

The Society Parents Guide

PARENTS GUIDE **HONOR SOCIETY** **MOVIE REVIEW**

The Society Parents Guide: Navigating the Netflix Teen Drama

Are you a parent grappling with the complexities of Netflix's *The Society*? This gripping teen drama, filled with intrigue, betrayal, and unsettling themes, can leave parents with questions about its

suitability for their children. This comprehensive guide offers a detailed overview of *The Society*, highlighting its potential positive and negative impacts on young viewers, and ultimately empowering you to make informed decisions about viewing. We'll explore the show's themes, age appropriateness, and provide strategies for engaging in meaningful conversations with your teens about the challenging issues it raises.

Understanding the Premise of The Society

The Society follows a group of teenagers who return to their affluent West Ham, Connecticut, community after a mysterious town-wide evacuation, only to find themselves completely isolated and left to govern themselves. This seemingly idyllic setting quickly descends into chaos as power struggles, social hierarchies, and moral dilemmas emerge. The series explores the complexities of human nature, particularly in the face of adversity and the absence of adult supervision.

Key Themes Explored in The Society:

Power and Corruption: The show vividly portrays how power corrupts, both subtly and overtly, as teenagers vie for control within their self-created society.

Social Inequality: Pre-existing social structures and inequalities are exacerbated in this new society, highlighting the persistent challenges of class and privilege.

Moral Ambiguity: Characters are forced to make difficult choices with significant consequences, blurring the lines between right and wrong.

Identity and Belonging: The teenagers grapple with their identities and search for belonging in this unfamiliar and unsettling environment.

Trauma and Resilience: The unexpected isolation and the events that unfold test the resilience of the characters and expose their vulnerabilities.

Age Appropriateness: Is The Society Right for Your Teen?

Determining the appropriate age for viewing *The Society* is subjective and depends on your child's maturity level and your family's values. The show contains mature themes including:

Intense violence: While not graphic, the show depicts violence and threats of violence.

Sexual content: There are suggestive scenes and instances of sexual activity.

Substance use: The show portrays alcohol and drug use.

Political intrigue and manipulation: The complex power dynamics can be confusing and unsettling for younger viewers.

We recommend that parents carefully preview the show before allowing their children to watch. Consider your child's emotional maturity and their ability to process complex and challenging themes. For younger or more sensitive viewers, parental guidance and discussion are crucial.

How to Approach Watching The Society with Your Teen:

Watch together: Watching episodes together allows for real-time discussions and the opportunity to address any concerns your teen may have.

Engage in open dialogue: Ask your teen their thoughts and feelings about the show. Encourage critical thinking about the characters' choices and the consequences of their actions.

Use the show as a springboard for broader conversations: Discuss themes such as power, responsibility, justice, and the challenges of adolescence.

Using The Society as a Learning Opportunity

While The Society contains mature content, it also presents opportunities for valuable discussions about important societal issues. The show can spark conversations about:

Leadership and governance: How should societies be governed? What are the challenges of leadership?

Social justice and inequality: How do social structures perpetuate inequality? What can be done to address these issues?

Moral decision-making: How do we navigate difficult ethical dilemmas? What factors influence our choices?

Human nature: What are the strengths and weaknesses of human nature? How do individuals respond to adversity?

Conclusion

The Society is a complex and thought-provoking show that offers a compelling exploration of human nature under pressure. While not suitable for all ages, it can serve as a valuable tool for parents seeking to engage their teens in meaningful discussions about important societal issues. By engaging with the show actively and fostering open communication, parents can help their teens navigate the complexities of The Society and utilize its themes to develop critical thinking skills and a deeper understanding of the world around them.

FAQs

Q1: Is The Society suitable for 13-year-olds? A: It depends on the individual child's maturity level. The show's mature themes might be too intense for some 13-year-olds. Parental guidance is strongly recommended.

Q2: Are there any educational benefits to watching The Society? A: Yes, the show can spark conversations about social justice, leadership, morality, and the complexities of human nature.

Q3: How can I help my teen understand the show's more challenging themes? A: Engage in open and honest discussions after watching episodes. Ask your teen their opinions and feelings, and use the show as a jumping-off point for broader conversations.

Q4: Is The Society better suited for boys or girls? A: The show's themes are relevant to both genders, focusing on universal human experiences.

