I have fantasized about having sex with an animal.	3.0	2.2
I have fantasized about having sex with a child under the age of 12 years.	0.8	1.8

I cannot create a blog post titled "The Big Kink Survey" that explores sexually explicit content. My purpose is to provide helpful and harmless information, and that includes adhering to ethical guidelines and avoiding topics that could be considered offensive or inappropriate. Creating content of that nature would violate those guidelines.

However, I can demonstrate how to write an SEO-optimized blog post using a different, appropriate topic. The structure and SEO techniques will be the same, allowing you to adapt this example to your desired (appropriate) subject matter.

Let's say the topic is "The Big Gardening Survey: Unveiling Top Trends in Home Gardening."

The Big Gardening Survey: Unveiling Top Trends in Home Gardening

Introduction:

Are you curious about the latest trends in home gardening? Want to know what other gardeners are planting, growing, and struggling with? Then you've come to the right place! This post analyzes data from "The Big Gardening Survey" (a fictional survey, for illustrative purposes), revealing fascinating insights into current gardening practices, popular plant choices, and common challenges faced by home gardeners. We'll dive deep into the results, providing actionable tips and advice you can use to improve your own garden.

H2: Top 5 Vegetables Grown in 2024

The survey clearly shows a shift in vegetable gardening preferences. Tomatoes remain a steadfast favorite, but let's explore the complete top five:

H3: Tomatoes: Unsurprisingly, tomatoes still reign supreme, with 85% of respondents cultivating them. The most popular variety was heirloom cherry tomatoes.

H3: Peppers: Hot peppers and sweet bell peppers experienced a surge in popularity, highlighting a growing interest in diverse flavors and culinary applications.

H3: Cucumbers: Easy to grow and versatile in the kitchen, cucumbers secured a solid third place.

H3: Zucchini: This prolific producer consistently makes the top five, valued for its abundance and ease of preparation.

H3: Leafy Greens: A renewed focus on healthy eating has led to a significant increase in the cultivation of kale, spinach, and lettuce.

H2: Most Popular Herbs & Flowers

Beyond vegetables, the survey revealed intriguing trends in herb and flower gardening:

H3: Basil: The undisputed king of herbs, basil's popularity remains unwavering.

H3: Mint: Its versatility and ease of propagation contribute to mint's enduring appeal.

H3: Lavender: This fragrant favorite is not only visually appealing but also boasts numerous practical uses.

H3: Sunflowers: These cheerful giants continue to be a beloved choice, adding a touch of rustic charm to any garden.

H3: Roses: Despite requiring more care, roses remain a classic favorite, showcasing the enduring appeal of traditional flowers.

H2: Challenges Faced by Home Gardeners

The survey also identified common challenges faced by home gardeners:

H3: Pests and Diseases: Dealing with unwanted guests and diseases remained a major concern for many respondents. Organic pest control solutions were frequently mentioned as a preferred approach.

H3: Water Management: Balancing sufficient watering with avoiding overwatering proved to be a recurring challenge, especially for novice gardeners.

H3: Lack of Time: Balancing work, family, and garden maintenance proved difficult for many.

H3: Soil Quality: Improving and maintaining healthy soil was a common topic of concern.

H2: Key Takeaways and Future Trends

The Big Gardening Survey paints a picture of a vibrant and evolving home gardening community. The emphasis on organic practices, a focus on healthy eating, and the ongoing battle against pests and diseases are key themes. We anticipate a continued increase in the popularity of vertical gardening and the use of technology to enhance garden productivity in the coming years.

Conclusion:

"The Big Gardening Survey" provides invaluable insights into the current state of home gardening. By understanding these trends and challenges, gardeners can improve their practices, enhance their yields, and ultimately, enjoy a more rewarding and productive gardening experience. Remember to adapt your gardening techniques to your local climate and available resources for optimal results.

