The Constitution Scavenger Hunt: A Fun & Engaging Way to Learn About American History

Are you looking for a unique and engaging way to teach your students, children, or even yourself about the United States Constitution? Forget dry lectures and tedious readings! This blog post outlines how to create and run a thrilling Constitution scavenger hunt, transforming the often-daunting document into an exciting adventure. We'll cover everything from crafting compelling clues to selecting appropriate locations and ensuring a successful, educational experience for everyone involved. Get ready to embark on a journey through history, one clue at a time!

Designing Your Constitution Scavenger Hunt: Choosing a Theme & Audience

The first step in creating a successful Constitution scavenger hunt is defining your target audience and choosing a relevant theme. Are you targeting elementary school children, high school students, or adults? The complexity of the clues and the overall difficulty of the hunt should be tailored to their knowledge and capabilities.

Consider a specific theme to focus the scavenger hunt. For example:

Founding Fathers Focus: Clues could relate to the lives and contributions of key figures like James Madison, Alexander Hamilton, and Benjamin Franklin.

Amendments Adventure: The hunt could revolve around the Bill of Rights or specific amendments, focusing on their impact on American society.

Landmark Locations: Incorporate landmarks relevant to the Constitution's creation or implementation, like Independence Hall or the Supreme Court building (if feasible).

Choosing Your Clues: A Blend of Challenge and Discovery

Crafting effective clues is crucial. They should be challenging enough to be engaging but not so difficult as to frustrate participants. A good clue should:

Be clear and concise: Avoid ambiguity or unnecessary jargon.

Incorporate elements of the Constitution: Directly or indirectly reference articles, amendments, or key concepts.

Offer a range of difficulty: Mix easy clues with more challenging ones to maintain interest.

Lead to a specific location: Clues should guide participants to a particular place, be it a physical location or a section within the Constitution itself (for a digital hunt).

Example Clues:

Easy: "I am found in the First Amendment. I guarantee your right to speak freely. Where am I?"
(Answer: Freedom of Speech)

Medium: "This building witnessed the birth of our nation's founding document. Find me in Philadelphia." (Answer: Independence Hall)

Hard: "The power to make treaties is granted to this branch of government, as stated in Article II, Section 2, Clause 2." (Answer: The Executive Branch)

Setting the Stage: Choosing the Location & Materials

The location of your scavenger hunt will heavily influence its success. Consider the following:

Indoor vs. Outdoor: An indoor hunt might be suitable for inclement weather or younger participants.

Outdoor hunts offer more possibilities for creative clues and exploration.

Accessibility: Ensure the chosen location is accessible to all participants, considering potential physical limitations.

Safety: Prioritize the safety of participants. Avoid locations with potential hazards or heavy traffic.

You'll also need the necessary materials:

Clue cards: Printed or digital clues, ideally laminated for durability.

Map (if applicable): A map of the hunt area can be helpful, especially for larger or outdoor hunts.

Prizes: Small prizes or certificates of completion can add an extra layer of excitement.

Pencils/paper: For participants to record their answers or notes.

Running the Hunt: Tips for a Successful Experience

Before starting the hunt, provide a clear briefing to participants. Explain the rules, the objective, and any specific instructions. Consider dividing participants into teams to foster collaboration and friendly competition.

Time Management: Set a reasonable timeframe for completing the hunt.

Supervision: Appropriate supervision is crucial, especially for younger participants.

Flexibility: Be prepared to adapt to unexpected circumstances or adjust the difficulty level if needed.

Debriefing: After the hunt, take time to discuss the answers, revisit key concepts from the Constitution, and celebrate the participants' achievements.

Conclusion: Make Learning Fun!

A Constitution scavenger hunt provides a dynamic and engaging method for learning about American history and civics. By carefully planning the theme, crafting intriguing clues, and selecting an appropriate location, you can create an unforgettable educational experience that will leave participants with a deeper understanding and appreciation for the foundational document of the United States. Remember to adapt the complexity to your audience and enjoy the process!