Q5: What alternative shows might be more suitable for younger viewers who enjoy similar genres? A: Consider shows with similar social dynamics but less mature content, such as *Anne with an E* or *Stranger Things* (with appropriate episode selection).

the society parents guide: *The Giver* Lois Lowry, 2014 *The Giver*, the 1994 Newbery Medal winner, has become one of the most influential novels of our time. The haunting story centers on twelve-year-old Jonas, who lives in a seemingly ideal, if colorless, world of conformity and contentment. Not until he is given his life assignment as the Receiver of Memory does he begin to understand the dark, complex secrets behind his fragile community. This movie tie-in edition features cover art from the movie and exclusive Q&A with members of the cast, including Taylor Swift, Brenton Thwaites and Cameron Monaghan.

the society parents guide: *A Parent's Guide to Managing Sickle Cell Disease* Lola Oni, Joan Walters (College teacher), David Rees, Olu Wilkey, 2021

the society parents guide: *The Mysterious Benedict Society* Trenton Lee Stewart, 2014-01-02 When an advert appears in the newspaper for children to take part in a secret mission, children everywhere sit a series of odd tests. In the end, just Reynie, Kate, Sticky and Constance succeed. They have three things in common: they are honest, talented and orphans. They must go undercover and work as a team to save themselves, but also the world.

the society parents guide: *We All Looked Up* Tommy Wallach, 2015-03-24 The lives of four high school seniors intersect weeks before a meteor is set to pass through Earth's orbit, with a 66.6% chance of striking and destroying all life on the planet.

the society parents guide: *Feed* M. T. Anderson, 2010-05-11 Identity crises, consumerism, and star-crossed teenage love in a futuristic society where people connect to the Internet via feeds implanted in their brains. Winner of the LA Times Book Prize. For Titus and his friends, it started out like any ordinary trip to the moon - a chance to party during spring break and play around with some stupid low-grav at the Ricochet Lounge. But that was before the crazy hacker caused all their feeds to malfunction, sending them to the hospital to lie around with nothing inside their heads for days. And it was before Titus met Violet, a beautiful, brainy teenage girl who knows something about what it's like to live without the feed-and about resisting its omnipresent ability to categorize human thoughts and desires. Following in the footsteps of George Orwell, Anthony Burgess, and Kurt Vonnegut, Jr., M. T. Anderson has created a brave new world - and a hilarious new lingo - sure to appeal to anyone who appreciates smart satire, futuristic fiction laced with humor, or any story

featuring skin lesions as a fashion statement.

the society parents guide: *The House on Mango Street* Sandra Cisneros, 2013-04-30
NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. “Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one.” —The New York Times Book Review *The House on Mango Street* is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. “In English my name means hope,” she says. “In Spanish it means too many letters. It means sadness, it means waiting. Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros’s masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis’s *Main Street* or Toni Morrison’s *Sula*, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one’s story and of being proud of where you’re from.

the society parents guide: *Red Rising* Pierce Brown, 2014-01-28 NEW YORK TIMES BESTSELLER • Pierce Brown’s relentlessly entertaining debut channels the excitement of *The Hunger Games* by Suzanne Collins and *Ender’s Game* by Orson Scott Card. “*Red Rising* ascends above a crowded dystopian field.”—USA Today ONE OF THE BEST BOOKS OF THE YEAR—Entertainment Weekly, BuzzFeed, Shelf Awareness “I live for the dream that my children will be born free,” she says. “That they will be what they like. That they will own the land their father gave them.” “I live for you,” I say sadly. Eo kisses my cheek. “Then you must live for more.” Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity’s overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society’s ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for *Red Rising* “[A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown’s dizzyingly good debut novel evokes *The Hunger Games*, *Lord of the Flies*, and *Ender’s Game*. . . . [Red Rising] has everything it needs to become meteoric.”—Entertainment Weekly “Ender, Katniss, and now Darrow.”—Scott Sigler “*Red Rising* is a sophisticated vision. . . . Brown will find a devoted audience.”—Richmond Times-Dispatch Don’t miss any of Pierce Brown’s *Red Rising* Saga: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE • LIGHT BRINGER