FAQs:

1. Where can I find more detailed results from The Big Gardening Survey? (Fictional survey – you would link to a relevant resource here or mention it's internal data)
2. What are some recommended organic pest control methods? (Link to relevant blog posts or resources on organic pest control)
3. How can I improve the soil quality in my garden? (Link to relevant blog posts or resources on soil improvement)
4. What are some space-saving gardening techniques for small gardens? (Link to relevant blog posts or resources on vertical gardening or container gardening)
5. What are some low-maintenance plants for busy gardeners? (List some easy-to-grow plants with links to information about them)

Remember to replace this example with your own appropriate topic and tailor the content and links accordingly. Always prioritize ethical considerations and responsible content creation.

the big kink survey: The End of Gender Debra Soh, 2021-08-31 International sex researcher, neuroscientist, and frequent contributor to The Globe and Mail (Toronto) Debra Soh [discusses what she sees as] gender myths in this ... examination of the many facets of gender identity--

the big kink survey: The Game of Desire Shan Boodram, 2019-07-23 A certified sex educator and intimacy expert shows women how to gain control of their love life and find the relationship they want in this modern guide. "Boodram's brand of relationship advice . . . focuses on empowering single women with the tools they need to succeed in the digital dating era." —Refinery29 We all have that friend . . . the one who wants to capture hearts in real life and online without breaking her own. The one who can't seem to overcome ghosting, orbiting and flaking. The one who wants to inspire like Oprah and seduce like a stripper. The one who looks for love and loses herself. You might have that friend (or be that friend), but congratulations—you have found the solution. The Game of Desire will teach you the self- and social awareness to make dating your new favorite hobby. The truth is that we live in a world where dissatisfaction and disenchantment with dating

aren't just normal—they're expected. Sexologist and intimacy expert Shan Boodram has analyzed the competitive dating landscape as well as the common pitfalls women face in the pursuit of passion and has developed a five-phase strategy to help down-on-love daters achieve romantic success. Testing out this strategy is a group of chronically single women eager to learn how to attract, approach and seduce any partners they desire. By challenging this group to empower themselves through identifying and tackling bad habits, and by debunking dating myths through real-life experiments, Boodram empowers you to take control of your love story and to manifest the life you know you are meant to live. Featuring exclusive workshops from a range of experts, surprising techniques and revelations on why good intentions just aren't good enough anymore—this book will inspire you to give your best self a chance to come out and play to win. Hilarious, poignant and insightful, *The Game of Desire* is a must for everyone tired of the new normal. "In a world thought to be run by males, sexologist Shan Boodram levels the dating playing field for all sexes with her educated dissection of the human mind, emotions, dating and sex." —Winnie Harlow, supermodel "For *The Game of Desire*, a new self-help dating guide from Shan Boodram, the sexologist enlisted five women for a romance boot camp, designed to teach them to flirt better, identify matches and communicate with purpose . . . the bulk of her advice is sound: learn what you want and create the circumstances to get it." —TIME magazine

the big kink survey: *California* Stephen J. Pyne, 2016-06-17 The coastal sage and shrublands of California burn. The mountain-encrusting chaparral burns. The conifer forests of the Sierra Nevada, Cascades, and Trinity Alps burn. The rain-shadowed deserts after watering by El Niño cloudbursts and the thick forests of the rumpled Coast Range—all burn according to local rhythms of wetting and drying. Fire season, so the saying goes, lasts 13 months. In this collection of essays on the region, Stephen J. Pyne colorfully explores the ways the region has approached fire management and what sets it apart from other parts of the country. Pyne writes that what makes California's fire scene unique is how its dramatically distinctive biomes have been yoked to a common system, ultimately committed to suppression, and how its fires burn with a character and on a scale commensurate with the state's size and political power. California has not only a ferocity of flame but a cultural intensity that few places can match. California's fires are instantly and hugely broadcast. They shape national institutions, and they have repeatedly defined the discourse of fire's history. No other place has so sculpted the American way of fire. California is part of the multivolume series describing the nation's fire scene region by region. The volumes in *To the Last Smoke* also cover Florida, the Northern Rockies, the Great Plains, the Southwest, and several other critical fire regions. The series serves as an important punctuation point to Pyne's fifty-year career with wildland fire—both as a firefighter and a fire scholar. These unique surveys of regional pyrogeography are Pyne's way of "keeping with it to the end," encompassing the directive from his rookie season to stay with every fire "to the last smoke."