FAQs

Q1: Can I adapt this for a virtual scavenger hunt?

A1: Absolutely! Virtual scavenger hunts can use online resources, websites related to the Constitution, or even incorporate video clues. The possibilities are endless.

Q2: What if participants get stuck on a clue?

A2: Provide hints or offer a limited number of "lifelines" to help them progress without completely solving the puzzle for them.

Q3: How can I make this hunt educational beyond just finding clues?

A3: Incorporate discussion points at each location or after completing the hunt. Ask questions that prompt critical thinking about the Constitution's impact on society.

Q4: What kind of prizes are suitable for a Constitution scavenger hunt?

A4: Consider age-appropriate prizes like books on American history, Constitution-themed merchandise, small gifts, or certificates of achievement.

Q5: Is it suitable for all age groups?

A5: Yes, but the complexity of the clues and the hunt's overall structure should be adjusted to match the age and understanding of the participants. Simpler clues and themes are better for younger children.

the constitution scavenger hunt: Government in America George C. Edwards, III, Martin P. Wattenberg, Robert L. Lineberry, 1999 How should we govern? and What should government do? Professors Edwards, Wattenberg, and Lineberry evaluate how well the American system lives up to citizens' expectations of democratic government and discuss alternative views concerning the proper scope of American government. In doing so they help students answer the critical question, What difference does politics make?

Includes Print Student Edition

the constitution scavenger hunt: *The Heritage Guide to the Constitution* David F. Forte, Matthew Spalding, 2014-09-16 A landmark work of more than one hundred scholars, *The Heritage Guide to the Constitution* is a unique line-by-line analysis explaining every clause of America's founding charter and its contemporary meaning. In this fully revised second edition, leading scholars in law, history, and public policy offer more than two hundred updated and incisive essays on every clause of the Constitution. From the stirring words of the Preamble to the Twenty-seventh Amendment, you will gain new insights into the ideas that made America, important debates that continue from our Founding, and the Constitution's true meaning for our nation

the constitution scavenger hunt: *The North Carolina State Constitution* John V. Orth, Paul M. Newby, 2013-04-11 North Carolina's state constitution charts the evolution over two centuries of a modern representative democracy. In *The North Carolina State Constitution*, John V. Orth and Paul M. Newby provide an outstanding constitutional and historical account of the state's governing charter. In addition to an overview of North Carolina's constitutional history, it provides an in-depth, section-by-section analysis of the entire constitution, detailing the many significant changes that have been made since its initial drafting. This treatment, along with a table of cases, index, and

bibliography provides an unsurpassed reference guide for students, scholars, and practitioners of North Carolina's constitution. Co-authored by Paul M. Newby, a sitting justice of the North Carolina Supreme Court, the second edition includes significant constitutional amendments adopted since the date of the first edition. Almost every article was affected by the changes. Some were minor-such as the lengthening the term of magistrates-and some were more significant, such as spelling out the rights of victims of crimes. One was obviously major: granting the governor the power to veto legislation-making North Carolina's governor the last American governor to be given that power. In addition, the North Carolina Supreme Court has continued the seemingly never-ending process of constitutional interpretation. Some judicial decisions answered fairly routine questions about the powers of office, such as the governor's clemency power. Others were politically contentious, such as deciding the constitutional constraints on legislative redistricting. And one continues to have momentous consequences for public education, recognizing the state's constitutional duty to provide every school child in North Carolina with a sound, basic education. The Oxford Commentaries on the State Constitutions of the United States is an important series that reflects a renewed international interest in constitutional history and provides expert insight into each of the 50 state constitutions. Each volume in this innovative series contains a historical overview of the state's constitutional development, a section-by-section analysis of its current constitution, and a comprehensive guide to further research. Under the expert editorship of Professor G. Alan Tarr, Director of the Center on State Constitutional Studies at Rutgers University, this series provides essential reference tools for understanding state constitutional law. Books in the series can be purchased individually or as part of a complete set, giving readers unmatched access to these important political documents.