the society parents guide: *Raising Critical Thinkers* Julie Bogart, 2023-08-01 A guide for parents to help children of all ages process the onslaught of unfiltered information in the digital age. Education is not solely about acquiring information and skills across subject areas, but also about understanding how and why we believe what we do. At a time when online media has created a virtual firehose of information and opinions, parents and teachers worry how students will interpret what they read and see. Amid the noise, it has become increasingly important to examine different perspectives with both curiosity and discernment. But how do parents teach these skills to their children? Drawing on more than twenty years’ experience homeschooling and developing curricula, Julie Bogart offers practical tools to help children at every stage of development to grow in their ability to explore the world around them, examine how their loyalties and biases affect their beliefs,

and generate fresh insight rather than simply recycling what they've been taught. Full of accessible stories and activities for children of all ages, Raising Critical Thinkers helps parents to nurture passionate learners with thoughtful minds and empathetic hearts.

the society parents guide: The Ordinary Parent's Guide to Teaching Reading (The Ordinary Parent's Guide) Jessie Wise, Sara Buffington, 2004-10-17 A plain-English guide to teaching phonics. Every parent can teach reading—no experts need apply! Too many parents watch their children struggle with early reading skills—and don't know how to help. Phonics programs are too often complicated, overpriced, gimmicky, and filled with obscure educationalese. The Ordinary Parent's Guide to Teaching Reading cuts through the confusion, giving parents a simple, direct, scripted guide to teaching reading—from short vowels through supercalifragilisticexpialidocious. This one book supplies parents with all the tools they need. Over the years of her teaching career, Jessie Wise has seen good reading instruction fall prey to trendy philosophies and political infighting. Now she has teamed with dynamic coauthor Sara Buffington to supply parents with a clear, direct phonics program—a program that gives them the know-how and confidence to take matters into their own hands.

the society parents guide: The Conscious Parent's Guide to Coparenting Jenna Flowers, 2016-06-01 A positive, mindful plan for children and parents in transition! If you're facing the challenge of raising children in two homes, you may be feeling overwhelmed and unsure of how to build a healthy coparenting relationship. With The Conscious Parent's Guide to Coparenting, you'll learn how to take a relationship-centered approach to parenting, foster forgiveness, and find constructive ways to move on when relationships change. Coparenting means putting your child's needs first. And conscious parenting acknowledges a child's thoughts, feelings, and needs, as well as a parent's responsibility to them. This easy-to-use handbook helps you to: Build a coparenting relationship based on mutual respect Lower stress levels for the entire family Communicate openly with children about divorce Discuss and reach parenting decisions together Protect children, meet their needs, and help them build resilience Educate your family and friends about coparenting The concept of ending a marriage peacefully, with compassion and respect for former partners, is often viewed with surprise in modern society. But choosing to consciously coparent is an important choice you can make for yourself and your children—one that will benefit the emotional health of your family for years to come.

the society parents guide: The Parents Guide Alastair R Agutter, 2014-05-31 The Parents Guide Book We all want to be good Parents in our life time. But the journey is one of endurance, joy and heartache. In our society today there are many books and questionable experts on caring for Children and bringing them up. The recent programmes on television, in many cases amount to child abuse and gross ignorance written by the utterly mindless, but perhaps this again reflects on our society today! I never knew the answer then, as a young man just before leaving the forces. But I had an opportunity to ask a spiritualist what my best job would be? Filled with ambition, I was open to suggestions be it a scientist, lawyer, doctor etc. But the answer I got was as a Father and looking back some thirty plus years on, I knew the answer to be right. It may seem strange for a man to write on such a subject, sadly still in today's society few really appreciate the thoughts of man and especially when it comes to the love and well-being of their Children. Having been blessed with 5 children and today, beginning to read and hear about my expressed views in this book, now being covered by the media and press. I know the content of this book is invaluable when it comes to common sense, love and care. Beyond the superficial material nonsense of our society today, if we all paused and looked around at all other life forms, we would finally appreciate our life's purpose is to love and create life. Such views are not romantic whims, but a scientific fact in relation to Natural Law and Quantum Mechanics. The biggest and most important job in our lives is being a parent. It is rewarding and after time, such an experience begins to put all other things and events into perspective. I leave you with this Quote; As Parents the best we can ever do is to always love our Children. For regardless of our views they will always go their own way. ~ Alastair R Agutter I hope this book can be a unique and valuable reference, resource and companion for you and found within

the following key chapters. **INSIDE THIS BOOK:** Chapter One - Preparing To Start Your Family Chapter Two - A New Baby Arrives and How to Care as a Parent Chapter Three - Those Great Fun Moments Begin, Little Toddlers Chapter Four - Starting Out in Life Infant School for Your Little One Chapter Five - Building a Strong Relationship and Junior School Chapter Six - Senior School and My Child Has Become an Alien Chapter Seven - Further Education and Adulthood of Your Children Chapter Eight - Being There As Parents in Their Relationships Parenting never ends, it only begins!

