line translation of Julius Caesar makes the language of Shakespeare's play contemporary while preserving the metrical rhythm, complexity, and poetic qualities of the original. The aim is to capture both sound and sense of Shakespeare's tragedy without the need for glosses or notes to use contemporary language without simplifying or modernizing the play in any other way. Readers experience Shakespeare's tale of the brutal assassination of Rome's most famous leader with the comprehension and delight of audiences 400 years ago, the way Shakespeare intended. Features Line-by-line, not prose paraphrases. Complete. No lines deleted. No dumbing down. Accurate and authentic iambic pentameter. True to the feel and look of Shakespeare's original. Tone, complexity, and poetic devices preserved. Subtlety and richness revealed without the need of notes and glosses. Accessible introduction to classic drama. Attractive, uncluttered, easy-to-read layout. Stage-ready for an audience-pleasing theatrical. Too often, unless we read a Shakespeare play beforehand, we process the language as if it were coming from a poorly tuned-in radio station. Shakespeare didn't write his plays to be experienced impressionistically as 'poetry;' he assumed his language was readily comprehensible. At what point does a stage of a language become so different from the modern one as to make translation necessary? Mr. Richmond is brave enough to assert that, for Shakespeare, that time has come. The French have Moliere, the Russians have Chekhov and now, we can truly say that we have our Shakespeare. John McWhorter, Manhattan Institute

translation of julius caesar: Julius Caesar Jonnie Patricia Mobley, 2010-09-01 The Access to Shakespeare edition of Julius Caesar offers a way to read and study the drama without distracting footnotes. Each page of the play is paired with a modern English translation that parallels the original, line for line. It breaks down the linguistic barriers so you can experience the suspense and conflict just as Shakespeare's first audience did. See the manipulation, watch good intentions lead to disaster, and discover what drives those who would rule. For an even better experience, use this edition alongside the Julius Caesar Manual.

translation of julius caesar: The War for Gaul Julius Caesar, 2021-07-13 Imagine a book about an unnecessary war written by the ruthless general of an occupying army - a vivid and dramatic propaganda piece that forces the reader to identify with the conquerors and that is designed, like the war itself, to fuel the limitless political ambitions of the author. Could such a campaign autobiography ever be a great work of literature - perhaps even one of the greatest? It would be easy to think not, but such a book exists -and it helped transform Julius Caesar from a politician on the make into the Caesar of legend. This remarkable new translation of Caesar's famous but underappreciated War for Gaul captures, like never before in English, the gripping and powerfully concise style of the future emperor's dispatches from the front lines in what are today France, Belgium, Germany, and Switzerland. While letting Caesar tell his battle stories in his own way, distinguished classicist James O'Donnell also fills in the rest of the story in a substantial introduction and notes that together explain why Gaul is the best bad man's book ever written--A great book in which a genuinely bad person offers a bald-faced, amoral description of just how bad he has been. Complete with a chronology, a map of Gaul, suggestions for further reading, and an index, this feature-rich edition captures the forceful austerity of a troubling yet magnificent classic - a book that, as O'Donnell says, 'gets war exactly right and morals exactly wrong.' -- Front jacket flap

translation of julius caesar: Julius Caesar In Plain and Simple English (A Modern Translation) BookCaps, William Shakespeare, 2011 **IMPORTANT NOTE-- We were recently made aware of a problem with the spacing in this book. translation of julius caesar: Napoleon's Commentaries on the Wars of Julius Caesar , 2017-11-30 While in exile on St Helena, Napoleon dictated a commentary on the wars of Julius Caesar, later published in 1836. In each chapter he summarized the events of one campaign, then added comments from the standpoint of his own military knowledge. Over the nearly two millennia between Caesar and Napoleon some aspects of warfare had changed, notably the introduction of firearms. But much remained the same: the rate of movement of armies (at the foot pace of horse or man); human muscle power as the main source of energy for construction work; some military techniques, notably bridge construction; as well as the actual territory fought over by Caesar and later by Napoleon. Napoleons commentary thus provides a fascinating and highly authoritative insight into Caesars wars, as well as providing a window into Napoleons own thinking and attitudes. Napoleon in places detects mistakes on the part of Caesar and his enemies, and says what they should have done differently. Remarkably, this is thought to be the first full English translation of Napoleon's work.Napoleon Bonaparte was born to an obscure Corsican family but rose through the ranks of the French army to become Emperor of France, conqueror of most of Europe and acknowledged military genius. He wrote this book while in exile on St Helena.The translator. RA Maguire, is a former civil engineer with a long-standing interest in military and ancient history.