the constitution scavenger hunt: Strengthening Forensic Science in the United States National Research Council, Division on Engineering and Physical Sciences, Committee on Applied and Theoretical Statistics, Policy and Global Affairs, Committee on Science, Technology, and Law, Committee on Identifying the Needs of the Forensic Sciences Community, 2009-07-29 Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

the constitution scavenger hunt: Catechism of the Catholic Church U.S. Catholic Church, 2012-11-28 Over 3 million copies sold! Essential reading for Catholics of all walks of life. Here it is - the first new Catechism of the Catholic Church in more than 400 years, a complete summary of what Catholics around the world commonly believe. The Catechism draws on the Bible, the Mass, the Sacraments, Church tradition and teaching, and the lives of saints. It comes with a complete index, footnotes and cross-references for a fuller understanding of every subject. The word catechism means instruction - this book will serve as the standard for all future catechisms. Using the tradition of explaining what the Church believes (the Creed), what she celebrates (the Sacraments), what she lives (the Commandments), and what she prays (the Lord's Prayer), the Catechism of the Catholic Church offers challenges for believers and answers for all those interested in learning about the

mystery of the Catholic faith. The Catechism of the Catholic Church is a positive, coherent and contemporary map for our spiritual journey toward transformation.

the constitution scavenger hunt: *The Federalist Papers* Alexander Hamilton, John Jay, James Madison, 2018-08-20 Classic Books Library presents this brand new edition of "The Federalist Papers", a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. "The Federalist", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755-1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

the constitution scavenger hunt: *Brain Quest Workbook* Jan Meyer, 2008-07-09 Jam-packed with hundreds of curriculum-based activities, exercises and games in every subject, Brain Quest Grade 3 Workbook reinforces what kids are learning in the classroom. The workbook's lively layout and easy-to-follow explanations make learning fun, interactive, and concrete. Plus it's written to help parents follow and explain key concepts. Includes spelling and vocabulary, parts of speech, reading comprehension, odds and evens, magic squares, multiplication tables, Brain Boxes, and much more.

the constitution scavenger hunt: *Mission Washington*, Catherine Aragon, 2014-09-01 'Mission Washington, D.C.' takes your young travelers through the famous sights of D.C., engaging them in an exciting scavenger hunt as you explore city landmarks together.

the constitution scavenger hunt: *Congressional Record* United States. Congress, 1968

the constitution scavenger hunt: *Constitutionalism and the Rule of Law* Maurice Adams, Anne Meuwese, Ernst Hirsch Ballin, 2017-02-02 Rule of law and constitutionalist ideals are understood by many, if not most, as necessary to create a just political order. Defying the traditional division between normative and positive theoretical approaches, this book explores how political reality on the one hand, and constitutional ideals on the other, mutually inform and influence each other. Seventeen chapters from leading international scholars cover a diverse range of topics and case studies to test the hypothesis that the best normative theories, including those regarding the role of constitutions, constitutionalism and the rule of law, conceive of the ideal and the real as mutually regulating.

the constitution scavenger hunt: *As Many Nows as I Can Get* Shana Youngdahl, 2019-08-20 A Seventeen Best Book of the Year A New York Public Library Top Ten Best Book of the Year A Kirkus Best Book of the Year For fans of All the Bright Places and Looking for Alaska comes a daring, inventive story about love and loss and longing, reminding us that every choice can be a new chance. A dazzling, not-to-be-missed debut. --Kathleen Glasgow, author of *Girl in Pieces* In one impulsive moment the summer before they leave for college, Scarlett and David plunge into a brief and irresistible swirl of romance, particle physics, and questionable decisions. Scarlett and David have known each other all their lives in small-town Graceville, Colorado, where David is just another mountain in the background, until, one day, he is suddenly so much more than part of the scenery. Magnetic, spontaneous, David is a gravitational force. And Scarlett, pragmatic, wry, eye on the future, welcomes the pull he has on her even as she resists it. Moving between the present and the past, this is the story of a seemingly grounded girl who's pulled into a lightning-strike romance with an electric-charged boy, and the enormity of the aftermath. Smart, bold, and emotionally deep, Shana Youngdahl's debut explores grief, guilt, and reconciling who you think you need to be with the person you've been all along. It's an aching, transporting reminder that between the past that shapes us and the unknowable future, we have only the present to forgive ourselves and forge ahead. A story you won't forget. --Huntley Fitzpatrick, author of *My Life Next Door*