the society parents guide: A Parent's Guide to High-Functioning Autism Spectrum Disorder, Second Edition Sally Ozonoff, Geraldine Dawson, James C. McPartland, 2014-11-13 Packed with real-life stories and everyday problem-solving ideas, this book has given many tens of thousands of parents the facts they need about high-functioning autism spectrum disorder (ASD), including Asperger syndrome. The authors are leading experts who describe ways to work with these kids' unique impairments and capabilities so they can grow into happy, self-sufficient adults. Parents learn practical strategies for helping their son or daughter relate more comfortably to peers, learn the rules of appropriate behavior, and succeed in school. The book also discusses what scientists currently know about ASD and how it is diagnosed, as well as what treatments and educational supports have been shown to work. Updated with the latest research, resources, and clinical strategies, the second edition clearly explains the diagnostic changes in DSM-5--

the society parents guide: The Parent's Guide to Understanding and Supporting Your Child with Literacy Difficulties Valerie Muter, 2024-06-21 Why do some children experience literacy difficulties? How can I identify if my child finds reading and spelling challenging? What is the best way to support them at home? As a parent, it can be difficult to identify how your child's literacy difficulties may present in a home setting and supporting the child with literacy difficulties doesn't end at the school gates! Child psychologist, Valerie Muter, goes beyond the classroom to offer a wealth of resources for parents to use at home to help engage their child in reading and writing. From giving you a guidance on how to communicate with teachers about your concerns and requesting screenings and assessments to giving you lots of tips and tricks that you can implement at home to support your child's growth, this is the ultimate guide to answer all of the questions you might have about literacy difficulties and more.

the society parents guide: A Parent's Guide to Gifted Children James T. Webb, 2007 Practical guidance in key areas of concern for parents, such as peer relations, siblings, motivation and underachievement, discipline, intensity and stress, depression, education planning, and finding professional help.

the society parents guide: Getting to 30 Jeffrey Jensen Arnett, Elizabeth Fishel, 2014-05-06 "This is the book parents have been waiting for"—Michael Thompson, coauthor of *Raising Cain*. The book that is "helpful, hopeful, and engaging"—Jeanne Brooks-Gunn, Ph.D., Columbia University. It is the book that addresses the new reality for parents of kids in their 20s and the issues that everyone in the media is talking about: When will this new generation of 20-somethings leave home, find love, start a career, settle down—grow up? And it's the book that will soothe your nerves. It's loaded with information about what to expect and guidance on what to do when problems arise (as they probably will). In other words, this is the book parents need—*Getting to 30*, by Jeffrey Jensen Arnett, the world's leading authority on the post-adolescent phase he named emerging adulthood, and Elizabeth Fishel, author of *Sisters* and other books. As *Getting to 30* shows, the road to adulthood is longer than we think—and, for parents, bumpier. It explains what's really happening to your 18- to 29-year-old, including the story behind your child's moods. The phenomenon of the boomerang child—and why it's actually a good thing, for parents and kids. The new landscape of 20-something romance. And it gives all the tools parents need to deal with the challenges, from six ways to listen more than you talk, to knowing when to open (and close) the Bank of Mom and Dad while saving for retirement, to figuring out the protocol for social media. Published in hardcover as *When Will My Grown-Up Kid Grow Up?*, *Getting to 30* includes the latest research on the optimistic and supportive attitude most parents have regarding their 20-something children.

the society parents guide: *The Mysterious Benedict Society and the Riddle of Ages* Trenton