translation of julius caesar: The Landmark Julius Caesar Kurt A. Raaflaub, 2019-02-05 The Landmark Julius Caesar is the definitive edition of the five works that chronicle the military campaigns of Julius Caesar. Together, these five narratives present a comprehensive picture of military and political developments leading to the collapse of the Roman republic and the advent of the Roman Empire. The Gallic War is Caesar's own account of his two invasions of Britain and of conquering most of what is today France, Belgium, and Switzerland. The Civil War describes the conflict in the following year which, after the death of his chief rival, Pompey, and the defeat of Pompey's heirs and supporters, resulted in Caesar's emergence as the sole power in Rome. Accompanying Caesar's own commentaries are three short but essential additional works, known to us as the Alexandrian War, the African War, and the Spanish War. These were written by three unknown authors who were clearly eyewitnesses and probably Roman officers. Caesar's clear and direct prose provides a riveting depiction of ancient warfare and, not incidentally, a persuasive

portrait for the Roman people (and for us) of Caesar himself as a brilliant, moderate, and effective leader—an image that was key to his final success. Kurt A. Raaflaub's masterful translation skillfully brings out the clarity and elegance of Caesar's style, and this, together with such Landmark features as maps, detailed annotations, appendices, and illustrations, will provide every reader from lay person to scholar with a rewarding and enjoyable experience. (With 2-color text, maps, and illustrations throughout; web essays available at <http://www.thelandmarkcaesar.com/>)

translation of julius caesar: Julius Caesar William Shakespeare, 2010-02-12 What actions are justified when the fate of a nation hangs in the balance, and who can see the best path ahead? Julius Caesar has led Rome successfully in the war against Pompey and returns celebrated and beloved by the people. Yet in the senate fears intensify that his power may become supreme and threaten the welfare of the republic. A plot for his murder is hatched by Caius Cassius who persuades Marcus Brutus to support him. Though Brutus has doubts, he joins Cassius and helps organize a group of conspirators that assassinate Caesar on the Ides of March. But, what is the cost to a nation now erupting into civil war? A fascinating study of political power, the consequences of actions, the meaning of loyalty and the false motives that guide the actions of men, Julius Caesar is action packed theater at its finest.

translation of julius caesar: Caesar's Commentaries on the Gallic War Julius Caesar, 1904

translation of julius caesar: The Age of Caesar: Five Roman Lives Plutarch, 2017-01-31 Plutarch regularly shows that great leaders transcend their own purely material interests and petty, personal vanities. Noble ideals actually do matter, in government as in life. —Michael Dirda, Washington Post A brilliant new translation of five of history's greatest lives from Plutarch, the inventor of biography. Pompey, Caesar, Cicero, Brutus, Antony: the names resonate across thousands of years. Major figures in the civil wars that brutally ended the Roman republic, their lives still haunt us as examples of how the hunger for personal power can overwhelm collective politics, how the exaltation of the military can corrode civilian authority, and how the best intentions can lead to disastrous consequences. Plutarch renders these history-making lives as flesh-and-blood characters, often by deftly marshalling small details such as the care Brutus exercised in his use of money or the disdain Caesar felt for the lofty eloquence of Cicero. Plutarch was a Greek intellectual who lived roughly one hundred years after the age of Caesar. At home in the world of Roman power, he preferred to live in the past, among the great figures of Greek and Roman history. He intended his biographical profiles to be mirrors of character that readers could use to inspire their own values and behavior—emulating virtues and rejecting flaws. For Plutarch, character was destiny for both the individual and the republic. He was our first master of the biographical form, a major source for Shakespeare and Gibbon. This edition features a new translation by Pamela Mensch that lends a brilliant clarity to Plutarch's prose. James Romm's notes guide readers gracefully through the people, places, and events named in the profiles. And Romm's preface, along with Mary Beard's introduction, provide the perfect frame for understanding Plutarch and the momentous history he narrates.

translation of julius caesar: Plutarch Caesar, 2011-10-27 Plutarch's Life of Caesar deals with the best known Roman of them all, Julius Caesar, and covers virtually all of the major events of the last generation of the Republic. Pelling's volume gives a new translation of the Life, together with an introduction and commentary, while also acknowledging the literary aspects of the narrative.