Mystery...Heartbreak...Hope...Readers will not be able to put this one down.--SLJ Vivid
--Seventeen.com You'll speed read through [it] --PopSugar John Green-like, intelligent and peppered with witty repartee --Booklist Heartbreaking, exquisitely crafted --Estelle Laure, author of *This Raging Light* Deeply authentic...Marvelously complex...Readers shouldn't miss [it] --Kirkus, starred review A complex, compassionately written love story --PW A definite purchase and must read.--VOYA Perfect. --Book Page

the constitution scavenger hunt: *The Secret* Byron Preiss, 2016-10-05 The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels, are buried. The key to finding each can be found within the twelve full color paintings and verses of *The Secret*. Yet *The Secret* is much more than that. At long last, you can learn not only the whereabouts of the Fair People's treasure, but also the modern forms and hiding places of their descendants: the Toll Trolls, Maitre D'eamons, Elf Alphas, Tupperwerewolves, Freudian Sylphs, Culture Vultures, West Ghosts and other delightful creatures in the world around us. *The Secret* is a field guide to them all. Many armchair treasure hunt books have been published over the years, most notably *Masquerade* (1979) by British artist Kit Williams. *Masquerade* promised a jewel-encrusted golden hare to the first person to unravel the riddle that Williams cleverly hid in his art. In 1982, while everyone in Britain was still madly digging up hedgerows and pastures in search of the golden hare, *The Secret: A Treasure Hunt* was published in America. The previous year, author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum. Preiss was killed in an auto accident in the summer of 2005, but the hunt for his casques continues.

the constitution scavenger hunt: *Citizenville* Gavin Newsom, 2014-01-28 "A fascinating case for a more engaged government, transformed to meet the challenges and possibilities of the twenty-first century." —President William J. Clinton A rallying cry for revolutionizing democracy in the digital age, *Citizenville* reveals how ordinary Americans can reshape their government for the better. Gavin Newsom, the lieutenant governor of California, argues that today's government is stuck in the last century while—in both the private sector and our personal lives—absolutely everything else has changed. Drawing on wide-ranging interviews with thinkers and politicians, Newsom shows how Americans can transform their government, taking matters into their own hands to dissolve political gridlock even as they produce tangible changes in the real world. *Citizenville* is a timely road map for restoring American prosperity and for reinventing citizenship in today's networked age.

the constitution scavenger hunt: *Anthrax in Humans and Animals* World Health Organization, 2008 This fourth edition of the anthrax guidelines encompasses a systematic review of the extensive new scientific literature and relevant publications up to end 2007 including all the new information that emerged in the 3-4 years after the anthrax letter events. This updated edition provides information on the disease and its importance, its etiology and ecology, and offers guidance on the detection, diagnostic, epidemiology, disinfection and decontamination, treatment and prophylaxis procedures, as well as control and surveillance processes for anthrax in humans and animals. With two rounds of a rigorous peer-review process, it is a relevant source of information for the management of anthrax in humans and animals.

the constitution scavenger hunt: *U.S. History* P. Scott Corbett, Volker Janssen, John M.