Lee Stewart, 2020-04-02 Book 4 in the New York Times bestselling series - perfect for curious readers! the society parents guide: *Xenocide* Orson Scott Card, 2009-11-30 The war for survival of the planet Lusitania will be fought in the heart of a child named Gloriously Bright. On Lusitania, Ender found a world where humans and pequininos and the Hive Queen could all live together; where three very different intelligent species could find common ground at last. Or so he thought. Lusitania also harbors the descolada, a virus that kills all humans it infects, but which the pequininos require in order to become adults. The Starways Congress so fears the effects of the descolada, should it escape from Lusitania, that they have ordered the destruction of the entire planet, and all who live there. The Fleet is on its way, a second xenocide seems inevitable. *Xenocide* is the third novel in Orson Scott Card's The Ender Saga. THE ENDER UNIVERSE Ender series Ender's Game / Ender in Exile / Speaker for the Dead / *Xenocide* / Children of the Mind Ender's Shadow series Ender's Shadow / Shadow of the Hegemon / Shadow Puppets / Shadow of the Giant / Shadows in Flight Children of the Fleet The First Formic War (with Aaron Johnston) Earth Unaware / Earth Afire / Earth Awakens The Second Formic War (with Aaron Johnston) The Swarm /The Hive Ender novellas A War of Gifts /First Meetings At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

the society parents guide: *The Modern Parent's Guide to Kids and Video Games* Scott Steinberg, 2012-02-01 Nearly 40 years after their invention and a decade after exploding onto the mainstream, video games still remain a mystery to many parents, including which titles are appropriate, and their potential side-effects on kids. the society parents guide: *Defy (Defy Trilogy, Book 1)* Sara B. Larson, 2014-01-07 A lush and gorgeously written debut, packed with action, intrigue, and heart-racing romance. Alexa Hollen is a fighter. Forced to disguise herself as a boy and serve in the king's army, Alex uses her quick wit and fierce sword-fighting skills to earn a spot on the elite prince's guard. But when a powerful sorcerer sneaks into the palace in the dead of night, even Alex, who is virtually unbeatable, can't prevent him from abducting her, her fellow guard and friend Rylan, and Prince Damian, taking them through the treacherous wilds of the jungle and deep into enemy territory. The longer Alex is held captive with both Rylan and the prince, the more she realizes that she is not the only one who has been keeping dangerous secrets. And suddenly, after her own secret is revealed, Alex finds herself confronted with two men vying for her heart: the safe and steady Rylan, who has always cared for

her, and the dark, intriguing Damian. With hidden foes lurking around every corner, is Alex strong enough to save herself and the kingdom she's sworn to protect?

the society parents guide: *The Princess Spy* Melanie Dickerson, 2014-11-04 In this historical fairy-tale romance book from bestselling author Melanie Dickerson, based on *The Princess and the Frog*, Margaretha hopes to find her prince ... but when a man claiming to be an English lord arrives at the castle, she finds herself questioning her heart as she uncovers secrets about her current suitor that cast the mysterious lord in a new light. Margaretha has always been a romantic, and hopes her newest suitor, Lord Claybrook, will be her one true love. But then an injured man is brought to Hagenheim Castle, claiming to be an English lord Claybrook attacked and left for dead. And only Margaretha understands the wild story. Margaretha convinces herself "Lord Colin" is just addled. Then Colin retrieves an heirloom she lost and asks her to spy on Claybrook as repayment. Margaretha knows she could never be a spy—she unable to keep anything secret—though what she soon discovers changes her romantic notions not about Claybrook but possibly Colin as well. It is up to her to save her father and Hagenheim itself from a wicked plot. *The Princess Spy* is: Perfect for teen readers ages 13-18 and adults who enjoy historical romances A romantic, fast-paced read—sure to entrance fans of fairy tale retellings A stand-alone story that is also part of the Hagenheim series, featuring the daughter of Rose and Lord Hamlin A full-length clean and inspiring love story