translation of julius caesar: Julius Caesar Manual Jonnie Patricia Mobley, 2010

translation of julius caesar: The Commentaries of Caesar, Julius Caesar, William Duncan, 1755

translation of julius caesar: Julius Caesar in Plain and Simple English William Shakespeare, BookCaps Study Guides Staff, 2012-03-16 Julius Caesar has been helmed one of the greatest tragedies of all times--it has it all! translation of julius caesar: *CIVIL WAR. JULIUS. CAESAR*, 2015

translation of julius caesar: *Julius Caesar and Me* Paterson Joseph, 2018-04-05 'Julius Caesar is, simply, Shakespeare's African play' John Kani In 2012, actor Paterson Joseph played the role of Brutus in the Royal Shakespeare Company's acclaimed production of *Julius Caesar* - Gregory Doran's last play before becoming Artistic Director for the RSC. It is a play, Joseph is quick to acknowledge, that is widely misunderstood - even dreaded - when it comes to study and performance. Alongside offering fascinating insights into Julius Caesar and Shakespeare's writing, Joseph serves up details of the rehearsal process; his key collaborations during an eclectic career; as well as his experience of working with a majority black cast. He considers the positioning of ethnic minority actors in Shakespeare productions in general, and female actors tackling so seemingly masculine a play in particular. Audience reactions are also investigated by Joseph, citing numerous conversations he has had with psychologists, counsellors and neurologists on the subject of what happens between performer and spectator. For Paterson Joseph, his experience of playing Brutus in *Julius Caesar* with the RSC was a defining point in his career, and a transformative experience. For any actor or practitioner working on Shakespeare - or for any reader interested in his plays - this is a fascinating and informative read, which unlocks so much about making and understanding theatre from the inside.

translation of julius caesar: *Juliasi Kaizari (Julius Caesar)* William Shakespeare, 2012-03-06 A Kiswahili translation of *Julius Caesar*. William Shakespeare's *Julius Caesar* is the first of his three Roman history plays. Closely based on actual events chronicled in Plutarch's *Lives*, this play is the story of the tragic downfall of Caesar and those who conspired against him. Many of Shakespeare's most memorable lines are found here, in what is considered by some to be the greatest tragedy ever written.

translation of julius caesar: *Caesar's De Analogia* Alessandro Garcea, 2012-02-09 In this volume, Garcea brings together for the first time the fragments of Caesar's *De Analogia* with a complete translation and commentary. Contextualising the text and its subsequent translation in Pliny and Romanus, Garcea presents the issues raised by means of comparison with the texts of Caesar's interlocutors.

translation of julius caesar: *The Complete Works of Julius Caesar* Julius Julius Caesar, 2018-01-06 This a presentation of the works of Julius Caesar in English translation. This includes his *Gallic Wars* and *Civil Wars*, plus three shorter works. Beyond its importance as a source document for military and Roman history, Caesar's clean prose style has long made his *Gallic Wars* the text of choice for second-year Latin. It is also of interest because of his first-hand observations of the Celtic tribes that he was waging war on. For instance, Book 6 contains a long passage about Gaulish society, the Druids, and his famous description of the original burning man ritual. Gaius Julius Caesar (13 July 100 BC - 15 March 44 BC), usually called Julius Caesar, was a Roman politician and general who played a critical role in the events that led to the demise of the Roman Republic and the rise of the Roman Empire. He is also known as a notable author of Latin prose.

translation of julius caesar: *Lives of the Caesars* J. C. Rolfe, 2006-10 Suetonius transports us back in time as he narrates the biography of Roman emperor Nero in this magnificent classic. It is focused on the life of the young usurper as well as on the different facets of his personality. Rich in historical detail, the book also offers commentary on the political set-up of that time. Highly informative!...