Lund, Todd Pfannestiel, Sylvie Waskiewicz, Paul Vickery, 2024-09-10 U.S. History is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). U.S. History covers key forces that form the American experience, with particular attention to issues of race, class, and gender.

the constitution scavenger hunt: We the Kids David Catrow, 2005-04-21 Brush up on the Preamble to the Constitution with this patriotic picture book—and have a couple of good laughs while you're at it! A long time ago some smart guys wrote the Preamble to the Constitution. You have probably read it before, but do you know what it means? And did it ever make you laugh? Now it will! Perfect for inspiring discussion in classrooms and around kitchen tables, this fun-filled and cheerfully illustrated look at the Preamble provides an accessible introduction to America's founding ideals for citizens of all ages. Includes a glossary of terms and a foreword by the artist. This zany, patriotic paean offers kids lighthearted but meaningful incentive to reflect further on the relevance of those 'big words' and 'big ideas.'—Publishers Weekly

the constitution scavenger hunt: Roman Art Nancy Lorraine Thompson, Philippe De Montebello, John Kent Lydecker, Carlos A. Picón, 2007 A complete introduction to the rich cultural legacy of Rome through the study of Roman art ... It includes a discussion of the relevance of Rome to the modern world, a short historical overview, and descriptions of forty-five works of art in the Roman collection organized in three thematic sections: Power and Authority in Roman Portraiture; Myth, Religion, and the Afterlife; and Daily Life in Ancient Rome. This resource also provides lesson plans and classroom activities.--Publisher website.

the constitution scavenger hunt: United States Government: Principles in Practice , 2011-03-02 Presents relevant standards-based content that targets student interest to stimulate and encourage learning. Includes case studies, thought-provoking questions, and simulations, and develops 21st century skills in students so that they can apply what they learn and participate as effective and responsible citizens.--Publisher.

the constitution scavenger hunt: All-American History: student reader Celeste W. Rakes, 2006 Containing hundreds of images and dozens of maps, All American History is a complete year s curriculum for students in grades 5-8 when combined with the Student Activity Book and Teacher s Guide. It is also adaptable for younger and older students. The first volume covers Exploration through 1840. There are 32 weekly lessons, and each lesson contains three sections examining the atmosphere in which the event occurred, the event itself, and the impact this event had on the future of America. Designed to be engaging and written in a comfortable style, All American History reads like a good book-bringing America s story to life piece by piece.

the constitution scavenger hunt: The Civil War in 50 Objects Harold Holzer, New-York Historical Society, 2013-05-02 The American companion to A History of the World in 100 Objects, a fresh, visual perspective on the Civil War From a soldier's diary with the pencil still attached to John Brown's pike, the Emancipation Proclamation, and the leaves from Abraham Lincoln's bier, here is a unique and surprisingly intimate look at the Civil War. Lincoln scholar Harold Holzer sheds new light on the war by examining fifty objects from the New-York Historical Society's acclaimed collection. A daguerreotype of an elderly, dignified ex-slave; a soldier's footlocker still packed with its contents; Grant's handwritten terms of surrender at Appomattox—the stories these objects tell are rich, poignant, sometimes painful, and always fascinating. They illuminate the conflict from all perspectives—Union and Confederate, military and civilian, black and white, male and female—and give readers a deeply human sense of the war.

the constitution scavenger hunt: The Freedom to Read American Library Association, 1953

the constitution scavenger hunt: American Government: Stories of a Nation Scott Abernathy, Karen Waples, 2018-12-10 This new offering from AP® teacher Karen Waples and college professor Scott Abernathy is tailor-made to help teachers and students transition to the redesigned AP® U. S. Government and Politics course. Carefully aligned to the course framework,

this brief book is loaded with instructional tools to help you and your students meet the demands of the new course, such as integrated skills instruction, coverage of required cases and documents, public policy threaded throughout the book, and AP® practice after every chapter and unit, all in a simple organization that will ease your course planning and save you time. We've got you covered! With a program specifically tailored for the new AP® framework and exam. With a brief student edition that students will read and enjoy. With pedagogy and features that prepare students for the AP® exam like no other book on the market. With a teacher edition and resources that save you time in transitioning to the new course. With professional development to help you transition your instruction.