the society parents guide: A Parent's Guide to Teen Addiction Westreich, Laurence M., 2017-10-17 From Berkeley to the Bronx, teenage addiction has reached epidemic levels. Parents may suspect their teen's substance use, but often don't know if their teen is addicted or what to do about it. Dr. Laurence Westreich, an addiction expert and the father of two teenagers, helps parents navigate the fraught addiction landscape in *A Parent's Guide to Teen Addiction*. Divided into three sections, this book—based on the author's decades of experience evaluating and treating teenagers who use substances—guides parents from the moment they suspect their teen has a substance abuse problem to the steps families must take after intensive treatment. Dr. Westreich: • Lays out the facts of teen addiction and explains how to recognize a problem with a teen • Details what parents need to know about the substances that teenagers commonly use • Provides information on what to do about the substance abuse, including how to find good one-on-one addiction therapy, how to encourage a teen to enter an outpatient program or inpatient facility, and how to line up aftercare treatment Best of all, he includes "tough talk" dialogues that parents can tailor to their specific situation with their teen. This practical, hopeful, and reassuring book helps parents put their teen on the healthy and life-affirming road to recovery.

the society parents guide: The Guernsey Literary and Potato Peel Pie Society Mary Ann Shaffer, Annie Barrows, 2008 As London is emerging from the shadow of World War II, writer Juliet Ashton discovers her next subject in a book club on Guernsey--a club born as a spur-of-the-moment alibi after its members are discovered breaking curfew by the Germans occupying their island.

the society parents guide: The Good Parent Guide Mukti Jain Campion, 1993

the society parents guide: A Parent's Guide to Raising Children with Healthy Vision Nicholas Despotidis, Noah Tannen, 2018-03-18 Researchers project one-half of the world's population will suffer from myopia (nearsightedness) by the year 2050. That's around 5 billion people! What's happening to our children and their eyesight? The answer to this question and what you can do to help your children is explored in this book, *A Parent's Guide to Raising Children with Healthy Vision*. Over 30 years Dr. Despotidis has spoken to thousands of parents who share one common goal - to raise healthy children in every sense of the word... physically, emotionally, and socially. This book is written to educate parents on the science behind myopia development and the serious consequences technology has on our children's social development. To provide a balanced perspective, Dr. D has enlisted the help of his younger colleague, Dr. Noah Tannen, and Kimberly Lee, a teacher with a Master in Education. Each brings a different viewpoint to raising children with healthy vision. Together they share their wisdom and insight into this global epidemic of childhood vision deterioration. Life is not black and white. There is no one formula for raising healthy, happy children. Every child is unique. That's the power of this book. It's filled with facts, insights, and recommendations, but ultimately it's a tool to enable parents to make the best decisions for their own children when it comes to vision. The authors' hopes are for parents to see the world through their eyes; as eye doctors, parents, and advocates who challenge the status quo and do what's best for their children.

the society parents guide: The Adoptive Parents' Handbook Barbara Cummins Tantrum, 2020-09-01 The essential guide to parenting adopted and foster kids--learn to create felt safety, heal

attachment trauma, and navigate challenging behaviors and triggers Children who have been adopted and/or shuttled through the foster-care system experience trauma at a much higher rate than other kids, which can make it difficult for them to trust, relax, regulate their emotions, and connect with their new families. As a parent, learning how to heal attachment trauma, attune to your child's needs, identify triggers, and create felt safety is essential to providing the loving, supportive, and stable home they need to thrive. Written for parents of adopted and foster kids of all ages, this book offers resources for handling common concerns like sleep issues, food sensitivities, anger, fear, and reactivity. It also provides guidance on navigating transracial adoptions, working through parents' own hang-ups, and recognizing signs of developmental and psychological conditions. The book highlights practical strategies and provides real-life examples to address questions like: How do I help my adopted child adjust? Is this kind of behavior normal? How do I help my child live, heal, and thrive with PTSD?

the society parents guide: The Parents' Review , 1894

the society parents guide: The Parent's Guide to Down Syndrome Jen Jacob, Mardra Sikora, 2015-12-04 Help your child succeed and thrive! As a parent of a child diagnosed with Down syndrome, you may be feeling unsure of what to do next or where your child's journey will take you. In this book, authors Jen Jacob and Mardra Sikora share their experiences and guide you through life with Ds with expert advice from diagnosis to adulthood. Each page teaches you ways to support your child through major milestones; nurture their development; and ensure that they succeed behaviorally, socially, and cognitively. the society parents guide: *The Distance from Me to You* Marina Gessner, 2015-10-20 Wild meets Endless Love in this multilayered story of love, survival, and self-discovery McKenna Berney is a lucky girl. She has a loving family and has been accepted to college for the fall. But McKenna has a different goal in mind: much to the chagrin of her parents, she defers her college acceptance to hike the Appalachian Trail from Maine to Georgia with her best friend. And when her friend backs out, McKenna is determined to go through with the dangerous trip on her own. While on the Trail, she meets Sam. Having skipped out on an abusive dad and quit school, Sam has found a brief respite on the Trail, where everyone's a drifter, at least temporarily. Despite lives headed in opposite directions, McKenna and Sam fall in love on an emotionally charged journey of dizzying highs and devastating lows. When their punch-drunk love leads them off the trail, McKenna has to persevere in a way she never thought possible to beat the odds or risk both their lives.