translation of julius caesar: *Shakespeare in Modern English* Translated by Hugh Macdonald, 2016-12-05 Shakespeare in Modern English breaks the taboo about Shakespeare's texts, which have long been regarded as sacred and untouchable while being widely and freely translated into foreign languages. It is designed to make Shakespeare more easily understood in the theatre

without dumbing down or simplifying the content. Shakespeare's 'As You Like It', 'Coriolanus' and 'The Tempest' are presented in Macdonald's book in modern English. They show that these great plays lose nothing by being acted or read in the language we all use today. Shakespeare's language is poetic, elaborately rich and memorable, but much of it is very difficult to comprehend in the theatre when we have no notes to explain allusions, obsolete vocabulary and whimsical humour. Foreign translations of Shakespeare are normally into their modern language. So why not ours too? The purpose in rendering Shakespeare into modern English is to enhance the enjoyment and understanding of audiences in the theatre. The translations are not designed for children or dummies, but for those who want to understand Shakespeare better, especially in the theatre. Shakespeare in Modern English will appeal to those who want to understand the rich and poetical language of Shakespeare in a more comprehensible way. It is also a useful tool for older students studying Shakespeare.

translation of julius caesar: Chronicles of Caesar's Wars Napoleon Napoleon I, 2017-10-29 For the first time ever, Napoleon's Chronicles of Caesar's Wars (*Précis des guerres de César*) is available in English. Dictated by Napoleon to Count Marchand, his valet, while in exile on St. Helena, Chronicles of Caesar's Wars explores Caesar's rise, his campaigns in Europe and North Africa, and the plot that killed him. Napoleon, who had a lifelong obsession with Caesar, wrote this book in one of his last acts. The work relaxed him, tossing a few flowers on the path that was leading to the tomb, as Count Marchand's preface recalls. Napoleon passionately explores Caesar's battles in Gaul and during the Civil War. He concludes each chapter with observations, sometimes providing details, sometimes veering away from praise towards criticism, applying the insights of a military career and a healthy ego to explain what he would have done better. Napoleon ends the book with a remarkable defense of Caesar's dictatorship. He takes apart his assassins' justifications and the fault-finding of good Plutarch the libeler with such fervor that one can scarcely believe a gulf of two millennia stood between the two eminent men. In a sense, though, it was also a defense of his own government. Attached to the book are previously untranslated essays in which Napoleon takes on the role of literary critic and philosopher. He criticizes Virgil's Aeneid for butchering Homer's Iliad, and Voltaire for unflatteringly depicting Mohammad, another of Napoleon's heroes. He explores in another essay whether a man has the right to kill himself, an act we now know he had personally attempted.

translation of julius caesar: Things Fall Apart Chinua Achebe, 1994-09-01 "A true classic of world literature . . . A masterpiece that has inspired generations of writers in Nigeria, across Africa, and around the world." —Barack Obama "African literature is incomplete and unthinkable without the works of Chinua Achebe." —Toni Morrison Nominated as one of America's best-loved novels by PBS's The Great American Read Things Fall Apart is the first of three novels in Chinua Achebe's critically acclaimed African Trilogy. It is a classic narrative about Africa's cataclysmic encounter with Europe as it establishes a colonial presence on the continent. Told through the fictional experiences of Okonkwo, a wealthy and fearless Igbo warrior of Umuofia in the late 1800s, Things Fall Apart explores one man's futile resistance to the devaluing of his Igbo traditions by British political and religious forces and his despair as his community capitulates to the powerful new order. With more than 20 million copies sold and translated into fifty-seven languages, Things Fall Apart provides one of the most illuminating and permanent monuments to African experience. Achebe does not only capture life in a pre-colonial African village, he conveys the tragedy of the loss of that world while broadening our understanding of our contemporary realities.

translation of julius caesar: The Gallic War Julius Caesar, 1998-11-26 The Gallic War, published on the eve of the civil war which led to the end of the Roman Republic, is an autobiographical account written by one of the most famous figures of European history. On one level a straightforward narrative of the campaigns Caesar fought against the Gauls, Germans and Britons, it also serves a deeper political purpose, revealing him as a commander of breathtaking flair, courage and persistence - a man of the people, a man without rival. This new translation reflects the purity of Caesar's Latin while preserving the pace and flow of his momentous narrative

of the conquest of Gaul and the first Roman invasions of Britain and Germany. The introduction includes a survey of Caesar's role and reputation in later thought, while detailed notes, maps, a table of dates, and glossary make this the most useful edition available. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