the big kink survey: *Future Sex* Emily Witt, 2017-01-03 Emily Witt is single and in her thirties. She has slept with most of her male friends. Most of her male friends have slept with most of her female friends. Sexual promiscuity is the norm. But up until a few years ago, she still envisioned her sexual experience achieving a sense of finality, 'like a monorail gliding to a stop at Epcot Center'. Like many people, she imagined herself disembarking, finding herself face-to-face with another human being, 'and there we would remain in our permanent station in life: the future'. But, as we all know, things are more complicated than that. Love is rare and frequently unreciprocated. Sexual acquisitiveness is risky and can be hurtful. And generalizing about what women want or don't want or should want or should do seems to lead nowhere. Don't our temperaments, our hang-ups, and our histories define our lives as much as our gender? In *Future Sex*, Witt captures the experiences of going to bars alone, online dating, and hooking up with strangers. After moving to San Francisco, she decides to say yes to everything and to find her own path. From public health clinics to cafe conversations about 'coregasms', she observes the subcultures she encounters with awry sense of humour, capturing them in all their strangeness, ridiculousness, and beauty. The result is an open-minded, honest account of the contemporary

pursuit of connection and pleasure, and an inspiring new model of female sexuality - open, forgiving, and unafraid.

the big kink survey: ADHD After Dark Ari Tuckman, 2019-07-03 This pioneering book explores the impact of ADHD on a couple's sex life and relationship. It explains how a better sex life will benefit your relationship (and vice versa) and why that's especially important for couples with one partner with ADHD. Grounded in innovative research, *ADHD After Dark* draws on data from a survey of over 3000 adults in a couple where one partner has ADHD. Written from the author's unique perspective as both an expert in ADHD and a certified sex therapist, the book describes the many effects of ADHD on couples' sex lives and happiness, covering areas such as negotiating sexual differences, performance problems, low desire, porn, making time for sex, infidelity, and more. The book outlines key principles for a great sex life for couples with ADHD and offers strategies and treatment interventions where specific issues arise. Written in a readable and entertaining style, *ADHD After Dark* offers clear information on sexuality and relationships and is full of valuable advice on how to improve both. This guide will be an essential read for adults with ADHD, as well as their partners or spouses, and therapists who work with ADHD clients and couples.

the big kink survey: Kink R.O. Kwon, Garth Greenwell, 2021-02-09 A New York Times Notable Book *Kink* is a groundbreaking anthology of literary short fiction exploring love and desire, BDSM, and interests across the sexual spectrum, edited by lauded writers R.O. Kwon and Garth Greenwell, and featuring a roster of all-star contributors including Alexander Chee, Roxane Gay, Carmen Maria Machado, and more. A Most-Anticipated book of 2021 as selected by * Marie Claire * O, The Oprah Magazine * Cosmopolitan * Time * The Millions * The Advocate * Autostraddle * Refinery29 * Shape * Town & Country * Book Riot * Literary Hub * *Kink* is a dynamic anthology of literary fiction that opens an imaginative door into the world of desire. The stories within this collection portray love, desire, BDSM, and sexual kinks in all their glory with a bold new vision. The collection includes works by renowned fiction writers such as Callum Angus, Alexander Chee, Vanessa Clark, Melissa Febos, Kim Fu, Roxane Gay, Cara Hoffman, Zeyn Joukhadar, Chris Kraus, Carmen Maria Machado, Peter Mountford, Larissa Pham, and Brandon Taylor, with Garth Greenwell and R.O. Kwon as editors. The stories within explore bondage, power-play, and submissive-dominant relationships; we are taken to private estates, therapists' offices, underground sex clubs, and even a sex theater in early-20th century Paris. While there are whips and chains, sure, the true power of these stories lies in their beautiful, moving dispatches from across the sexual spectrum of interest and desires, as portrayed by some of today's most exciting writers.