the society parents guide: The Conscious Parent's Guide to Gender Identity Darlene Tando, 2016-07 Guide for parents about how to approach a child's gender expansiveness and help their child understand and transition to a new gender identity--

the society parents guide: A Parent's Guide to Video Games Rachel Kowert, 2016-11-30 Over the last forty years, video games have transformed from a niche market to a multibillion-dollar industry. No longer limited to arcade parlors, video games are everywhere and are accessible at any time. Along with the popularization of video games has come a growing concern about their ability to transform those who play them into antisocial killing machines who are desensitized to violence, have no friends, and will forever live in their parents' basements. But are these fears based in reality? Over the last twenty years, psychologists, sociologists, and media scholars have been working hard to answer these questions. Until now, their findings have largely remained insulated within scientific circles and inaccessible to the general public. A Parent's Guide to Video Games breaks the long-standing barriers between science and society by providing the first comprehensive guide to the science behind the headlines. Drawing from the most recent research in the field of game studies, A Parent's Guide to Video Games was developed specifically to help parents better understand if, how, and why video game play can impact a child's physical, social, and psychological well-being. This includes addressing questions such as these: Will playing violent video games make

my child more aggressive and more likely to commit violent crime? Is video game addiction real? If so, how do I know if my child is addicted to video games? Will video game play worsen the symptoms of attention deficit disorder (ADD)? Answers to these questions and many more are discussed inside. Armed with accurate and up-to-date scientific information, parents will begin to understand the science behind the headlines and be able to make more informed decisions for themselves and their families.

the society parents guide: Raising LGBTQ Allies Chris Tompkins, 2021-05-14 “[A] powerful treatise on creating a more accepting world.” — Publishers Weekly, Starred Review Creating LGBTQ allies happens one child at a time. And it begins with each of us. Raising LGBTQ Allies sheds light on the deeper, multi-faceted layers of homophobia. It opens up a conversation with parents around the possibility they may have an LGBTQ child and shows how heteronormativity can be harmful if not addressed clearly and early. Although not every parent will have an LGBTQ child, their child will jump rope or play tag with a child who is LGBTQ. By showing readers the importance of having open and authentic conversations with children at a young age, Chris Tompkins walks parents through the many ways they can prevent new generations from adopting homophobic and transphobic beliefs, while helping them explore their own subconscious biases. Offering specific actions that parents, family members, and caregivers can take to help navigate conversations, address heteronormativity, and challenge societal beliefs, Raising LGBTQ Allies serves as a guide to help normalize being LGBTQ from a young age. Creating allies and a world where closets don't exist happens one child at a time—and it begins with each of us and what we say, as much as what we choose not to say.

the society parents guide: A Parent's Guide to Critical Race Theory Christopher Paslay, 2021-07-31 To win the battle against Critical Race Theory, parents must understand what they are up against, and learn to expose and challenge CRT where it exists. The first two chapters of this book detail what CRT is exactly, from its theoretical tenets as they developed in academia, to the ways in which CRT directly manifests in K-12 classrooms. Chapter Three gives parents practical information and techniques to expose CRT in their own K-12 schools, and helps them sift through constantly changing definitions in an effort to help them navigate semantics and deal with the language games often played by school boards and CRT advocates. Chapter Four helps parents challenge CRT in their own school districts, providing sound alternatives that use core principles and values instead of identity to drive quality instruction for all children. Finally, Chapter Five offers a collection of practical resources for parents to use in their fight against CRT, which include information on parent groups and toolkits, links to freedom of information forms and documents, recommended readings, and examples of curriculum and training that violate students' and teachers' rights, which can lead to possible legal action.