the constitution scavenger hunt: *Life and Times of Frederick Douglass* Frederick Douglass, 1882 Frederick Douglass recounts early years of abuse, his dramatic escape to the North and eventual freedom, abolitionist campaigns, and his crusade for full civil rights for former slaves. It is also the only of Douglass's autobiographies to discuss his life during and after the Civil War, including his encounters with American presidents such as Lincoln, Grant, and Garfield.

the constitution scavenger hunt: *The Un-Americans* Joseph Litvak, 2009-11-25 In a bold rethinking of the Hollywood blacklist and McCarthyite America, Joseph Litvak reveals a political regime that did not end with the 1950s or even with the Cold War: a regime of compulsory sycophancy, in which the good citizen is an informer, ready to denounce anyone who will not play the part of the earnest, patriotic American. While many scholars have noted the anti-Semitism underlying the House Un-American Activities Committee's (HUAC's) anti-Communism, Litvak draws on the work of Theodor W. Adorno, Hannah Arendt, Alain Badiou, and Max Horkheimer to show how the committee conflated Jewishness with what he calls "comic cosmopolitanism," an intolerably seductive happiness, centered in Hollywood and New York, in show business and intellectual circles. He maintains that HUAC took the comic irreverence of the "uncooperative" witnesses as a crime against an American identity based on self-repudiation and the willingness to "name names." Litvak proposes that sycophancy was (and continues to be) the price exacted for assimilation into mainstream American culture, not just for Jews, but also for homosexuals, immigrants, and other groups deemed threatening to American rectitude. Litvak traces the outlines of comic cosmopolitanism in a series of performances in film and theater and before HUAC, performances by Jewish artists and intellectuals such as Zero Mostel, Judy Holliday, and Abraham Polonsky. At the same time, through an uncompromising analysis of work by informers including Jerome Robbins, Elia Kazan, and Budd Schulberg, he explains the triumph of a stoolpigeon culture that still thrives in the America of the early twenty-first century.

the constitution scavenger hunt: *Lagerstroemia 'Natchez'*. , 1999

the constitution scavenger hunt: *The Great Compromise* Julia Cook, 2020-02-28 Cora June knows exactly what she wants! And she often gets it! Instead, he helped her learn to control her power and introduced her to an underground group of Paranormals and humans who know the truth about the war and those who fought it. Now the weight of Liam's own secrets has forced him into hiding. When

a government agent is killed and Claire discovers that Liam is the prime suspect, she races to find him before the government can. But she'll discover proving his innocence is no simple matter. Their enemies are drawing closer, and time is running out....

the constitution scavenger hunt: *Coleus*, 2008 An encyclopedic reference guide to more than 225 varieties of coleus features an array of these colorful foliage plants for both landscape design and container gardening, offering detailed descriptions of each variety, practical plant selection and garden design suggestions, tips on care and maintenance, and more.

the constitution scavenger hunt: *The Catholic Faith Handbook for Youth* Brian Singer-Towns, 2008 This reference is an understandable and down-to-earth guide to all things Catholic. The resource is appropriate for brushing up on specific Catholic terms and concepts or learning them for the first time. (Catholic)