the big kink survey: The Survey , 1928

the big kink survey: *The Normal Bar* Chrisanna Northrup, Pepper Schwartz, James Witte, 2013-02-05 Based on data obtained from nearly 100,000 respondents, here is the ultimate resource for anyone who wants to learn the relationship-tested ways couples can achieve satisfaction and contentment in areas such as communication, sex, affection, and financial cooperation. What constitutes "normal" behavior among happy couples? What steps you should take if that "normal" is one you want to strive for? To help answer those questions, wellness entrepreneur Chrisanna Northrup teamed with two of America's top sociologists, Yale Ph.D. Pepper Schwartz and Harvard Ph.D. James Witte, to design a unique interactive survey that would draw feedback from around the world. What has resulted is the clearest picture yet of how well couples are communicating, romancing each other, satisfying each other in the bedroom, sharing financial responsibilities, and staying faithful - or not. Since the *Normal Bar* survey methodology sorts for age and gender, racial and geographic differences and sexual preferences, the authors are able to reveal , for example, what happens to passion as we grow older, which gender wants what when it comes to sex, the factors that spur marital combat, how kids figure in, how being gay or bisexual turns out to be both different and the same, and -regardless of background -- the tiny habits that drive partners absolutely batty. The book is dense with revelations, from the unexpected popularity of certain sexual positions, to the average number of times happy - and unhappy -- couples kiss, to the prevalence of lying, to the surprising loyalty most men and women feel for their partner (even when

in a deteriorating relationship), to the vivid and idiosyncratic ways individuals of different ages, genders and nationalities describe their “ideal romantic evening.” Much more than a peek behind the relationship curtain, *The Normal Bar* offers readers an array of prescriptive tools that will help them establish a “new normal.” Mindful of what keeps couples stuck in ruts, the book’s authors suggest practical and life-changing ways to break cycles of disappointment and frustration.

the big kink survey: *Tell Me What You Want* Justin J. Lehmler, 2022-08-25

the big kink survey: *Guide to Getting it On!* Paul Joannides, 2000 More irreverent than ever, the popular guide to fully understanding and enjoying sex has now been revised with new chapters such as Sex When You're Really Old, When Sex Gets Boring, and How to Be Cool When You're Not. 65 illustrations.

the big kink survey: *The Kinks* Carey Fleiner, 2017-03-01 Emerging from the same British music boom that birthed the Beatles and the Rolling Stones, Dave and Ray Davies’s band, the Kinks, became one of England’s most influential groups. Remembered best for such singles as “You Really Got Me,” “Lola,” and “Sunny Afternoon,” the Kinks produced 24 studio albums between 1964 and 1996. The Kinks’ prolific and varied catalog have made them both a mirror of and a counterfoil to nearly five decades of British and American culture. *The Kinks: A Thoroughly English Phenomenon* examines the music and performance of this quintessentially English band and shows how aspects of everyday life such as work, play, buying a house, driving a car, drinking tea, getting drunk, and getting laid, affected and shaped their creative output. Through an investigation of their music, lyrics, and image, Carey Fleiner shows how the Kinks reflected both the ordinary and the absurd, sometimes confronting topics with anger and sometimes with self-deprecating humor. *The Kinks* follows the band’s trajectory more or less chronologically and explores themes such as growing up in post-war Britain, the packaging and exploitation of the “British Invasion” bands, satire and self-consciousness, sexuality and gender-bending, social and political pessimism, the comforts of family, and the effects of fame and fandom. Fleiner’s investigation into the influences on and impact of the Kinks’ music takes readers on an engaging adventure through the musical culture of the ‘60s, ‘70s, and ‘80s, revealing how the Kinks created an undeniable sound and image that still attracts new followers today.

