superman and lois episode guide: Investigating Lois Lane Tim Hanley, 2016-03-01 In a universe full of superheroes, Lois Lane has fought for truth and justice for over 75 years on page and screen without a cape or tights. From her creation by Jerry Siegel and Joe Shuster in 1938 to her forthcoming appearance in *Batman v Superman: Dawn of Justice* in 2016, from helming her own comic book for twenty-six years to appearing in animated serials, live-action TV shows, and full-length movies, Lois Lane has been a paragon of journalistic integrity and the paramour of the world's strongest superhero. But her history is one of constant tension. From her earliest days, Lois yearned to make the front page of the *Daily Planet*, but was held back by her damsel-in-distress role. When she finally became an ace reporter, asinine lessons and her tumultuous romance with Superman dominated her storylines for decades and relegated her journalism to the background. Through it all, Lois remained a fearless and ambitious character, and today she is a beloved icon and an inspiration to many. Though her history is often troubling, Lois's journey, as revealed in *Investigating Lois Lane*, showcases her ability to always escape the gendered limitations of each era and of the superhero genre as a whole.

superman and lois episode guide: Lois Lane and the Friendship Challenge Grace Ellis, 2020-08-11 From New York Times bestselling author Grace Ellis (Lumberjanes) and artist Brittney Williams (Goldie Vance) comes a new story about 13-year-old Lois Lane as she navigates the confusing worlds of social media and friendship. It’s the first day of summer break in the sleepy town of Liberty View, and young Lois Lane bursts onto the scene with what she knows is a sure-to-go-viral video channel. Okay, maybe her platform only receives two views a week (thanks, Mom), and maybe her best friend, Kristen, isn’t quite as enthusiastic about social media, but when Lois sets her mind on something, there’s no turning back. At the end of the week, the big neighborhood barbecue and bike race will be the perfect backdrop to Lois and Kristen’s #friendshipchallenge video. But when the girls find out the annual fireworks are missing, Lois doubles down on her efforts for fame, testing her friendship in ways she couldn’t imagine. With

Kristen leaving for sleepaway camp after the barbecue and a new girl on the block taking all of Kristen's attention, will Lois be able to find the missing fireworks, celebrate the summer, and post the best #friendshipchallenge the internet has ever seen? Or will she have to face her challenges IRL?

superman and lois episode guide: The Science of Superman Mark Wolverton, Roger Stern, 2004-03-01 What if the Kryptonian named Kal-El, a humanoid being whose world orbited a far-off red dwarf star, was actually raised here on Earth? Would such a being be capable of achieving the feats of power commonly associated with Superman? And if so, how could his powers be scientifically explained? In The Science of Superman, science writer Mark Wolverton answers these questions. Examining Superman's powers through the lens of modern science, Wolverton explains the fundamental biological and genetic differences between Earthlings and Kryptonians that allow Superman to exercise extraordinary abilities on our planet. For the first time anywhere, you'll understand the logic and science that underlie Superman's super powers.

superman and lois episode guide: Superman Returns Editors of DC Comics, 2006-06-20 Following a mysterious absence of several years, the Man of Steel comes back to Earth in the epic action-adventure Superman Returns, a soaring new chapter in the saga of one of the world's most beloved super heroes. While an old enemy plots to render him powerless once and for all, Superman faces the heartbreaking realization that the woman he loves, Lois Lane, has moved on with her life. Or has she? Superman's bittersweet return challenges him to bridge that distance while also trying to find a place in society that has learned to live without him. In an attempt to protect the world he loves from cataclysmic destruction, Superman embarks on an epic journey of redemption that takes him from the depths of the ocean to the far reaches of outer space. More than 150 magnificent photos will appear in the official Superman Returns book. Set alongside excerpts from the screenplay and short essays, the photographs will allow the reader to follow the arc of the film's story and marvel at the filmmaking magic on display -- from the spectacular creation of the Daily Planet to the breathtaking action-set pieces.

Critically acclaimed and best-selling author Greg Rucka and master storyteller Mike Perkins team up for a tale of conspiracy, intrigue and murder that pushes even Lois to her limits.

superman and lois episode guide: Superman Ian Gordon, 2017-02-13 After debuting in 1938, Superman soon became an American icon. But why has he maintained his iconic status for nearly 80 years? And how can he still be an American icon when the country itself has undergone so much change? Superman: Persistence of an American Icon examines the many iterations of the character in comic books, comic strips, radio series, movie serials, feature films, television shows, animation, toys, and collectibles over the past eight decades. Demonstrating how Superman's iconic popularity cannot be attributed to any single creator or text, comics expert Ian Gordon embarks on a deeper consideration of cultural mythmaking as a collective and dynamic process. He also outlines the often

contentious relationships between the various parties who have contributed to the Superman mythos, including corporate executives, comics writers, artists, nostalgic commentators, and collectors. Armed with an encyclopedic knowledge of Superman's appearances in comics and other media, Gordon also digs into comics archives to reveal the prominent role that fans have played in remembering, interpreting, and reimagining Superman's iconography. Gordon considers how comics, film, and TV producers have taken advantage of fan engagement and nostalgia when selling Superman products. Investigating a character who is equally an icon of American culture, fan culture, and consumer culture, Superman thus offers a provocative analysis of mythmaking in the modern era.

superman and lois episode guide: Is Superman Circumcised? Roy Schwartz, 2021-05-19 Superman is the original superhero, an American icon, and arguably the most famous character in the world--and he's Jewish! Introduced in June 1938, the Man of Steel was created by two Jewish teens, Jerry Siegel, the son of immigrants from Eastern Europe, and Joe Shuster, an immigrant. They based their hero's origin story on Moses, his strength on Samson, his mission on the golem, and his nebbish secret identity on themselves. They made him a refugee fleeing catastrophe on the eve of World War II and sent him to tear Nazi tanks apart nearly two years before the US joined the war. In the following decades, Superman's mostly Jewish writers, artists, and editors continued to borrow Jewish motifs for their stories, basing Krypton's past on Genesis and Exodus, its society on Jewish culture, the trial of Lex Luthor on Adolf Eichmann's, and a future holiday celebrating Superman on Passover. A fascinating journey through comic book lore, American history, and Jewish tradition, this book examines the entirety of Superman's career from 1938 to date, and is sure to give readers a newfound appreciation for the Mensch of Steel!

superman and lois episode guide: *The American Villain* Richard A. Hall, 2020-12-02 The American Villain: Encyclopedia of Bad Guys in Comics, Film, and Television seeks to provide one go-to reference for the study of the most popular and iconic villains in American popular culture. Since the 1980s, pop culture has focused on what makes a villain a villain. The Joker, Darth Vader, and Hannibal Lecter have all been placed under the microscope to get to the origins of their villainy. Additionally, such bad guys as Angelus from Buffy the Vampire Slayer and Barnabas Collins from Dark Shadows have emphasized the desire for redemption—in even the darkest of villains. Various incarnations of Lucifer/Satan have even gone so far as to explore the very foundations of what we consider evil. The American Villain: Encyclopedia of Bad Guys in Comics, Film, and Television seeks to collect all of those stories into one comprehensive volume. The volume opens with essays about villains in popular culture, followed by 100 A-Z entries on the most notorious bad guys in film, comics, and more. Sidebars highlight ancillary points of interest, such as authors, creators, and tropes that illuminate the motives of various villains. A glossary of key terms and a bibliography provide students with resources to continue their study of what makes the baddest among us so bad.