translation of julius caesar: *I, Claudius* Robert Graves, 2014-03-06 "One of the really remarkable books of our day"—the story of the Roman emperor on which the award-winning BBC TV series was based (The New York Times). Once a rather bookish young man with a limp and a stammer, a man who spent most of his time trying to stay away from the danger and risk of the line of ascension, Claudius seemed an unlikely candidate for emperor. Yet, on the death of Caligula, Claudius finds himself next in line for the throne, and must stay alive as well as keep control. Drawing on the histories of Plutarch, Suetonius, and Tacitus, noted historian and classicist Robert Graves tells the story of the much-maligned Emperor Claudius with both skill and compassion. Weaving important themes throughout about the nature of freedom and safety possible in a monarchy, Graves's Claudius is both more effective and more tragic than history typically remembers him. A bestselling novel and one of Graves' most successful, *I, Claudius* has been adapted to television, film, theatre, and audio. "[A] legendary tale of Claudius . . . [A] gem of modern literature." —Publishers Weekly (starred review)

translation of julius caesar: *The Merchant of Venice* William Shakespeare, 1917

translation of julius caesar: *Suetonius: Domitian* Suetonius, 1996 An analysis of Suetonius' account of the emperor Domitian. The book provides a detailed commentary on matters of historical importance in the text, together with a discussion of Suetonius' life. A comparison is offered between Suetonius' account and Dio's version. Latin sources are utilized.

translation of julius caesar: *The Conquest of Gaul* Julius Caesar, 1983-02-24 The enemy were overpowered and took to flight. The Romans pursued as far as their strength enabled them to run' Between 58 and 50 BC Julius Caesar conquered most of the area now covered by France, Belgium and Switzerland, and invaded Britain twice, and *The Conquest of Gaul* is his record of these campaigns. Caesar's narrative offers insights into his military strategy and paints a fascinating picture of his encounters with the inhabitants of Gaul and Britain, as well as lively portraits of the rebel leader Vercingetorix and other Gallic chieftains. *The Conquest of Gaul* can also be read as a piece of political propaganda, as Caesar sets down his version of events for the Roman public, knowing he faces civil war on his return to Rome. Revised and updated by Jane Gardner, S. A. Handford's translation brings Caesar's lucid and exciting account to life for modern readers. This volume includes a glossary of persons and places, maps, appendices and suggestions for further reading.

translation of julius caesar: *Mr Bruff's Guide to GCSE English Language* Andrew Bruff, 2017-03-03 In 2011, I began creating online tutorial videos on Youtube, with a vision to share my GCSE expertise in English language and literature. As I write, these videos have been viewed over 10 million times across 214 different nations. My GCSE English Youtube channel has over 60,000 subscribers. To accompany these videos, I have published over 20 revision guide eBooks-one of which you are currently looking at! My guide to the previous GCSEs in English language and literature sat at the top of the Amazon bestseller's list for over 45 weeks and achieved huge acclaim; this book aims to build on those strengths. In this ebook, you'll receive detailed guidance on every question in the AQA GCSE English Language exams. Please note that this ebook is not endorsed by or affiliated to any exam boards; I am simply an experienced teacher using my expertise to help students. However, if you read some of the 100+ reviews for this guide, you will see that it has already helped students, teachers and parents across the UK. As an extra bonus, this ebook contains links to five special video tutorials which are only available to those who purchase this guide. These links appear later in the text. I hope you enjoy the ebook. You should also purchase the accompanying eBook which covers the English Literature exams.

translation of julius caesar: North's Translation of Plutarch's Life of Julius Caesar (Classic Reprint) Plutarch Plutarch, 2016-11-10 Excerpt from North's Translation of Plutarch's Life of Julius Caesar Amyot lost little in truth by his translation and gained everything in charm. It is Surprising, says Mr. Long, to find how correct this Old French translation generally is. Amyot was a man Of great industry and considerable learning. He sought diligently in the libraries Of Rome and Venice for those Lives Of Plutarch which are lost; and though his Search was unsuccessful, it had this great effect, that by comparing the variety of manuscripts he found with the printed copies, he was enabled in many places to rectify the text. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. translation of julius caesar: The Commentaries of Caesar, Translated Into English Julius Caesar, William Duncan, 2023-07-18 This invaluable resource is an English translation of one of the greatest works of classical antiquity- Julius Caesar's Commentaries on the Gallic War. The book is not only a fascinating read, but provides invaluable insights into a period of history that is still fascinating to military strategists and historians alike. The commentary by William Duncan provides important context and background information which ensures an excellent reading experience. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally

available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