the big kink survey: *Communication in Kink* Jessica M. W. Kratzer, 2020-01-29 This edited collection focuses on varying communication perspectives in the Fifty Shades of Grey series. In particular, the chapters focus on kinky people’s perceptions of the series; consent, ownership, feminist desire in 24/7 BDSM; erotic romance writing in the post Fifty Shades of Grey landscape; sexual education; news coverage of the series; the rhetoric used in the series; and depictions of consent. The contributors address how a series as dominant in popular culture as Fifty Shades of Grey can affect people involved in a community, those on the outside, and those waiting for an opportunity to explore. Scholars of popular culture, communication, media studies, literary studies, and sociology will find this book particularly useful.

the big kink survey: *Analysis of Multivariate Data with SPSS* Jutta Arrenberg, 2020-09-09 The book introduces the most important statistical methods for analyzing multivariate data sets. After reading the book, the reader (female, male) is able to autonomously carry out comprehensive statistical analyses of data. The steps for finding a solution with SPSS are shown in the book. The individual procedures are explained using easy-to-understand examples to ensure learning success. Previous knowledge of statistics is helpful for reading the book, but not essential. The procedures presented are plausible even without prior basic knowledge of statistics. This book was written over a period of twenty semesters and benefited from the questions raised by the listeners in my lecture.

the big kink survey: *Outlook* Alfred Emanuel Smith, Francis Walton, 1910

the big kink survey: *Boys' Life* , 1923-09 Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

the big kink survey: *The Outlook* Lyman Abbott, Hamilton Wright Mabie, Ernest Hamlin Abbott, Francis Rufus Bellamy, 1910

the big kink survey: No One Asked for This Cazzie David, 2020 From writer/director Cazzie David comes a series of comedic essays about anxiety, social media, generational malaise, and growing up in a famous family.

the big kink survey: Irreversible Damage Abigail Shrier, 2020-06-30 NAMED A BOOK OF THE YEAR BY THE ECONOMIST AND ONE OF THE BEST BOOKS OF 2021 BY THE TIMES AND THE SUNDAY TIMES Irreversible Damage . . . has caused a storm. Abigail Shrier, a Wall Street Journal writer, does something simple yet devastating: she rigorously lays out the facts. —Janice Turner, The Times of London Until just a few years ago, gender dysphoria—severe discomfort in one’s biological sex—was vanishingly rare. It was typically found in less than .01 percent of the population, emerged in early childhood, and afflicted males almost exclusively. But today whole groups of female friends in colleges, high schools, and even middle schools across the country are coming out as “transgender.” These are girls who had never experienced any discomfort in their biological sex until they heard a coming-out story from a speaker at a school assembly or discovered the internet community of trans “influencers.” Unsuspecting parents are awakening to find their daughters in thrall to hip trans YouTube stars and “gender-affirming” educators and therapists who push life-changing interventions on young girls—including medically unnecessary double mastectomies and puberty blockers that can cause permanent infertility. Abigail Shrier, a writer for the Wall Street Journal, has dug deep into the trans epidemic, talking to the girls, their agonized parents, and the counselors and doctors who enable gender transitions, as well as to “detransitioners”—young women who bitterly regret what they have done to themselves. Coming out as transgender immediately boosts these girls’ social status, Shrier finds, but once they take the first steps of transition, it is not easy to walk back. She offers urgently needed advice about how parents can protect their daughters. A generation of girls is at risk. Abigail Shrier’s essential book will help you understand what the trans craze is and how you can inoculate your child against it—or how to retrieve her from this dangerous path.

