studysync answers grade 7: Flesh and Blood So Cheap: The Triangle Fire and Its Legacy Albert Marrin, 2015-02-10 On March 25, 1911, the Triangle Shirtwaist Factory in New York City burst into flames. One hundred forty-six people—mostly women—perished; it was one of the most lethal workplace fires in American history until September 11, 2001. It is a story of immigration and hard work to make it in a new country, as Italians and Jews and others traveled to America to find a better life. It is the story of poor working

conditions and greedy bosses, as garment workers discovered the endless sacrifices required to make ends meet. It is the story of unimaginable, but avoidable, disaster. And it the story of the unquenchable pride and activism of fearless immigrants and women who stood up to business, got America on their side, and finally changed working conditions for our entire nation, initiating radical new laws we take for granted today. With *Flesh and Blood So Cheap*, Albert Marrin has crafted a gripping, nuanced, and poignant account of one of America's defining tragedies.