the constitution scavenger hunt: *While Justice Sleeps* Stacey Abrams, 2021-05-11 #1 NEW YORK TIMES BESTSELLER • A gripping, complexly plotted thriller set within the halls of the U.S. Supreme Court, where a young law clerk finds herself embroiled in a shocking mystery crafted by one of the most preeminent judges in America—from celebrated national leader and bestselling author Stacey Abrams. Abrams follows in Dan Brown's footprint with this masterfully plotted thriller that unfolds like the ultimate chess match—bold move to bolder move with lives hanging in the balance.—Lisa Gardner, author of *Before She Disappeared* A first-class legal thriller, favorably compared to many of the best, starting with *The Pelican Brief*, which it brings to mind. It's fast-paced and full of surprises—a terrific read.—Scott Turow, author of *Presumed Innocent* Avery Keene, a brilliant young law clerk for the legendary Justice Howard Wynn, is doing her best to hold her life together—excelling in an arduous job with the court while also dealing with a troubled family. When the shocking news breaks that Justice Wynn—the cantankerous swing vote on many current high-profile cases—has slipped into a coma, Avery's life turns upside down. She is immediately notified that Justice Wynn has left instructions for her to serve as his legal guardian and power of attorney. Plunged into an explosive role she never anticipated, Avery finds that Justice Wynn had been secretly researching one of the most controversial cases before the court—a proposed merger between an American biotech company and an Indian genetics firm, which promises to unleash breathtaking results in the medical field. She also discovers that Wynn suspected a dangerously related conspiracy that infiltrates the highest power corridors of Washington. As political wrangling ensues in Washington to potentially replace the ailing judge whose life and survival Avery controls, she begins to unravel a carefully constructed, chesslike sequence of clues left behind by Wynn. She comes to see that Wynn had a much more personal stake in the controversial case and realizes his complex puzzle will lead her directly into harm's way in order to find the truth. *While Justice Sleeps* is a cunningly crafted, sophisticated novel, layered with myriad twists and a vibrant cast of characters. Drawing on her astute inside knowledge of the court and political landscape, Stacey Abrams shows herself to be not only a force for good in politics and voter fairness but also a major new talent in suspense fiction.

the constitution scavenger hunt: *Finite Math and Applied Calculus* Stefan Waner, Steven R. Costenoble, 2013-01-01 Full of relevant, diverse, and current real-world applications, Stefan Waner and Steven Costenoble's *FINITE MATHEMATICS AND APPLIED CALCULUS*, 6E, International Edition helps you relate to mathematics. A large number of the applications are based on real, referenced data from business, economics, the life sciences, and the social sciences. Thorough, clearly delineated spreadsheet and TI Graphing Calculator instruction appears throughout the book. Acclaimed for its readability and supported by the authors' popular website, this book will help you grasp and understand mathematics—whatever your learning style may be.

the constitution scavenger hunt: *Writing the Gettysburg Address* Martin P. Johnson, 2015-04-10 Four score and seven years ago . . . Are any six words better known, of greater import, or from a more crucial moment in our nation's history? And yet after 150 years the dramatic and surprising story of how Lincoln wrote the Gettysburg Address has never been fully told. Until now. Martin Johnson's remarkable work of historical and literary detection illuminates a speech, a man,

and a moment in history that we thought we knew. Johnson guides readers on Lincoln's emotional and intellectual journey to the speaker's platform, revealing that Lincoln himself experienced writing the Gettysburg Address as an eventful process that was filled with the possibility of failure, but which he knew resulted finally in success beyond expectation. We listen as Lincoln talks with the cemetery designer about the ideals and aspirations behind the unprecedented cemetery project, look over Lincoln's shoulder as he rethinks and rewrites his speech on the very morning of the ceremony, and share his anxiety that he might not live up to the occasion. And then, at last, we stand with Lincoln at Gettysburg, when he created the words and image of an enduring and authentic legend. Writing the Gettysburg Address resolves the puzzles and problems that have shrouded the composition of Lincoln's most admired speech in mystery for fifteen decades. Johnson shows when Lincoln first started his speech, reveals the state of the document Lincoln brought to Gettysburg, traces the origin of the false story that Lincoln wrote his speech on the train, identifies the manuscript Lincoln held while speaking, and presents a new method for deciding what Lincoln's audience actually heard him say. Ultimately, Johnson shows that the Gettysburg Address was a speech that grew and changed with each step of Lincoln's eventful journey to the podium. His two-minute speech made the battlefield and the cemetery into landmarks of the American imagination, but it was Lincoln's own journey to Gettysburg that made the Gettysburg Address.

the constitution scavenger hunt: United States Government Richard C. Remy, Donald A. Ritchie, Lee Arbetman, Megan L. Hanson, Lena Morreale Scott, Jay McTighe, Laurel R.