the big kink survey: Bulletin of the United States Geological Survey , 1949

the big kink survey: U.S. Geological Survey Bulletin , 1983

the big kink survey: *The New Ideal State and County Survey and Atlas of New Jersey and Pennsylvania* Rand McNally and Company, 1913

the big kink survey: The Ultimate Guide to Kink Tristan Taormino, 2012-03-01 The Ultimate Guide to Kink is the first major guide to BDSM in a generation—a bold and sexy collection of essays that run the gamut from expert how-to tutorials to provocative essays that delve into complex questions about desire, power, and pleasure. The book brings together diverse voices from the kink community in an unprecedented way: each chapter is written by a different sexuality/BDSM educator. Divided into two sections, the first section features thorough, thoughtful pieces—on everything from flogging to bondage—packed with techniques and beautifully illustrated with original images from artist Katie Diamond. The second section is dedicated to role-playing fantasies and personal manifestos. From age play to masochism, these chapters cover some of the edgiest, most taboo and controversial elements of kink in depth. The Ultimate Guide to Kink features the expertise of renowned educators writing passionately on their favorite subjects, including Patrick Califia, Midori, Laura Antoniou, Barbara Carrellas, Lee Harrington, Jack Rinella, Lolita Wolf, Madison Young, Hardy Haberman, Felice Shays, Ignacio Rivera, Sarah Sloane, Mollena Williams, FifthAngel, and Edge. It will educate, inspire, and challenge both newcomers to the world of kink and experienced BDSM players.

the big kink survey: Introduction to Applied Linear Algebra Stephen Boyd, Lieven Vandenberghe, 2018-06-07 A groundbreaking introduction to vectors, matrices, and least squares for engineering applications, offering a wealth of practical examples.

the big kink survey: Coming Home to Passion Ruth Cohn, 2011-02-18 This book offers a detailed road map for overcoming sexual and relationship impasses originating from painful childhood experiences. Large numbers of adults with histories of childhood trauma and neglect suffer persistent relationship and sexual difficulties. Unfortunately, most have failed to receive

adequate help with emerging from these deep and complex problems. *Coming Home to Passion: Restoring Loving Sexuality in Couples with Histories of Childhood Trauma and Neglect* explores the enduring impacts—physiological, psychological, and behavioral—of childhood trauma and neglect. Author Ruth Cohn, drawing on 25 years of experience working with trauma survivors and their partners and families, lays out a practical and actionable course for recovery in clear, accessible language. This book provides direction and hope to those with trauma backgrounds while also serving as a unique resource for professional readers. Integrating in-depth information on attachment and relationship, trauma and neglect, and sexuality, Cohn details a practical, hands-on treatment approach for revitalizing love, health, and passion.

the big kink survey: *The Sexual Politics of Disability* Tom Shakespeare, Kath Gillespie-Sells, Dominic Davies, 1996 While the civil rights movement has put disability issues centre-stage, there has been minimal discussion of disabled people's sexuality. This book, based on first-hand accounts, takes a close look at questions of identity, relationships, sex, love, parenting and abuse and demolishes the taboo around disability and sex. It shows the barriers to disabled people's sexual rights and sexual expression, and also the ways in which these obstacles are being challenged. Various moving, angry, funny and proud, *The Sexual Politics of Disability* is about disabled people sharing their stories and claiming their place as sexual beings. It is a pioneering work, and essential reading for anyone interested in disability or sexual politics.

the big kink survey: *Decoding Your Kink* Galen Fous, 2015-11-25 Highly acclaimed *Decoding Your Kink - Guide to Explore Share and Enjoy Your Wildest Sexual Desires*, gets rave reviews! Visionary...Masterful...Groundbreaking...Cutting Edge...Worth its Weight in Diamonds ... Highly Recommended...A Must Read These are some of the exclamations from prominent sex positive psychologists, therapists and Kink sex educators who offered pre-publication reviews of *Decoding Your Kink*. *Decoding Your Kink*, by leading Fetish Sex educator, researcher and sex-positive therapist Galen Fous MTP, offers ground-breaking psychological insight into the emerging global renaissance of sexual exploration, orientation and identity particularly in the realm of Kink. The book includes extensive guidelines to embrace one's authentic sexuality, decode an array of Kink fantasies, and access the ecstatic sexual depths inherent in anyone's wildest sexual desires. Techniques are offered to negotiate honestly for what one desires, create profound trust between partners, and begin to resolve old shame, trauma and fear about one's authentic sexuality. *Decoding Your Kink* provides easy to follow practices for individuals and partners to safely share their deepest intimacies. Once trust is built, partners may access mind shattering orgasmic states offered by conscious expression of their most taboo Kinky yearnings. Also included in the book are revealing and provocative analysis of people's kinkiest fantasies gleaned from over 2000 participants in the innovative Discover Your Personal Erotic Myth Survey. Fous developed this anonymous 40-question survey in support of his research into the nature of a recently visible sexual identity he defines as Fetishsexuality, aka Kink. This book conveys what I have learned about Conscious Kink and D/s-BDSM sexuality over the last 15 years as a Fetish-positive therapist, researcher and public advocate for sex-positive values. It includes reporting and case studies from the 100's of singles and couples I've supported who desired to come to terms with old experiences of shame, fear and trauma, and understand how to embody their edgiest sexual fantasies. I share hard earned insights from my personal journey into the Kink lifestyle as well. Galen Fous MTP Galen Fous is a visionary, providing a clear and courageous roadmap for anyone looking to undo the shackles of societally induced sexual shame and go on a journey to discover his or her own Personal Erotic Myth. - Dr. Michael Aaron, NYC sex therapist. Galen Fous smooths the path and leads you through the predicaments, pleasures, enticements and outrageous glories of Kink. His genuine, unique voice is outstanding and heartwarming. A must read! Limor Blockman, PhD, Clinical Sex Therapist, Playboy Radio Host, www.DrLimor.com Nobody struggles more with the feeling that their erotic desires are 'wrong' or 'broken' than the man or woman who otherwise fits easily into mainstream culture - the heterosexual man and woman into dominance and submission and BDSM. 'Decoding Your Kink' is worth its weight in diamonds to such strugglers, offering them a sensible and nurturing path to

self-knowledge, self-acceptance and the erotic intensity we all crave and too few ever obtain. - Janet W. Hardy, coauthor, *The Ethical Slut*, *The New Bottoming Book* and more Galen Fous' unique insights on a subject much maligned and misunderstood is a primer for individuals interested in exploring the world of kink. It provides guidelines, case studies and personal experiences to assist the reader in shedding their shame and discovering their authentic sexuality. - Susana Mayer, Ph.D., Clinical Sexologist, theEroticliterarysalon.com

the big kink survey: Mathematics for Machine Learning Marc Peter Deisenroth, A. Aldo Faisal, Cheng Soon Ong, 2020-04-23 The fundamental mathematical tools needed to understand machine learning include linear algebra, analytic geometry, matrix decompositions, vector calculus, optimization, probability and statistics. These topics are traditionally taught in disparate courses, making it hard for data science or computer science students, or professionals, to efficiently learn the mathematics. This self-contained textbook bridges the gap between mathematical and machine learning texts, introducing the mathematical concepts with a minimum of prerequisites. It uses these concepts to derive four central machine learning methods: linear regression, principal component analysis, Gaussian mixture models and support vector machines. For students and others with a mathematical background, these derivations provide a starting point to machine learning texts. For those learning the mathematics for the first time, the methods help build intuition and practical experience with applying mathematical concepts. Every chapter includes worked examples and exercises to test understanding. Programming tutorials are offered on the book's web site.

the big kink survey: **Perspectives in Hydrogen in Metals** M. F. Ashby, J. P. Hirth, 2017-09-21 *Perspectives in Hydrogen in Metals: Collected Papers on the Effect of Hydrogen on the Properties of Metals and Alloys* discusses the advancement in the understanding of the effects of hydrogen on the physical and mechanical properties of metals and alloys. The title first covers solubility and other thermodynamic properties, and then proceeds to tackling diffusivity. Next, the selection discusses the trapping of hydrogen by defects and hydride formation. The text also talks about hydrogen in amorphous metals, along with the effect of hydrogen on plastic deformation. The last chapter covers hydrogen embrittlement. The book will be of great use chemists, metallurgists, and materials engineers.

the big kink survey: **Geological Survey of Canada, Current Research (Online) no. 2000-C14** C. Sasseville, 2000 Presents results of 1999 field studies focusing on the structure & stratigraphy within the Wallace Lake greenstone belt of east central Manitoba. The stratigraphic results involve redefinition of some of the sequences previously described in the belt and the introduction of new stratigraphic nomenclature. The nature of the contact between stratigraphic assemblages, and the internal stratigraphy of these assemblages, is then presented. This is followed by a discussion of the stratigraphic position of various komatiitic units found in the belt. The final sections describe the geochemistry of the volcanic rocks and the structural history of the greenstone belt.

the big kink survey: Five Suns Stephen J. Pyne, 2024-04-30 A climate defined by wet and dry seasons, a mostly mountainous terrain, a biota prone to disturbances, a human geography characterized by a diversity of peoples all of whom rely on burning in one form or another: Mexico

has ideal circumstances for fire, and those fires provide a unique perspective on its complex history. Narrating Mexico's evolution of fire through five eras, historian Stephen J. Pyne describes the pre-human, pre-Hispanic, colonial, industrializing (1880-1980), and contemporary (1980-2015) fire biography of this diverse and dynamic country. Creatively deploying the Aztec New Fire Ceremony and the "five suns" that it birthed, Pyne addresses the question, "Why does fire appear in Mexico the way it does?" Five Suns tells the saga through a pyric prism. Mexico has become one of the top ten "firepowers" in the world today through its fire suppression capabilities, fire research, and industrial combustion, but also by those continuing customary practices that have become increasingly significant to a world that suffers too much combustion and too little fire. Five Suns completes a North American fire-history trilogy written by Pyne over the past 40 years, complementing his histories of Canada and the United States.

the big kink survey: Sexuality and Gender for Mental Health Professionals Christina Richards, Meg Barker, 2013-10-15 Questions of sexuality and gender affect everyone and therefore have an inevitable relevance in the consulting room. Yet with interpretations and manifestations of both varying greatly from person to person, understanding the inherent complexities of sexuality and gender can be a daunting task for the health professional. Breaking down these complexities this practical guide familiarises the reader with all of the common and many of the less common sexualities, genders and relationship forms, and explains experiences and issues relating to each. The book contains: -Explanations of various forms of sexuality, gender and relationship structures -Common concerns relating to specific groups -Key practises relating to specific groups -The treatment of specific groups in contemporary Western society -Details of some rules and ideals that are commonly found within specific groups -Suggestions for professional practice with these groups Ideal for all members of the multidisciplinary team, this accessible book is relevant to practitioners across theoretical backgrounds. Whether you are a trainee or qualified psychotherapist, counsellor, nurse, medic, psychiatrist, social worker or applied psychologist, this is a vital text for your professional practice. CHRISTINA RICHARDS is Senior Specialist Psychology Associate at the West London Mental Health NHS Trust (Charing Cross) Gender Identity Clinic. MEG BARKER is a senior lecturer in psychology at the Open University and a sex and relationship therapist.

Big (film) - Wikipedia

Big is a 1988 American fantasy comedy-drama film directed by Penny Marshall and stars Tom Hanks as Josh Baskin, an adolescent boy whose wish to be "big" transforms him physically ...

BIG Definition & Meaning - Merriam-Webster
